## "FULL FLOATING" RIDE... NEW WIDER BODIES... LONGER WHEELBASE... NEW BEAUTY

TAKE A 5-MINUTE RIDE in a new Dodge and you'll forget all former ideas of Beauty, Luxury, Brilliant Performance and Economy. The 1940 Dodge Cars present more new ideas than any other cars in the 26 years of Dodge History.

These are more than NEW MODELS. They are entirely new automobiles from stem to stern. The new bodies of the 1940 Dodge cars are 55 inches wide at the front seat and 56 inches wide at the rear seat... as wide as the seats of 3 armchairs.

The "Full Floating" Ride Never before has there been a ride like this in the LOWEST price field. Words cannot describe it but a RIDE will speak volumes in five short minutes. The centre of gravity has been lowered for a steadier ride on increased glass area all around, and the rear window, in addition to being larger, has no divider strip and the glass is curved to follow the curve of the body.

New "Sealed Beam" Headlamps that give 50% greater illumination and have longer life are wide apart for safer night driving.

Phone your Dodge Dealer today and tell him you would like to drive a new 1940 Dodge. He will be glad to give you this treat.

Wide Doors Say goodbye to the old-fashioned "dog-leg" in the rear door. In these 1940 Dodge cars you just walk in and out as through a house door. No struggling, no soiling of pretty dresses. And when you are inside, you will see the most harmoniously trimmed interior ever put in a Dodge car.

These new bodies have a greatly increased glass area all around, and the rear window, in addition to being larger, has no divider strip and the glass is curved to follow the curve of the body.

New "Sealed Beam" Headlamps that give 50% greater illumination and have longer life are wide apart for safer night driving.
