If you knew a barber who

cleaner, smoother shaves
than you ever had with an
old fashioned razor—
wouldn't you sign a life
contract with him?
This is exactly the

The Gillette Safety Razor consists
of a Triple Silver Plated Holder (will

Offices in New Prowse Block—Charlottetown

Senator Robertson, Montague, returned
yesterday from Ottawa.

The Easter market this year promises
to be a good one and will be held on
Saturday.

The outward cargo by the Stanley to-
day includes two car loads of oats, 4
cars way freight and one horse.

The students of the C. B. C. upwards
of two hundred in number are being
photographed at the studio of Geo. H.
Cooke.

Jas. Paton & Co's store will be
closed this afternoon after 4 o'clock
to make preparations for their mil-
linery opening.

The temperature at nine o'clock last
night registered 24 degrees above zero.
At 9 a. m. yesterday it was 28 above
and the highest during the day was 31
above zero.

Particulars have been received as to
the death of Garfield McDonald, in
Vancouver, who belongs to this City.
A despatch dated the 11th says: Near
Agassiz, yesterday, Garfield McDonald,
aged twenty-four, a fireman on the C.
P. R., fell from the cab while the train
was crossing the bridge spanning the
ravine. He was picked up dead in the
ravin below.

A meeting of the P. E. I. Stock
Breeders' Association held in the
Labor hall, Charlottetown at 2 p. m.
yesterday brought out a great deal of
enthusiasm in the movement. Presi-
dent Brown occupied the chair.
Among those present was Dr. T. J.
Jenkins who was made honorary mem-
ber. The Doctor is one of the veter-
an stock breeders of P. E. Island
and spoke very warmly endorsing the
movement as one in the right direc-
tion, as did also, John Tweedy of
Earncliffe. A grand convention of
stock breeders P. E. I. will be held
at Charlottetown at a later date to
completely organize the breeders of
the whole province. The member-
ship fee was fixed at 50c per annum
for the present. Meeting then ad-
journed to meet at the Revere Hotel
at 1.30 p. m. May 5th. Communi-
cations addressed to C. J. Ferguson,
Sec., Marshfield, will receive all in-
formation about the association.

Karland the handcuff expert created
a sensation in St. John with the
Klarck-Urban Co., which opens an en-
gagement at the Opera House April
21st. The following is from the St.
John Telegraph of Jan. 10th. The
Reverend Doctor to comply with the
urgent request, a matter the Alliance
regretted very much, as no doubt even
one of his vigorous and inspiring
charges would make victory to the
friends of the Act doubly sure. Rev.
J. W. McConnell, Methodist Minis-
ter, Fredericton, formerly of this
city, was one of those who signed
the appeal.

SIGNS OF SPRING.

When your toes begin to pinch,
When your toes begin to burn,
When your underclothing sticks,
And you yearn and yearn and yearn
For the right to travel far
From the job to which you cling,
There can be no further doubt—
You may know that it is spring.

When at night you find the house
littered up with strips and shreds;
When you find the fashion books
And the patterns on the bed;
When your wife complains that life
is a dreary, dismal thing,
Just because her waist won't fit,
You may know that it is spring.

When the eah horse trotting by
Splashes mud across your nose,
When your hat rolls through the
street,
While the west wind wildly blows;
When your neighbor's toothless boy
Breaks your windows with his sling
And the cellar's flooded, you
May be sure that it is spring.
—Sam. Kaiser, in Chicago Record-
Herald.

Geo. S. Inman, Montague, was in

yesterday.

At Zion Church prayer-meeting
this evening there will be read an

The Mock Parliament of St. Dun-
stan's College held its general election
last night. Speeches were delivered on
the Government side by Bowlen, Daly
and Steele and on the Opposition side
by Kennedy, Gillis and Hughes, the
voting resulted: Bowlen 81, Kennedy
46. The College closes today for Easter
holidays and the Island Students re-
turn to their homes.

There is a big fight on to repeal
the Scott Act in Fredericton, N. B.,
the friends of the liquor traffic com-
ing out more boldly than ever in
their attempt to give temperance
legislation a serious set-back. A
strong organization has, however,
been formed by the Temperance Party
and it is hardly likely that the ad-
vance work of 30 years will now be
counteracted for evil. All the minis-
ters of the Capital and Rev. Fr.
Carney, the Parish priest, have sent
a strong appeal to Rev. Father
Baker, President of the Provincial
Alliance here, to go over and deliver
three addresses (all expenses paid) in
favor of the retention of the Act.
Owing to recent sad events in his
family it is quite impossible for the
Reverend Doctor to comply with this
urgent request, a matter the Alliance
regretted very much, as no doubt even
one of his vigorous and inspiring
charges would make victory to the
friends of the Act doubly sure. Rev.
J. W. McConnell, Methodist Minis-
ter, Fredericton, formerly of this
city, was one of those who signed
the appeal.

however, be made at an Agency on
certain conditions by the father,

(2) A homesteader may, if he so
desires perform the required resi-
dence duties by living on farming land
owned solely by him, not less than
eighty (80) acres in extent, in the
vicinity of his homestead. Joint
ownership in land will not meet this
requirement.

(3) If the father (or mother, if the
father is deceased) of homesteader has
permanent residence on farming land
owned solely by him, not less than
eighty (80) acres in extent in the
vicinity of the homestead, or upon a
homestead entered by him in the
vicinity such homesteader may per-
form his own residence duties by liv-
ing with the (father, or mother.)
(4) The term "residence" in the two
preceding paragraphs is defined as
meaning not more than nine miles in
a direct line, exclusive of the width
of road allowances crossed in the
measurement.

(5) A homesteader intending to
perform his residence duties in ac-
cordance with the above while living
with parents or on farming land owned
by himself must notify the Agent
for the district of such intention.
Six months' notice in writing should
be given to the Commissioner of Do-
minion Lands at Ottawa, of inten-
tion to apply for patent.
