ATTORNEY GAVE MRS. KEDDY GOOD ADVICE

Nova Scotia Woman Gains 20 Pounds and Says she Thinks Nothing of Two Mile Walk Since Taking Tanlac.

"I have gained twenty pounds in weight and could talk all day about the good Tanlac has done me and the good Tanlac has done Mrs. Irving Keddy, Tutts Cove, Dartmouth, N. S., recently. "At the time I got Tanlac I was so badly run down and weak I could hardly walk. I could scarcely eat anything at all, and my stomach was so badly out of order that my food seemed to give me no strength. "After meals gas would form on my stomach, pressing up into my chest and causing awful pains, and sometimes it seemed that I would smother. My stomach distressed me all the time, and I seemed like I couldn't digest anything. "I scarcely knew what it was to sleep, just rolled and tossed most of the night, and when morning came I felt so tired I didn't want to get up. I had a dull, heavy headache many mornings and felt nervous and shaky all the time. "I fell off until I was almost a skeleton, and was so weak I could scarcely do any of my housework. Often while trying to put the house in order I had such dizzy spells it seemed like I was going to fall. "Well, this was my condition for about a year, and although I just tried everything, I got worse right on, and my husband and I both thought I couldn't hold out much longer. "Finally a lawyer friend of ours told us about Tanlac, and I decided to try it. The very first few doses seemed to help me, so I kept taking it, and every bottle made me feel better. "I have taken six bottles now and my appetite is so good I can hardly eat anything to satisfy it, and I haven't a trace of indigestion left. As I said, I have gained twenty pounds in weight, and am so strong I think nothing of a two mile walk. "I sleep like a child every night, and it is once more a pleasure to do my housework and take care of my four children. Tanlac certainly is a grand medicine, and I praise it every chance I get. "Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Mabon, J. P. White, Murray River H. M. Chisholm, North Tryon, R. H. PLEASANTLY SURPRISED

Mr. and Mrs. McDonald of Alliston had a very pleasant surprise on the evening of November 4th, when a number of their friends and neighbours gathered at their home to express their regret that such "jolly good fellows" were soon to leave the district. An address was read by Miss Mary McPhee and similar gifts were presented to Mr. and Mrs. McDonald by Mr. Angus McEwen. Although taken completely by surprise "Dan" rose to the occasion and warmly thanked the good friends for their kindness. The ladies served a substantial lunch, after which all joined in the usual round of amusements.

Mr. and Mrs. McDonald were given a jolly good bouncing before the happy party dispersed, many good wishes being exchanged.

Alliston, P. E. I., Nov. 4th, 1920

To Mr. and Mrs. McDonald, Alliston.

Dear Friends:—

Having learned that you are about to sever your connections from amongst us, we, a few of your friends and neighbors have assembled here this evening to express our regret at losing for a time, the company of two of the most popular young people of this vicinity. We will miss your presence at all our social gatherings but we trust our loss is some one else's gain. And we hope that the time will not be long until we have you back again in the neighbourhood with us. We trust that wherever your lot may be cast, health and prosperity may be yours, and that our Heavenly Father will crown you with his richest blessings. In conclusion we ask you to accept this small gift, not for its intrinsic value, but as a mere remembrance from your friends.

GLD'S AND COFFIN NAILS.—It is often said that the British Army has its own language. Here is a specimen that was heard in a home camp just lately: Tommy: "Give us a tisey's worth of clods and two of coffin nails." Hut Assistant: "Excuse me—er, but what is a tisey's worth of clods?" Tommy: "Well, of all the—why, that's what we put half of in the missionary box on Sunday, while the other half goes to the Crown and Anchor." Hut Assistant now understands the soldier's meaning and gives his six pennyworth of coppers saying: "Here you are, but what are coffin nails?" Tommy: "What, don't you know that they're the only fags we can afford to buy the day before pay day? Treebines, of course."

DECEASED COMRADE.—Last Thursday afternoon the mortal remains of comrade Louis Essery were laid to rest in the People's Cemetery. The Rev. H. D. Raymond rector of St. Pauls Church took the burial service. The funeral was largely attended. The Veterans Association sent a wreath and the casket was covered with the Union Jack.
