

Scott Spencer Captures Feature Event In Closing Goodwill Card

Scott Spencer, Sydney-owned horse, driven by G. Lewis, paced miles in 2:10 and 2:08 2-5 Saturday afternoon at the Exhibition race track to capture the Free-For-All, feature event of the Goodwill racing program. A down-pour of rain drenched the track and forced cancellation of a third heat.

In his straight heat victory, the starry Hirsch-owned horse had to be at his best in off-setting the challenge of the Willard Kelly-driven mare, Vella La Vella.

In the first heat they finished neck and neck with Spencer getting the nod from the judges in the photo finish. In the second heat the Spencer horse, after taking an early lead, proved to be a bit too good. Vella tried him from the top of the seven-eighth pole home, but there was no catching the smooth-voiced pacer.

Both heats were closely contested affairs and had spectators up on their seats at the finish. The Spencer horse showed plainly that the victories he has chalked-up over Maritime racing ovals this season were no mere flukes. Vella La Vella, a just as fast a finisher, couldn't make the grade Saturday but in her losing effort she made the Spencer horse go in 2:08 2-5 for the second mile.

Julia Budlong, driven by L. Craig, an odds favorite, started things off Saturday when she won the opening dash of the 2:28 Pace. Pucky Budlong made a break at the seven-eighth pole and Julia flashed to the front to win by a length. Direct Volo 2nd, driven by Teddy Weir, went to the front on the back stretch in the second dash and was never headed. Dot Budlong tried him on the stretch drive, but there was no catching the Power-owned horse.

Babe Britton lived up to expectations in capturing the first dash of the 2:21-2:24 Trot and Pace. After getting the word, Babe went right to the front to make every post a winning one. Mary Merk, making her bid in the last quarter, just didn't have the speed to catch the MacKinnon driven mare. It was a different story in the second heat. Babe went away on top, but a disastrous break at the half-way mark ruined her chances. Mary Merk took over from that point on and there was no heading the Earl Semple driven horse. She won by a length over the challenging Oia Budlong, almost equalling the best time of the day.

Dr. L.B., driven by L. Walker, paced in upset win in the first mile of the 2:17-2:20 pace final event on the afternoon card. So closely packed were they in the stretch drive that it took a photo finish shot to separate the first four horses. It was the same story in the second mile when they hit the top of the stretch packed as closely as sardines. In the race to the wire, however, Dale B., driven by C. O'Brien, had his nose to the post. Dr. L.B. was set back to seventh position for interference on the upper turn. Rosalie H., coming

very fast in the stretch, finished in second place.

In winning the second heat of the 2:11-2:24 Trot and Pace, Mary Merk took a new win record of 2:08 2-5.

It was racing of the highest order all afternoon and the down-pour of rain forcing cancellation of the final heat of the Free-For-All failed to dampen the ardour of the fans.

Tignish Wins From Georgetown

The Tignish baseball team won both ends of a doubleheader over the Georgetown squad in the final playoff encounters in quest of the Island Intermediate "B" championship at Tignish Sunday. They took the first game 10-6, and scored a 9-2 victory in the second.

A Tignish team would normally be the Island champions, but have been challenged by an independent Intermediate team from Georgetown. The Island crown, and definite word must be awaited by officials before the champions are declared.

The Georgetown team took the opening game of the series at Georgetown last Sunday, in the best of three series.

In the first game yesterday, behind the pitching of R. Eldershaw, the Tignish team scored three runs in the second innings, one in the

Night Colt Stakes Draws Good Crowd

Finishing second in the first heat of the two-year-old trot, Real Sett, owned by A. and L. Stable and Brood Farm, Montague, and driven by A. Lowrey, captured the Two-Year-Old Futurity Stake in the Prince Edward Island Harness Racing Club Stakes at the Exhibition Race Track Saturday night. There was a good crowd and the entries revealed a wealth of future racing talent.

Real Sett was headed the first heat by Tyndall Semple, but came back to take the next two heats of the race.

Peter Clegg, owned by George Bookings of Kensington and driven by C. Schuman, had too much class in the Two-Year-Old Pace and won in straight heats. Billy Budlong, driven by W. MacDonald, was runner-up in the first heat while in the second heat, Lindy H., driven by S. Walker, provided the competition.

Kay Cash, driven by the Three-Year-Old Trot after losing out to Little Simcoe, driven by H. & S. Stables in the first heat. Milldale, driven by W. Kelly, finished second in the middle heat with Range Hawk, reined by R. Phillips, moving up to contending position in the final heat.

Allan Mac, smooth going pacer owned by Lorne MacFarlane and driven by C. Schuman, proved to be too much for the field of eight in ringing-up straight heat victories in the Three-Year-Old Pace. In the final event on the card the Four-Year-Old Futurity, Ros-

K. of C. Juniors Win Island Ball Title In Close Battle With S' side Team

The Charlottetown Knights of Columbus Junior squad, under the capable handling of coach Charley Ryan and manager Louis Butler, captured the Provincial Junior baseball crown yesterday afternoon at Memorial Field when they downed the Sheen and McInnis junior club of Summerside by a score of 7-2 in a game that went seven and a half innings of the best of three series.

The local squad made a strong comeback yesterday to take the series, after the Summerside team had taken their measure on Saturday to a 5-3 second in the series and force it into a third game.

With both teams coming into a third game with smart ball, the game was a nip and tuck affair for two and a half innings when the Knights broke loose with their big rally of the game in the last half of the third to pound home four runs on as many hits. The rally came when Murphy made first on an infield hit to short and moving to second when Hughes got to first on a nice bunt down the third baseline. Ready came through with another infield hit to short to lead the bases.

It was then that Glen Matheson came up with a beautiful triple to left field to bring in three runs. MacNeill went to first on DeLong's error at third on a ground ball, but got caught trying to steal second with Matheson scoring on the play. The second out came when Hennessey was thrown out at first on a ground ball to second and the side was retired when Al Stewart struck Flynn down swinging.

Holding their opponents still scoreless in the top of the fourth, the Knights came back in the same frame to run their lead to five runs when Hennessey after getting on with a single to right field, made his way to third after three Summerside errors, the final one being a wild throw to second by Stewart with Howatt scoring on the play. But the Summerside squad came back in the first of the fifth to score their first run of the game when Delaney was safe on first on an infield hit to the mound and was brought in on Hume's double to right field. The Westerners got the second and final counter in the top of the seventh when DeLong scored from third on Hughes' infield error on an infield hit to short.

The Knights rang up their final two counters in the last half of the same innings on Flynn's single to center field which brought in McNeill and Hennessey, the former getting on base on a single to short, and the latter getting a walk from Stewart.

Both hurlers, Phil Murphy for the Knights and Al Stewart of Sheen and McInnis, went the full route, with Murphy the winning pitcher allowing five hits, striking out nine, and walking two, while Stewart, the losing hurler, allowed 10 hits, struck out six and walked five.

Saturday's Game

Coming from behind their initial 10-5 set-back in the series opened at the Western Capital on Wednesday, the Summerside squad, behind the smart pitching of Allan Stewart, took a 5-3 decision over the Knights of Columbus squad Saturday to make a third and final game necessary.

With neither team scoring in the first innings, the Knights opened the scoring with one run in the last half of the second when Barron grounded out to first. MacKay got on with a hit over third. Scoring again in the seventh to tie up the score at 2-2, the Summerside squad made their big bid in the first of the ninth to bang home three runs, and set up the ball game, with the Knights getting their final counter in the last of the ninth.

Stewart was the winning pitcher, going the full route for Summerside, allowing five hits, striking out six, and walking five, while Ready, the losing pitcher, allowed seven hits, struck out 10 and walked five.
