Cab Driver Left $50,000 In Will

EAST ORANGE, N. J., Dec. 8—(AP) — A wealthy cab customer left a $50,000 "tip" in his will to a taxicab driver who helped him escape the "boredom of talk about business, concerts and the opera."

The driver is John J. Brophy, 40, a veteran of 28 months overseas in the army.

He had come to know the late Carl Rupprecht well in 13 years of driving a cab.

Rupprecht used the taxi company at least twice a day and always asked for Brophy.

There were times, too, when Rupprecht dropped over to the cab station just to talk about his real interests, such as football, boxing and baseball," Brophy says.

The British and Foreign Bible Society

PRINCE EDWARD ISLAND AUXILIARY

The British and Foreign Bible Society has issued translations and forwarded their circulation, believing that in themselves they can bring light to human souls and the experience of the power of the Gospel to every man. It clearly recognises that under the guidance of the Holy Spirit, the interpretation of the Holy Scriptures, and instruction therein, belong to the teaching ministry of every branch of the Church.

The Society in Canada and Newfoundland goes forward hopefully as part of a world-wide Christian movement supported by all churches and communions that believe each man and woman has a right to have the Scriptures in birth speech. It is specially appreciative of the support given by the larger communions of the Reformed Church, and by all the smaller evangelical bodies working across the Dominion.

The P. E. I. Auxiliary needs your support at all times.

SHOWING OF FILMS AIDING RURAL HEALTH

Country doctors and District Nurses have found National Film Board programs a useful means of spreading information on public health in farming areas. They frequently accompany the Board's field representative to rural Circuit film showings and speak on how suggestions in the films for improving or maintaining health should be applied locally. At these showings, health officers also have an opportunity to answer questions on particular problems and distribute printed material from the provincial Departments of Public Health

Several films are used to draw attention to common sources of danger such as infected milk and water, and to show what precautions should be taken against them. Films on properly balanced diets to build resistance against disease are also shown as part of a preventive campaign.

Whole-hearted support has been given by the Board to fight against tuberculosis diphtheria and V. D. Films are used both to impress audiences with the urgent necessity of checking these diseases and to inform them of the assistance available to them for this purpose from local and provincial health services.

A growing interest in plans for hospital care has become evident in many farming communities. To comply with special requests, films have been secured showing the purpose of this form of insurance and exactly how it works out in practice. The establishment of rural dental clinics is another health project to which films have contributed by arousing interest and supplying information on methods of organization and operation

St. Paul's Parish Guild Annual Meeting

The annual meeting of the Parish Guild of St. Paul's Anglican Church was held Monday evening, Dec. 3, 1945, with the President, Miss Norah Longworth in the chair and a large number of members present. The meeting opened with the Lord's Prayer in unison. The minutes of the last annual meeting held in January were read and on motion adopted. The Treasurer, Mrs. W. R. Adams presented her report showing the finances of the Guild in an encouraging condition with a substantial balance.

The retiring president then gave an interesting report of the year's activities and thanked the members for their support during the year.

Mrs E. V. Bell spoke of the splendid work done by the President during her term of office and moved a hearty vote of thanks for her faithful and untiring services.

Miss Longworth then called on Rev. Ralph Fawlow who is supplying at St. Paul's during the illness of the Rector, Rev. J. T. Ibbott. Mr. Fawlow brought greetings to the Guild from the Rector, and commended them on the splendid work done by the women of the Guild.

Reports were read from the various branches of the Women's Auxiliary Chanal Guild and other church organizations showing excellent work done during the past year.

It was decided to hold the Christmas treat for the Sunday School on December 28th this year and arrangements were made for same.

The following officers were elected for the coming year:

President, Mrs. Parker Moore.
Vice President, Mrs. J.T. Rodd.

URGE END OF WAR

WASHINGTON, Dec 5 —(AP)— A full-page advertisement in the Evening Star appealed to Congress yesterday to get the war over—officially.

Paid for by a hardware manufacturing firm, the advertisement said:

"Believing that we have conquered our enemies and that the present fictitious war being perpetuated by the administration is an unfair burden on the taxpayers, we respectfully petition the Congress to introduce a resolution for the termination of hostilities and to record each individual member's vote on this resolution."

Attend Maritime Hospital Association Meeting In Moncton

Describing the meeting of the Maritime Hospital Association, held in Moncton last Thursday, as a most successful one, Dr. J. A. Clark, vice president of the Association, informed a Guardian representative yesterday that the Association now has 131.000 members.

Considerable time was taken up at the Moncton meeting, Dr. Clark said, in preparing lists which would inform the War Assets Corporation as to the exact needs of Maritime hospitals in various hospital and medical equipment. Mr. P. T. Palmer, Maritime representative of the War Assets Corporation, informed the Association he would immediately contact the Montreal office of his Corporation with a view to expediting the delivery of such equipment to the various hospitals in need of it, Dr. Clark said.

A report was presented to the Moncton meeting by Rev. Sister Stanislaus of Sydney and himself. Dr. Clark stated, giving the result of certain deliberations of the Canadian Hospital Council when it met at Hamilton, Ont. last summer. The Council, Dr. Clark said, had asked the Dominion Government to assist hospitals in need of financial aid, by loaning them money at 2 per cent interest. He felt the Dominion Government would give favourable consideration to the request.

Dr. Clark and Miss Katherine McLellan, who represented the P E. Island Nurses' Association at the Moncton meeting have returned to Charlottetown.

AMBLESIDE, England — (CP) — Two hundred and fifty acres of Lake District farmland have been presented to the nation under the will of the late William Heelis, husband of the late Beatrix Potter, author of many children's books and creator of the famous character, Peter Rabbit.

Letter of Appreciation

On behalf of the Executive in charge of the Salvation Army 1945 Home Front Campaign and the Army itself, I would like to thank the people of Prince Edward Island for their generous response to this worthy cause.

In gratitude to the Army for establishing in Charlottetown an Eventide Home, which will soon be operating and filling a long felt want in this Province, the executive accepted a quota of nine thousand dollars; fifty per cent more than in previous years.

As will be seen from a list appearing elsewhere in this paper over twelve thousand has been subscribed, making this the most successful Campaign ever staged for the Salvation Army on Prince Edward Island.

To the Women's Institutes throughout the Province goes the credit for most of the collecting done in the rural areas.

In Summerside an exceptionally fine job was performed by the Y's Men's Club under the chairmanship of Horace MacFarlane, President of the Summerside Y's Men's Club.

In Charlottetown one hundred and fifty workers under the Veteran Campaigner, N. W. Lowther ably assisted by J. C. Montgomery staged a whirlwind campaign in which they surpassed their quota in one day.

To the Women's Institutes, Red Cross Societies, School Teachers and all organizations and individuals who in any way helped to make this Campaign the success it was, we offer our sincere thanks and appreciation.

EDWIN C. JOHNSTONE,
Provincial Chairman.

Send Parcels Early

MONTREAL, Que., 6— "It is most important that Christmas parcels be expressed early if they are to be delivered for Christmas" is the answer of George H. Griffin, Manager of the Express Traffic Association of Canada. To enquiries in connection with the forwarding of Yuletide gifts. He emphasized not-withstanding the cessation of hostilities there is every occasion to beleive that shipping during the Christmas season will be as heavy as in the past years and appeals to the public to assure delivery and avoid disappointment by shipping early. The latest shipping dates for Christmas delivery to points in Canada are being published in the daily press by the Express Traffic Association for the information of every one concerned and December 17 is the latest date specified for consignments within and to adjacent provinces while across-country parcels should be dispatched by December 12.

In Memoriam

MR. JAMES CONDON

The death occurred in the Charlottetown Hospital yesterday of James Condon, for three successive terms Mayor of Georgetown and previous to that, and since, a member of the town council. The late Mr. Condon was well and favorably known in this city as the operator of a bus service between this city and Georgetown. He was ill only about two weeks. A wife and one son survive.

ALFALFA SEED TO EASTERN CANADA

Because there is insufficient alfalfa seed to meet the normal seeding requirements in Eastern Canada in 1946, the Dominion Department of Agriculture has announced that the carlot freight rate from Winnipeg to Eastern points on shipments of such seed will be paid, but only on shipments approved by the Seeds Administrator, Ottawa, prior to shipment. Normally the surplus of alfalfa seed produced in Western Canada is exported to the United States. The freight rate is being paid to provide an equitable basis of payment between farmers in Eastern Canada who use the seed and alfalfa seed producers in the western provinces.
