**The Right Man In The Right Place**  
 (Moncton Times, April 6)  
 A feature of the present session of the New Brunswick Legislature has been the praise bestowed upon the present Minister of Agriculture for the splendid service he is giving in his administration of the basic industry of the province—agriculture. The ecologists passed to the worthy Minister have yet come by any means from the supporters of the Government. The greatest tributes to his capabilities and his service to the agriculturists in this province have come from those who are opposed to the Government of which the Minister of Agriculture is a member. Without a single exception every member of His Majesty's loyal Opposition in the Legislature during two debates—the address in reply to the Speech from the Throne and the Budget—have felicitated the Minister of Agriculture and congratulated him on the good work he is doing in his department. One of the Opposition speakers (Mr. Frank G. Richard, Kent) went so far as to declare that the present Minister of Agriculture was the right man in the right place. The only criticism so far heard in connection

**PIMPLES ON FACE ITCHED BADLY**  
 Skin Became Scaly, Arms Later Affected, Cuticura Heals.  
 "I suffered from pimples that broke out all over my face. They were large and red, and itched so badly that I scratched them until they would bleed. My skin became scaly and itched so much that I finally started to peel off, especially around my mouth. Later my arms became affected with pimples. "I began using Cuticura Soap and Ointment and they helped me. I continued the treatment and in about two weeks I was healed." (Signed) E. M. Bradley, 185 Queen St., Charlottetown, P. E. I., Aug. 11, 1926.  
 Use Cuticura Soap, Ointment and Talcum to promote and maintain skin purity, skin comfort and skin health; the Soap to cleanse and purify, the Ointment to soothe and refresh, and Talcum to powder and protect.

with the Agricultural Department D. MacInnis of Roseberry, are is that the estimate this year placed to have him among them should have been larger and this is offered in face of the fact that the estimates for agriculture have been materially increased over any previous year in the history of the province.  
 Let it be added that the Hon. Lewis Smith, Minister of Agriculture, is a worthy representative of the people and is a great credit to the county he has represented for the past ten years, and anything that has been said in commendation of his administration of the department over which he has the honor to preside, is well deserved.  
 Mr. Smith is a brother of Mrs. P. W. Turner of this city.

**Sensational Scene In English Courtroom**  
 (Special to The Guardian)  
**SOUTHERN, Eng.**, April 8.—A sensational scene was staged in police court here today after Edward Wilson, a former Canadian soldier, had been fined 40 shillings for a theft from William Salmon, a timber merchant, with whom he resided.  
 As sentence was passed there was a loud cry of "I've got you," Salmon leaped across the courtroom and Wilson fell in the dock with a stiletto in his back. Amid the shrieks of women spectators, Wilson, in a dazing condition, was removed.  
 Salmon was charged with attempted murder and advised to make no statement before arraignment. The motive for the attack was not brought out.

**Presentation At Hazel Grove**  
 On the evening of April 4th, a large gathering of friends, representative of the entire community, assembled at the home of Mr. and Mrs. Pope Bagnall, Hazel Grove, to do honor to very highly respected citizens, Mr. and Mrs. Andrew Bagnall and children, Hazel Grove, who leave shortly to make their home in Charlottetown.  
 Altho' unenviable conditions prevented many others from being present, yet all were united in expressions of regret that so worthy a family should decide to remove elsewhere.  
 The following address was read by Dr. George Green and a presentation, on behalf of their numerous friends of a well-filled purse was made by Mr. Russel Nicholson. Mr. Bagnall very fittingly replied. During the evening which was very pleasantly spent, dainty refreshments were served by the ladies. To Mr. and Mrs. Andrew Bagnall, Dear friends,—We, your friends and associates of this vicinity, on hearing of your intended departure from your old home in Hazel Grove, cannot let this opportunity pass without expressing regret for your leaving and our appreciation of your sterling worth as citizens and true friends.  
 You both come of honored and respected families and in all your life have perfectly upheld the unsullied character and ideals of a devoted Christian, parentage and now that you are leaving the companionship of your old schoolmates and friends of youth, we wish you to know and feel that we all appreciate this concerning you.  
 In the Church where you always labored faithfully and cheerfully as well as in the school and community at large, we assure you, you shall both be missed more than we can tell you.  
 We are glad, however, that your new home will not be far distant and we shall often have the pleasure of seeing you. Please remember that you have a large place in our hearts and no one will be more welcome in the old home community than you.  
 Please accept the accompanying gift, merely as a token of esteem and the most cordial relationships existing here and our sincere wish is that it may serve as a reminder of the many friends who have in this vicinity.  
 Yours on behalf of the friends in Hazel Grove and Hunter River.—"L."
