**Address And Presentation**

The home of Mr. and Mrs. William Staver, Kelvin Grove, was filled to capacity on Tuesday evening, June 29th by friends and school children of the district to bid farewell to their teacher, Mr. George A. Cairns. Mr. Alfred Staver read an address after which a number of gifts, including a leather dressing case, handkerchiefs, and cuff links were presented by Elmer Cotton, Kenneth MacKay and Ella Jean Staver. Mr. Cairns expressed regret at severing connection with the community and his many friends, and said he enjoyed his term in Kelvin more than in any other district and warmly thanked the pupils for the gifts. He congratulated them on their splendid work accomplished during the year and thanked the parents for their kind co-operation. Messrs. John Cotton, Harold Laird, and Percy MacMurdo and others voiced expressions of good will and sincere regret at his departure. All joined in wishing Mr. Cairns the best of luck and success in his future work.

After singing "For He's a Jolly Good Fellow" the remainder of the evening was spent in music and singing. The ladies served ice cream and cake to which all did ample justice. The pleasant evening was brought to a close, at a late hour by the singing of "Good Night Ladies" and the National Anthem. Following is the address: Dear Teacher: Again we come to the close of another school term and before parting we wish to convey to you a "Thank You" in appreciation of the interest you have taken in us, the pupils of our school. It seems a short time since you came among us as a stranger, but your cheerful manner and willingness to help us made us all anxious to call you our friend. We have appreciated your kindness and patience with us amid many difficulties and seeming lack of interest on our part. We ask you to forgive our shortcomings and we are all sorry you have decided to sever your connections with our school. We wish you success in the work you are planning to take up. We ask you to accept these gifts in memory of your pupils of Kelvin School.—B.
