An Open Letter From James Paton & Co.

Our Great Discount Sale of last year, was patronized away beyond our expectations. Why?

1. Because we had the confidence of the people.
2. Because we gave generous Discounts, and allowed no tampering with prices.
3. Because we carry a complete line in all Departments.
4. Because we advertised.

We will follow on exactly the same lines this year, with one single exception; Some of our Discounts will be still greater as you can see by reading our list of prices.

Our reason for this Year's Great Sale, is that we put Thousands of Dollars into our new Building and Furniture Department, and we require Thousands of dollars before the first of February.

Last year we appealed to the public for a given amount, and we are glad to state that the people had confidence in our offer, and complied with our request.

This year we place ourselves in the same position, and have confidence in the result.

Yours truly,
JAMES PATON & CO.
