"Thanks to you, Grandpa Kruschen..."

My Headaches Are Practically Gone

From a letter written by a Mrs. Dunn we quote: "I would like everyone who suffers from headaches to try Kruschen. Before taking Kruschen, I had headaches almost every day. But since I have been taking it faithfully I have hardly had a headache for which I am very thankful, as headaches can make one feel quite ill. For as long as I felt it was necessary, I have taken Kruschen each morning in a glass of warm water, before breakfast, and I feel so well."
