MANY CLUBS STILL READY TO BACK PRESIDENT DOYLE

AMHERST, May 19.—While Col. Norman P. MacLeod is still continuing to rule the sport roost of the Maritime Provinces, a majority of the major sport organizations in the three Provinces are definitely aligned with Samuel F. Doyle, the deposed president of the defunct M. P. B. A. A. U. C.

With the exception of the Halifax Wanderers, Halifax Crescents, Dartmouth and Truro A. A. C.—the other leading clubs of Nova Scotia, according to a prominent sport leader, who has interested himself in the question, are prepared to support S. F. Doyle.

The clubs mentioned embrace New Glasgow, Westville, Stellarton, Trenton, Amherst, Springhill, Antigonish, Sydney A. A. C., Glace Bay, Yarmouth Y. M. C. A., and Kentville. While there are numerous other athletic organizations, the ones named give attention to hockey, baseball, track and field sports, basketball, football, etc.

Back Doyle

On Prince Edward Island, every athletic association is firmly behind their combative little leader. While the Island organizations, aside from the Abegweits do not possess great voting strength, they are willing to support Doyle. The clubs embrace the Abegweits, Victorias, League of the Cross, St. Dunstan's College, Charlotteotwn, Crystals A. A. C., Summerside, and Tignish, A. A. C., Tignish, P. E. I.

In New Brunswick the sentiment is split. The North Shore clubs, represented by E. W. Watling, at the Amherst meeting, expressed their favor toward Doyle at the time and since Mr. Watling, as junior vice president, unanimously appointed at Col. MacLeod's own meeting, has not been given definite recognition, there has been no decrease in the sentiment toward the ex-president of the M. P. B. Even in Moncton it is reported that there is a diversion of opinion,—the leading hockey club—the Moncton Atlantics, endorsing Doyle's stand, while the Moncton A. A. A. and the C. N. R. Recreational Club, are among his strongest opponents. Sussex has sided with Col. MacLeod, while St. John has given their support to the present representative of the A. A. U. C., although Mr. Doyle has openly contended that in the case of a split he can carry fifty per cent of the clubs in both St. John and Moncton.

It is generally presumed that this statement is somewhat optimistic—yet at the same time his reinstatements vitally affected athletic conditions in St. John and won support. The Sackville A. A. C. is prepared to Stand by Doyle, as a successful athletic leader, while a small organization at Port Elgin has resolved in the same connection.

Doyle Strong

The attitude of the South Shore and Valley Clubs of Nova Scotia appear to provide the crux of the situation, plus several smaller clubs that exist in the Maritimes and take part in only one form of athletics. While Col. MacLeod has assembled the voting strength of a proposed new branch in St. John, Moncton and Halifax, Doyle has established his prestige on Prince Edward Island, and in Cumberland Pictou and Cape Breton Counties.

Thus far Mr. Doyle has declared himself as a unionist, opposed to secession or a division of the Provinces but there are rumors afloat clubs who have pledged support to Doyle. This meeting will be presumably called in either Amherst or Truro, and at it the sport die will be definitely cast. In the colliery counties of Nova Scotia secession from the A. A. U. C. is being openly mooted—and it is almost certain that unless some change in the situation is effected within the next two weeks, there will be a split between the A. A. U. C. and a large percentage of the clubs in the East.

Tilson, Chabot Win Semi-Finals

MONTREAL, May 19.—Freddie Tilston, of Winnipeg, and George Chabot of Montreal, will meet in the finals of the Canadian lightweight tournament to decide who shall meet Leo (Kid) Roy, the champion.

Tilston earned the right by winning a decision from Sylvio Mircault, of Montreal, who was substituted for "Red" MacDonald of Halifax, who failed to put in an appearance at fight time.

George Chabot entered the final by defeating Syd Conn, of Toronto by the decision route.

Both bouts were 10-rounders.

"Red" MacDonald failed to make his appearance at the office of the athletic commission and nothing has been heard from him since.

Other results were:

Frenchy Belanger, Toronto, beat Harry Goldstein, Boston, decision, 10 rounds.

Gene Deschamps, Montreal, scored a technical knockout over Kurt Doeschnan, of Germany, in the first round of a scheduled six-round bout.

Art Giroux, Montreal, beat Young Burns, of Quebec, getting a decision after four rounds.

The weights were: Chabot, 133 1-4; Conn, 134; Tilston, 133 1-2; Belanger, 111 1-2; Goldstein, 111; Giroux, 113 1-4; Burns, 114; Deschamps, 151 1-2; Loeshnan, 150; Mireault, 132.

TOKYO, May 19.—Yoshiro Ota, winner of last year's all-Japan tennis championship, has been named third member of the Japanese Davis Cup team. Takeichi Harada and Teizo Toba, Japanese stars who made a brilliant record last year, have already been selected.

The fourth member will be selected shortly.

British Ladies Golfing Finals

NEWCASTLE, County Down, Ireland, May 19.—Mlle. Simone Thion de la Chaume, petite 19 year old French golfer, and Miss Dorothy Pearson, young Kentish player, will meet tomorrow in the final of the British women's open golf championship tournament.

The young French star, who defeated Miss Pearson in 1924 in the final of the British girl's championship, is the favorite for the 36 hole competition.

By her brilliant play today Miss Pearson prevented the posibility of an all-French final defeating Mlle Leblan, of France, who had reached the semi-finals, 4 up and 3 to play.
