Catarrh

Is a constitutional disease. It originates in a scrofulous condition of the blood and depends on that condition.

It often causes headache and dizziness, impairs the taste, smell and hearing, affects the vocal organs, disturbs the stomach.

It is always radically and permanently cured by the blood-purifying, alterative and tonic action of

Hood's Sarsaparilla

This great medicine has wrought the most wonderful cures of all diseases depending on scrofula or the scrofulous habit.

THE WAY TO GET MARRIED IN ENGLAND.

The present method of marriage-making in England is a curious one. Theoretically, the young people settle the whole business for themselves, but that does not for one moment exonerate the mother from blame should the daughter make a wrong choice, or fall from obstinacy or want of opportunity to make a choice at all. If a daughter makes a good match from a worldly point of view and is unhappy, there are always people to say that the mother "brought it about" with a snobbish motive.

ROBINSON CRUSOE'S MUSKET.

A Philadelphia firm of auctioneers recently offered at one of their sales "Robinson Crusoe's musket. It was a fine old flintlock. It was in the possession of a grandniece of Alexander Selkirk, and its pedigree is much more unclouded than is usually the case with objects of this kind.

Pale And Dejected.

The Trying Condition of Many Women.

Subject to Headache, Dizziness and Heart Palpitation. They Grow Discouraged and Prematurely Old.

From the Review, Windsor, Ont.

"Dr. Williams' Pink Pills is the only medicine that ever gave me any real benefit," says Mrs. R. K. Harris, a well known resident of Windsor, to a representative of the Review recently. "I do not know exactly what my trouble was; doctors seemed unable to tell me, though I thought myself it was 'consumption. I had a constant racking cough, and a constant feeling of languidness. My blood seemed to have turned to water, and I was very pale. I had a feeling in my chest as though some foreign substance was lodged there. The slightest noise made me nervous; I was dejected all the time and could not scarcely do any household work. I tried medicines, but they did not help me in the least. Doctors did not seem able to help me or tell me what ailed me, although their bills increased with alarming rapidity. I grew so weak, and so despondent that finally I decided to take a trip to Colorado to see if a change of climate would benefit me. While contemplating this trip I read in a paper one day the testimonial of a person whose symptoms were almost identical with my own, who was cured by Dr. Williams' Pink Pills. I decided to give them a trial and purchased a box. When that box was done I got another, and found gradually that the pills were helping me. The trip to Colorado was abandoned, and I continued using the pills until I had taken eight or nine boxes; when I felt like an altogether different person. From a pale thin, listless person, I became the picture of health, and felt it too. It is several years since I used the pills, and I have not had any return of the trouble. I am positive Dr. Williams' Pink Pills saved me from an early grave, and I cannot recommend them too highly to those who are afflicted as I was."

It is the mission of Dr. Williams' Pink Pills to make rich, red blood, nourish the nerves, tissues and various organs of the body, and thus by reaching the root of the trouble, drive disease from the system. Other medicines act only on the symptoms of the disease, and when such medicines are discontinued, the trouble returns—often in an aggravated form. If you want health and strength, be sure the full name, "Dr. Williams' Pink Pills for Pale People," is on the wrapper around each box. If your dealer cannot supply you the pills will be sent post paid at 50 cents a box, or six boxes for \$2.75, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
