Hungary, Rumania Appeal To Axis

By Daniel De Luce Associated Press Staff Writer

BUDAPEST, Hungary, Oct. 12 (AP)—Hungary and Rumania, involved in the fiercest quarrel of their post-war history after a month of the axis "new order" in the Balkans, appealed once more to Germany and Italy to intervene in disputed Transylvania.

Both countries claim that their minorities were being mistreated. As the pleas of the two powers were hurried to the axis capitals, where each was given preference, nearly 200 additional Hungarian refugees were reported to have poured across the border from Rumania, and 150 Rumanians were similarly expelled from this country.

The Hungarian army still is virtually at full strength and the public excitedly discusses the chances of winning South Transylvania, 100,000 students demonstrated tonight in the streets, shouting: "Perish Bucharest!"

No Reaction Visible In Soviet Capital

MOSCOW, Oct. 13 (AP)—Reports of the entry of German troops into Rumania have aroused no evident reaction in Moscow.

Positive accounts of American press reports on the German march into Rumania were published in Soviet newspapers Wednesday but since then the situation has been passed over in silence.

Red army manoeuvres were held last week in the Odessa military district and defence exercises were held at Sebastopol and Baku reports that Soviet troops were massing in Bucovina or a Russian destroyer had sunk a Rumanian warship were not heard here.

BUS OVERTURNED IN COLLISION

The largest motor bus, which operates a passenger route between Georgetown and Charlottetown, was overturned in a collision with a loaded truck at the corner of Kent and Weymouth Streets, near Prince of Wales College, yesterday at noon. There were no passengers in the bus at the time as it had previously stopped at the terminal. The truck was after taking on a load of lumber at the Railway Station and was going north on Grafton Street enroute to the Charlottetown Airport. The bus was going east on Kent Street and the accident occurred at the intersection. None of the occupants of either vehicle were injured. The left front fender of the truck was damaged and also the headlight and spring. Tea Company Plans Cash Donations To War Services

Substantial financial aid for home and war services in Canada is seen in the newly announced policy of T. H. Estabrooks Co. Limited, Charlottetown, N.S., whereby a cash donation of 2 cents per pound of Red Rose tea or coffee is made available to charitable organizations during the coming winter.

Every war service church and charitable association, it is stated, may take advantage of the offer, which is effective until March 1, 1941.

The method of distributing the funds indicates that purely local charities will be given equal opportunity with national organizations to participate in the plan. Essence of the offer is that individuals and organizations are invited to save labels from Red Rose tea packages and coupons from tins of Red Rose coffee.

"These labels or coupons," states an Estabrooks official, "must be sent to the Company through the organization, society, church or club in which the war service or charitable work is undertaken and to which we will donate cash on the basis of 2 cents for each pound of tea or coffee represented by the coupons. To those organizations engaged in furthering war effort, or providing comforts for the men in uniform, or maintaining the religious, benevolent and charitable work that must go on in peace or war, we shall be glad to extend this offer."

Officials are enthusiastic about the plan which becomes effective immediately and hope it will lead to substantial sums being made available to war and home services at a time when they are urgently needed.

In order to publicize the offer as quickly and widely as possible, T. H. Estabrooks Co. Limited, are taking large space in newspapers in key Canadian centres. The first advertisement sets forth features of the plan in detail with complete instructions as to how charitable organizations may secure the cash donations.

Cornwall United Church To Re-open; 38th Anniversary

The attractive United Church at Cornwall, P. E. I., which was dedicated on October 19th, 1902, has been closed for several weeks during which time it has been thoroughly renovated. The interior is painted and a lovely memorial window installed. On Sunday, October 20th, the thirty-eighth anniversary of this church will be duly observed by three special services.

At the summer season his barn was used as a place of worship. Some years later a lot was secured at Cornwall and a log building erected which served the people until 1855, when a larger frame building replaced the log structure.

On Friday, February 14th, 1902, the Trustees Board, having obtained the opinion of the congregation, met and decided that the church of 1855 which was in need of repairs, should be torn down and a new building erected. Those present at the meeting were: Rev. W. B. Thomas, minister and chairman, and Messrs. Robert Frizzell, James Howard, William Furneaux, John Mayhew, Samuel Howard, Robert Boyle, Samuel Drake, Pope Crosby, James Drake Jr., William Frizell and Golding Howard. Following this decision, Mrs. Samuel Hyde and Mr. John Mayhew were appointed to solicit subscriptions for the new church building. At subsequent meetings on March 7th, Messrs. Golding Howard, Samuel Drake, Samuel Frizzell, Robert Boyle and James Drake Jr. were appointed as the Building Committee.

The farewell service in the old church was conducted on the last Sunday in March, 1902, when the Rev. W. B. Thomas preached from the text: II Cor. 5:1.

The architect of the new building was Mr. C. B. Chappell, and the contractor was Mr. Neill MacDonald of West River. Several donations for the new church, were received from friends and members of the congregation and these added much to the attractiveness and service of the church. These donations included a bell from the Hon. Donald Farquharson; a pulpit from the Revs. Samuel, William J. and their parents; a Bible from Mr. George Carter of Messrs. George Carter and Company; a Hymn Book from Miss Hannah Crosby, and a silver communion set from Mr. and Mrs. Smallwood, nee Bertha Hyde of St. John's, Newfoundland.

The new church was opened and dedicated on Sunday, October 19th, 1902. The minister, Rev. W. B. Thomas presided, and the service of dedication was conducted by a former minister, Rev. S. H. Rice. The sermon was preached by the Rev. J. J. Teasdale, Fredericton, N. B., a former minister of the First Methodist Church in Charlottetown. His text was: Acts 3: 11-13. The choir of song was led by a large choir and a special offering was a solo by Miss Edna Howard, "The Holy City."

Two other services were held during the day, one at 3 p. m., when the Rev. F. P. Pulver, 1836-39, James' Presbyterian Church in Charlottetown, preached to a large congregation on "Increased opportunities," and at the evening service, Rev. J. L. Miner of the Prince St.

Nazis Step-up Raids After Quiet Saturday

LONDON, Oct. 14.—(Monday)—(CP)—German planes stepped up their attacks on London last night and early today, and continued on 21 London districts up to midnight, while British fighters patrolled the coast in an effort to fight off small Nazi formations.

The sound of bombs dropping came closer and closer of mid-London, and the crash of anti-aircraft guns became steadily fiercer.

Putting up a barrier at the very entrance of England, from the continent, British night fighter patrols were reported over the east Atlantic coast, where the raiders were trying to sneak across.

The Germans hammered at London's defence ring in waves of four or five planes spreading fanwise.

Root-top observers said the raid appeared to be twice to three times as heavy as the light raid Saturday night with German planes making determined bids every 10 or 15 minutes.

One litter of bombs damaged nine houses, trapping four people under debris. They were quickly extricated and taken to hospital.

In a southeastern town the mayor and his wife were trapped under debris. Rescue workers worked to free them.

The Press Association said planes raided Liverpool and a southwest English district for the second time. Four high explosive bombs dropped in a northeastern port caused some casualties.

The Germans also were reported over a South Wales town. Nazi bombs on London wrecked two houses on a square. Even while the raiders still were overhead and anti-aircraft guns were firing at them, rescue workers started searching the debris for people feared trapped.

Heavy anti-aircraft cannonading boomed across London shortly after dark last night, as the German raiders dived over in their third Sunday raid. Some of the Nazi airmen flew exceptionally low.

Our Wartime Policy: Cash for Your War Service Church or Charity

... "and be it further resolved that, until March 1, 1941, we give in cash to the charities of Canada, for war or home service, two cents for each pound of Red Rose Tea and Red Rose Coffee."

THE ABOVE IS FROM A RESOLUTION PASSED BY THE DIRECTORS OF THIS COMPANY, AND THE PURPOSE OF THIS ADVERTISEMENT IS TO EXPLAIN TO THE PEOPLE OF CANADA JUST HOW WE HOPE TO CARRY OUT THAT WARTIME POLICY.

That we may have an equitable basis for giving to all causes, we invite you as individuals and organizations to save the end showing the Rose from all Red Rose Tea packages and a similar coupon found in every vacuum can of Red Rose Coffee.

These "rose end" coupons must be sent to us through the organization, society, church or club in which you do your war service or charitable work and to whom we will donate cash on the basis of two cents for each pound of tea or coffee represented by the coupons.

You can readily understand why we must ask that all coupons be sent to us by an official of your organization. We shall issue our donation cheque to the organization, not the individual.

Those engaged in war activities will naturally have complied with all federal and provincial regulations. It does not matter whether your organization is national in scope or entirely local. If you are engaged in furthering war effort, providing comforts for the men in uniform, or maintaining the religious, benevolent and charitable work that must go on in peace or war, we shall be glad to aid you. Here is the simple procedure we ask you to follow:

- 1. Start saving the "rose end" coupons immediately and tell others to do so. 2. Have an official of your organization write us stating that your members and workers intend to accumulate the coupons, and telling us of the work you are doing.

Upon receipt of such a letter we shall send complete instructions and a certificate showing that the name of your organization has been entered in our newest ledger—a ledger that is marked "Donations in Co-operation with Our Fellow Canadians."

This Policy effective only until March 1, 1941
