IN MEMORIAM

In loving memory of our dear father, George McLellan who passed away at Clinton, three years ago May 2nd, 1940.
God knows that he was suffering that the hills were hard to climb so he closed his weary eyelids and whispered peace be thine.
Away in the beautiful hills of God by the valley of rest so fair
Some time some day we know not
We will meet our loved one there.
Lovingly Remembered by His Daughters and Son.

CONSERVATION

A WEEKLY COLUMN OF PRACTICAL OPINIONS OF THE WEAVER CONCERNING THE USES AND ABUSES OF NATURAL RESOURCES BY MR. LUDLOW JENKINS

A PELT MEANS A DEATH

(By Robert R. Logan Eddington, Penna. Chief Brother, U. S. A. Theological Order of Service) The Animal Welfare Department of the Theological Order of Service is making a special effort at present to interest people in the wearing of substitutes for furs. Fur coats, which are rapidly growing in numbers, involve less cruelty than the steel trap; but at best they mean death by violence of intelligent creatures in the interests of commercialism and vanity, and there are still many millions of animals tortured by hunters in the United States and Canada to say nothing of the rest of the world.

Fish and Game News

(By T. M. G.) The Fish and Game Protective Association will hold its monthly meeting on May 6th. Watch your local papers for time and place. There has been some discussion about holding a Trout Fishing Contest; among the members of the Fish and Game Association during the next couple of months, and as the Association would like to welcome any new members, I would like to suggest to all you fishermen who are interested in the matter, to catch to plan to attend the meeting. You will not only have the opportunity of discussing important matters pertaining to hunting and fishing, but also seeing an interesting motion picture.

Make Your dollars do FOUR jobs

Your dollars invested now in Canada's War Bonds, start working for you on a four fold job. First: Immediately you purchase a bond & begin to pile up interest at an exceptionally favourable rate. Second: The dollars so invested by you, and your neighbors across Canada provide the funds to build planes, ships, guns, tanks, and all the necessary supplies for our own and allied fighting services. Third: With this equipment, and with the men to use it "Victory" can be assured. Fourth: At the end of the war with the dollars which you have invested plus the interest which they have earned the purchase of those comforts which you have postponed, can be made with ease and economy.

While the need for war-like equipment is necessary the "Enamel & Heating Products Company" are devoting their energies to that purpose, but plans for the change-over to "Peace" production are well in hand, and when "Victory" is finally accomplished, up-to-date designs of "Fawcett" and "Beaver" Brand products will again be available for your needs.

What's Hitler laughing about? Goebbels just told him Canadians were slowing down in their bond purchases. You can prove Goebbels a liar and wipe the smile off Hitler's face by getting out and buying more bonds—NOW!
