

A Decisive Victory FOR Paine's Celery Compound

Mrs. Thomas McMaster, Cumberland Street, Toronto, After Long Years of Suffering is Perfectly Cured.

She Says: "My Health and Happiness are Due to Paine's Celery Compound."

A Letter That will Cheer the Suffering and Despondent.

The Well & Richardson Co., Limited. Gentlemen,—Ten years ago I was attacked with neuralgia, and though treated by six doctors the disease grew worse and nearly drove me insane. I was one summer an outdoor patient at the hospital here, but only got temporary relief. I was sleepless for nights, my digestion was bad and I would feel a pain in my stomach every time I ate anything. Day after day I suffered the most intense agony, and I often wonder I didn't go crazy. I took useless medicines given to me by medical men, and getting worse, I became utterly despondent.

One day my delirious nurse, a lady who had suffered just as I told me that Paine's Celery Compound had cured her. I used the compound as a last resort, and it simply made a new woman of me. The pain vanished; my eyesight, which had been impaired, returned, and I felt myself growing well and strong and all my health and happiness are due to Paine's Celery Compound.

Yours gratefully,
MRS. THOS. McMASTER.
