Write to-day for your free outfit, and we will address: **REGAL MANUFACTURING CO., DEPT. H. 34 TORONTO, ONT.**

To Prevent Chapped Skin

—use warm water and Baby's Own Soap.

The warm water opens the pores of the skin and the minute particles of pure refined vegetable oils which form the creamy, fragrant lather of Baby's Own Soap are absorbed into the skin, keeping it soft, healthy, and preventing cracks and chaps.

A perfect rinsing, then smart rubbing when drying guarantees a fine smooth skin in any weather.

BABY'S OWN SOAP

Best for Baby
Best for You

Canada's Standard toilet and nursery soap for over 30 years.

THURSDAY

ACCEPTS CALL.—Rev. I. W. Williamson, who has accepted a call to the Victoria street Baptist church, was there Sunday at both services and will be with the congregation during the week and next Sunday also, says the St. John Telegraph. Mr. Williamson is very well known in this city.

FOX COMPANY PAYS DIVIDEND.—The Farmer's Silver Black Fox Co. one of the smaller companies organized in 1914 and composed almost entirely of residents of Mt. Herbert and vicinity, is one of the paying companies this year, a 5 per cent. cash dividend having been declared.

WEDDING BELLS.—An interesting event took place on Thursday last when Miss Edith McKay, daughter of Mr. and Mrs. Archibald McKay, of Charlottetown, became the bride of Mr. Elmer Harold Foster, also of Charlottetown. The ceremony was performed by the Rev. J. Dougald McKenzie.

NEWS FROM THE 8th SIEGE BATTERY.—From a private letter received in the city from a member of the 8th Canadian Siege Battery (formerly the Happy Fifth) it is learned that five members of that unit have been decorated for gallant service, the fortunate ones being Corp. A. L. Steeves, Bdr. Julian Keoughan, Bdr. Harold J. Leslie, Bdr. Arthur Williams and Gr. Spurgeon B. McLean, all winning the military medal. Corporal Stewart, who has been promoted to Signalling Sergeant and Bdr. A. J. Mallet has been advanced in rank to Signalling Corporal.

THE GASPESIAN.—The S. S. Gaspesian, at present lying in Souris, is making application to the Department of Marine to have the tow her to Sydney. Capt. Filmer, master of the above named ship, is having trouble with his crew. The chief engineer contends that the ship is not sea-worthy and now both he and the crew refuse to continue the voyage. The Gaspesian is an iron ship of 319 tons, 17 men, lumber laden from Quebec and bound for New York. Captain Filmer has called for a survey on his vessel, the same being conducted by Port Warden Capt. Dom Nick McDonald, of Souris, who inspects the hull, and Mr. McNair is expected from Charlottetown to examine the boilers, especially the condenser. Senator McLean is using his influence to get the Stanley to tow the Gaspesian to Sydney.

On Thursday, the 17th inst., as already noted in the Guardian, Alexander D. McPhee, of Earncliffe, passed away from earth to his sweet eternal rest in the Great Beyond. The deceased was the son of the late Archibald McPhee, who was born in Earncliffe in January, 1847, and was therefore just seventy-one years old when he died. He was an honest, industrious and successful farmer, a man who performed all of life's duties faithfully and well; and who was therefore an exemplary citizen in the very best sense of the word. He survived his wife, his faithful and devoted wife (nee Miss Alexina M. Martin, of Valleyfield), and three children: Sergeant Harold L. McPhee, of the 165th, now in England, Clarence D. and Jessie M., at home; and to those, sorrowing for the loss of a loved one, the sympathy of many is extended in their great bereavement. The funeral, on Friday afternoon, to the Presbyterian church at Orwell, was a very large one. The service was conducted by the pastor, Rev. Mr. McEwen, whose address on this occasion was one of the best funeral sermons ever delivered in this section of the province. Q

ISLAND SOLDIER HONOURED.—In the last issue of "Canadian Engineers" published in Toronto, the following paragraph appears: "Maxfield L. Boswell of Victoria, P. E. Island, has been elected a junior. Mr. Boswell is a graduate of McGill University, class 1914. For about eighteen months he was assigned to the regular engineer of the Halifax Ocean Terminals and for the past year he has been stationed at St. Johns, P. Q., as Lieutenant in the Canadian Engineers, C.E.F." Lieut. Boswell departed overseas in October, 1917, was transferred to the Royal Engineers of England and sent immediately to Italy. He is now stationed 12 miles outside of Genoa. His parents, Mr. and Mrs. E. Boswell, Victoria, hear regularly from him. Their second son, Gunner Keith Boswell, is with No. 2 Canadian Siege Battery, under Major W. B. Prowse, D.S.O. and has been in France for over two and a half years. He was once wounded but was only laid off for two weeks. He has been in some of the heaviest actions of the war and so far with the above exception, has escaped without a scratch. Previous to being transferred to Major Prowse's Battery he was attached to the Field Artillery as a despatch rider.

The people of New Perth were startled to hear on Friday, Jan. 4 of the death of Montague Livingstone. He was the youngest son of Alex. Livingstone, but had lived since the death of his mother at the home of Terence Power. Early October he began to complain of a tired feeling and a cold. These were the first symptoms of the dread disease tuberculosis. In spite of his strong constitution and all that medical aid and tender and loving care of Mrs. Power and family could do for his gradually wasted away. He was attended in the last stages of his illness by his pastor, Rev. P. D. Croken. Monty, as he was known by everybody, was of a bright and happy disposition and his early death at the age of seventeen comes as a severe blow to his foster parents and the large circle of friends he made for himself in New Perth and adjoining settlements. He leaves to mourn his untimely death his father, two brothers, Stephen at the front and Givern at St. Peter's Bay and two sisters, Marion who arrived home from Boston a week before he died, and Mrs. Joseph Ryan of Avondale. The funeral which was held on the Sunday following his death was largely attended by friends and neighbours despite the well nigh impassable state of the roads. He was buried at Cardigan beside his mother who died when he was one year old.

PURE BLOOD MAKES HEALTHY PEOPLE

Hood's Sarsaparilla surely and effectively removes scrofula, boils and other blood diseases because it drives out of the blood all the humors that cause these diseases. They cannot be successfully treated in any other way. External applications for their removal have proven almost useless, because they cannot drive out the impurities that are in the blood.

Hood's Sarsaparilla makes pure rich blood, perfects the digestion, and builds up the whole system. The skin becomes smooth, clean, and healthy. This great blood remedy has stood the test of forty years. Insist on having Hood's for nothing else acts like it. There is no real substitute. Get it today. Sold by all druggists.

CITY TEAM DEFEATS SUMMERSIDE.—In a hotly contested match witnessed by a large number of hockey fans, the city team of 11 picked Summerside team in the Arena Rink last night by a score of 9-1.

CAVENDISH AND FAIRVIEW.—Next Sunday, Jan. 27, Rev. W. E. Piper will preach twice at Cavendish, at 11 a. m. and 7 p. m.; a special prayer meeting will be held there at Cavendish Baptist Church at 7:15 each evening, also on Tuesday, Jan. 29. Meetings will also be held at Fairview Wednesday to Friday, Jan. 30th to Feb. 1st, 7:30 p. m. All are welcome.

RECOVERING FROM INJURIES.—The many friends of Mr. and Mrs. Charles Simmons victims of the Halifax Explosion will be pleased to know that they are rapidly recovering. Both were seriously injured in addition to losing their new home on Rennie Street and all personal property, their house being burned to the ground. When both have sufficiently recovered Mr. and Mrs. Simmons contemplate making their future home in Charlottetown.

The names of several more P. E. Islanders appear in the latest published Honor List, as having won the Military Cross for bravery in action. One of these is Lieut. Keith McGowan, formerly of P. E. Island, son of Mr. D. McGowan of New Westminster, B. C. He is a grandson of Mrs. John McGowan and a nephew of Mrs. Percy Pope of Charlottetown. He enlisted in a British Columbia Regiment about a year ago.

FRIDAY

LABORERS LEAVE.—Some twenty laborers left the city yesterday morning for Sydney where they will engage in construction work.

P. E. I. APPOINTMENT.—Mr. E. T. Wood, Relieving Agent of P. E. I. Ry. has been appointed to the position of clerk and operator at Summerside.

A SOUVENIR.—On exhibition in The Tights Corner tea rooms, was a German aviator's cap found "in the field" by Lieut. A. E. B. Murphy. "Alf's" many friends here will be glad to learn that he is recovering from his wounds.

GUNNER GAUDET GETTING BETTER.—The many friends of Gunner Gaudet, who left with the 8th Siege Battery will be pleased to learn that he has completely recovered from the effects of shell shock and gas poisoning and has joined Major Peck's new battery, recently formed in England.

THE ROTARY CLUB.—The regular weekly meeting of the Rotary Club was held yesterday at 1 o'clock in the Kozey Koper tea rooms, with Rotarian W. A. Stewart in the chair. Two new members, Rotarian J. G. Jamieson and Rotarian G. F. Hutchison took their seats for the first time and were warmly welcomed. A resolution endorsing a general resolution passed by Rotary Clubs all over Canada, showing that the Dominion Government should stand fully responsible for the restitution of strikers' Halifax was passed, was also another resolution, endorsing the resolution passed by the Ontario Rotary Club, to the effect that the Dominion Government should exert greater endeavors towards preventing and suppressing venereal disorders. These were thoroughly discussed and passed unanimously. Rotarian B. B. Reid, D. M. D. gave a most interesting talk on Dentistry.

Lemons Beautify!
Make Quarter Pint of Lotion, Clean

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty. But lemon juice alone is acid, therefore irritating, and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quart of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.

ISLANDER IN CASUALTY LIST.—The latest casualty list issued from Ottawa contains under the heading "Died," the name of D. Bears, of Carleton Place, P. E. I., artilleryman.

FIREMAN MURPHY IMPROVING.—Fireman Alfred Murphy, injured in the train wreck near Coleman, last Tuesday, is improving and was resting easily with a normal temperature at last report last night. The injured man who was struck by the rod of the baggage car when it was derailed, suffered a severe scalp wound and a badly cut shoulder.

In a letter received in the City yesterday from France, it is stated that Lieut. H. L. Bethune of this City has been mentioned in Gen. Sir Douglas Haig's despatches "for valuable services rendered the Empire."

Lieut. Ham Bethune was one of the first Islanders to volunteer for overseas service and probably no Canadian soldier is more deserving of the honour he has just received. All letters from the boys at the front speak of him as the idol of his men. His many friends will be glad to learn of the distinction accorded him.

CALVIN AUSTIN ON CRUISE.—The Boston Globe of the 19th says: "Shortly before noon yesterday the steamer Calvin Austin left the upper harbor for her cruise as a training ship for the United States Shipping Commission's recruiting service. The Austin carried about 200 apprentices, who have 'signed up' for the duration of the war with the Merchant Marine. The cruise will give them their first acquaintance with seafaring life. It is expected that the ship will seek some favorable spot in Massachusetts Bay, where the men will have their initial drill in lowering lifeboats. There will also be fire drill."

RUSTICO.—Mrs. Henry V. Pineau, of Duvar Road, P.E.I., who has been spending a few weeks with her sister, Mrs. Joseph Doucette, of Rustico, has returned to her home. Mr. Isidore Martin, Rustico, has returned to college at Church Point, N. S., after spending the Christmas holidays with his parents. Their many friends will be pleased to hear that Messrs. Wilfred and Curtis Doucette of Rustico, are out again after their illness. The members of the Red Cross Society are going from house to house practising for a social which will take place on Wednesday, January 30th, in aid of the Society.

TEACHER'S INSTITUTE.—The initial meeting to organize a Teachers' Institute in Western Queen's was held at Kelly's Cross School on Sat. Jan. 19, with eleven teachers present. Mr. James P. Trainor was appointed chairman and Miss Ethel Duffy, Sec. of the meeting. After Inspector Doyle had outlined the aim of the Teachers' Institute the following officers were elected:—President, Miss Bertie Buxton, Vice-President, Mr. Charlie Trainor, Secretary, Miss Ethel Duffy. The following committees were appointed:—Executive Committee:—Miss Ethel Duffy, Mr. Norman MacKenzie, Miss Mary A. Hagan, Louis Costello, Miss Mianie Dufford. Committee on By-laws:—Miss Katie Clarkin, Miss Lizzie MacKinnon, Miss Mary Callaghan. The next meeting will be held at Kelly's Cross School, Sat. Jan. 26, or if weather proves unfavorable that day on Sat. Feb. 9.

WEDDING BELLS.—A very pleasing event took place on Wednesday evening January 23rd, at the home of Mr. and Mrs. John E. Hubley, Edin, when their daughter, Nellie Gladys, Principal of the Ugg High School, became the bride of W. M. Rowe, of the McDonald-Rowe, Woodworking Co., Ltd. of this city. The marriage ceremony was performed by Rev. J. W. McKeule in the presence of a few of the immediate friends and relatives of the bride and groom. After partaking of a wedding supper, the Reverend Gentleman spoke in eulogistic terms of the bride, and of the loss sustained by the church and especially the choir by her removal to the city. To the happy couple the Guardian extends hearty congratulations.

SERIOUS EXPERIENCE.—Mr. J. P. Gallant of Summerside, who is at present attending the Charlottetown Business College taking a course in navigation brought his son Edgar Gallant home from Halifax a few days ago. Mr. Edgar met with serious loss at the time of the disaster, his wife and infant daughter having been killed and his home completely destroyed with everything he owned. He and his wife and child were in the house at the time of the explosion not much more than a ship's length from the ill fated ship. The house was demolished. Mr. Gallant three hours after the collapse of the building was pulled out from the midst of the debris, seriously hurt and taken to Camp Hill Convalescent Home where he was tenderly cared for. The bodies of his wife and child were not recovered the building having been completely burned. Mr. Gallant is now recovering from his injuries under the best care that the Summerside doctors can give him and hopes soon to be as well as ever.

There passed away in Enmore, on January 13th, at the home of his sister, Robert Baker, a young man of only twenty-nine years of age. The deceased had been in failing health for some time past, but although very ill, hopes were held of his ultimate recovery. His untimely death came as a shock to many, but God Who seeth and knoweth best, took him to the Great Beyond, where sorrow and suffering is no more, but where all is joy. The deceased was born and brought up in Traveller's Rest, through miles from Summerside. He leaves to mourn six sisters and one brother, viz: Mrs. James McDonald, Northam, P.E.I.; Mrs. Wm. Shannon, Amherst, N.S.; Mr. Frank Baker, Amherst, N.S.; Mrs. Murdoch Cameron, Idaho, Kellog; Mrs. Michael Power, Maldon, Mass.; and Mrs. Artemas McArthur, Enmore. The remains were laid to rest in the Methodist cemetery at Victoria West. The funeral service was conducted by the Rev. H. S. Young. The comparatively large number of friends in attendance at the ceremony, testified to the sympathy felt for the relatives in their loss.

—ENJOYABLE WHIST.—At a whist party held at Abram's Village on Thursday night, eight tables were kept busy and the following is in order the list of prize winners: 1st, Eusebe Bernard of Urbainville; 2nd, Eusebe Bernard of Urbainville; 3rd, Glarice Cormier, of Cassis Road; 4th, Evangelina Arsenault; 5th, Cornelius Pincau, teacher, Urbainville; 6th, Mrs. Joseph A. P. Arsenault. M

WEDDING BELLS.—A very pretty wedding took place at Mont Carmel church on Monday, January 14th, when Miss Julia A. Gallant was united in the holy bonds of matrimony to Mr. Felix Pineau, of New Glasgow, P.E.I., by the Rev. Father P. P. Arsenault. The bride was becomingly dressed in a suit of navy blue with a large black and fawn colored hat. She was attended by her friend, Miss Alice Peters, of Rustico, while Mr. Frank Pineau of New Glasgow, P. E. I., acted as groomsmen. After breakfast, which was served in Mrs. J. J. Gallant's best style, the wedding party embarked on the train for the groom's home, where a number of friends and relatives awaited their arrival. A very enjoyable evening was spent in dancing. The many presents which they received testify to the popularity of the married couple in New Glasgow and adjoining districts. The crowd dispersed to their homes at midnight, all agreeing that Mrs. Pineau taught school two years ago in New Glasgow, where she made many friends who were all very glad to welcome her back among them.—Patriot and Summerside Journal please copy.

Light, wholesome flaky pie-crust—

for the toothsome green apple or pumpkin filling is obtained by using the right proportions of other ingredients mixed with Diamond Flour. Let any woman who has had trouble with her pie-crust, just give Diamond Flour a trial, and it will be strange if she is not pleased with the improvement it will make. There is no secret about it. Diamond Flour is a well-proportioned blend of the choicest Ontario soft wheat and Manitoba hard wheat, and grandmother will tell you there is nothing better for making mouth-watering pastries, pies, and bread and biscuits, too.

DIAMOND FLOUR

HUNT BROS. LIMITED, LONDON, ONTARIO

THIS is Thomas A. Edison, who although seventy years of age, is now working eighteen hours a day for his country, without pay or thought of reward.

His work is being done secretly; but it is probably true that the United States is placing more reliance on Mr. Edison than on any other single man except the President.

Mr. Edison is conceded to be the greatest inventor the world has ever known.

The NEW EDISON

"The Phonograph with a Soul"

is Mr. Edison's favorite invention. It is the achievement in which he takes the greatest pride.

Do you believe that there is any other man in the world—or group of men—who could invent as good a phonograph as Mr. Edison's new phonograph?

This wonderful new instrument is built by experts under the direction of technical men in accordance with laboratory standards established by Mr. Edison personally.

COME TO OUR STORE. Let us prove that The New Edison gives a musical result which no other sound reproducing device is capable of producing.

ALBERT E. TOOMBS, Charlottetown, P.E.I.
