Everything She Ate SEEMED A BURDEN TO CARRY.

HAD STOMACH TROUBLE FOUR YEARS.

When your food has not been properly digested, your body has not received the benefit it should. The exertions of the gastric juice have been confined entirely to removing the unmasticated undigested portions of food which they cannot properly digest as speedily as possible from the body, thereby only giving the blood a small percentage of nourishment with which to feed the tissues. Burdock Blood Bitters regulates the bowels, promotes perfect digestion, makes pure blood, tones the stomach, and thus restores perfect health and strength to the debilitated system.

Mrs. D. A. Francisco, Rossland, B.C., writes: "I was suffering from stomach trouble of the worst kind for about four years. Everything I ate seemed a burden to carry. I always arose in the morning with a sickening and feverish taste in my mouth and was also troubled with swellings in my hands and feet, which my physician said was due to the disordered state of my stomach. I tried everything that was purchasable, and also consulted two or three physicians, but could find no relief until one of my neighbors told me of a wonderful cure by Burdock Blood Bitters. I used altogether ten bottles and am now perfectly cured. I wish to recommend B.B.B. to anyone who may be so unfortunate as I was.

KIDNEY DISEASE COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or supressed urination, burning sensation when urinating, etc.

Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes.

On the first sign of anything wrong Doan's Kidney Pills should be taken. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble.

Miss Albertha B. Clarke, Stony Creek, Ont., writes: "I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them."

Price 50 cts. per box, or 3 for $1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont.

When ordering specify "Doan's."

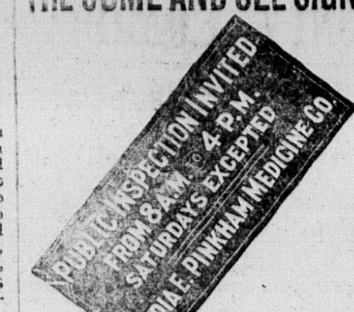
THE COME AND SEE SIGN



This sign is permanently attached to the front of the main building of the Lydia E. Pinkham Medicine Company, Lynn, Mass.

What Does This Sign Mean?

It means that public inspection of the Laboratory and methods of doing business is honestly desired. It means that there is nothing about the business which is not "open and above-board."

It means that a permanent invitation is extended to anyone to come and verify any and all statements made in the advertisements of Lydia E. Pinkham's Vegetable Compound.

Is it a purely vegetable compound made from roots and herbs — without drugs?

Come and See.

Do the women of America continually use as much of it as we are told?

Come and See.

Was there ever such a person as Lydia E. Pinkham, and is there any Mrs. Pinkham now to whom sick woman are asked to write?

Come and See.

Is the vast private correspondence with sick women conducted by women only, and are the letters kept strictly confidential?

Come and See.

Have they really got letters from over one million, one hundred thousand women correspondents?

Come and See.

Have they proof that Lydia E. Pinkham's Vegetable Compound has cured thousands of these women?

Come and See.

This advertisement is only for doubters. The great army of women who know from their own personal experience that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for female ills will still go on using and being benefited by it; but the poor doubting, suffering woman must, for her own sake, be taught confidence, for she also might just as well regain her health.

THE SUCCEEDING GOVERNOR GENERAL

ST. JOHN, Jan. 24—Lord Henry Stafford Northcote is the second son of Sir Stafford Northcote, Earl of Idesleigh, formerly leader of the British House of Commons and was born in 1846. He was educated at Eton and Merton college, Oxford, and was enrolled as clerk in the foreign office in 1868.

His first official appointment was as private secretary to Lord Salisbury at the Constantinople embassy, which position he held in 1876 and 1877. In the following year he was trasnferred to England, becoming secretary to the chancellor of the exchequer. In 1885 he was appointed financial secretary to the war office; and the following year he accepted the post of surveyor general of ordnance. In 1891 he became charity commissioner, and in 1899 he went to Australia as governor general of the commonwealth, from which position he retired but a short time ago.

During his term of office as secretary to the chancellor of exchequer and financial secretary of the war office, Lord Northcote sat in the house of commons for Exeter, being a staunch supporter of the Conservative government from 1880 to 1889. In 1873 Lord Northcote married Alice, the adopted daughter of the first Baron Mount Stephen.

On his way back to England from Australia Lord Northcote passed through Canada about three months ago, visiting all the principal cities of the dominion from the Pacific to the Maritime Provinces. He delivered a number of addresses before the Canadian Clubs of different cities, and was warmly welcomed all along the route. He spent several days in Montreal and was the guest of honor at a number of functions here.

CALIFORNIA HEIRESS IS NOW REAL POLICEMAN

LOS ANGELES, Calif., Jan. 24.—Miss Minnie Bixby, one of the richest girls in California, became a full-fledged policeman Thursday.

She received the appointment at Long Beach yesterday, and today came to Los Angeles to take the oath of office and receive a star. It will be the only jewel she wears.

Miss Bixby desires certain authority in her life work of helping wayward and unfortunate girls. She is the daughter of Jotham Bixby of Long Beach, who is worth several millions.

After graduation from Wellesley college, Miss Bixby was not content with being a society girl. First she undertook the career of an artist, but later became interested in the work of helping unfortunate girls, until she has become a veritable little sister of the poor.
