CURTAINS

Owing to the shortage of many household furnishings—Curtains are getting longer use now than ever before. The longer they remain in use the weaker they become from the effects of wear and especially from the effects of the sun.

While we clean all curtains in special laundry nets and handle them with the greatest care possible; yet we receive a small percentage that are so weak and tender that they break, and in a few cases go to pieces.

For these reasons we, like all other laundries accept CURTAINS AT CUSTOMER'S RISK ONLY.

AVOID THE RUSH — LET US HAVE YOUR PRE-HOLIDAY CLEANING—NOW.
