Everybody in Prince Edward Island can afford to become a member and wear the Navy League buttons.

Lachute, Que. 15th 1918. Minard's Liniment Co., Limited. Gentlemen.—Ever since coming home from the Boer war I have been bothered with running fever sores on my legs. I tried many salves and liniments; also doctor-ed continually for the blood, but got no permanent relief, till last winter when my mother got me to try MINARD'S LINIMENT. The effect of which was almost magical. After two bottles the sores completely disappeared and I have worked every working day since. Yours gratefully, JOHN WALSH.

W. P. HUPP, of Akron, Ohio, who says he would not take one thousand dollars for the good Tanlac has done him. Declares his health has been fully restored and that he has gained over 20 pounds.

"I would not take one thousand dollars for the good Tanlac I did me," said W. P. Hupp, 839 Camden St., Akron, Ohio, for the past ten years a valued employee with the Firestone Tire and Rubber Co. "I will always owe a great debt of gratitude to Tanlac," he said, "because it restored my health completely after everything else failed, and I have gained over twenty pounds. I can now eat better, sleep better and work better and I feel like a brand-new man. "Before taking Tanlac I suffered night and day from indigestion and my stomach was terribly disordered. I was nervous and weak and could neither eat nor sleep to do any good. I seemed to be going down hill every day for six years. Finally, my condition became so run down that I lost one or two days from work every week. But now since my troubles have been overcome, I can hold my own with any man at the plant, and often after working hard all day, I put in overtime at night and feel none the worse from it. I just seem to be full of new life and energy. "After seeing the good Tanlac did me, my wife began taking the medicine, and now she says she feels better than she has in years. "Tanlac certainly beats anything I ever saw in my life." Tanlac is sold in Charlottetown by Reddin Bros.; in Montague by H. J. Mabon; J. J. White; Murray River, H. M. Chisholm, North Tryon; R. H. Cameron & Co.; Crapaud; H. P. Coobon, Murray Harbor; Lord's Company, Borden; Lord's Company, Cape Traverse, and Lord's Company, Carleton.

UNLESS we are in a position to transport our products on the water routes of the world, bankruptcy stares us in the face. A big merchant marine and a huge export trade means ready money to the Canadian Nation. The farmer, the manufacturer, professional men and merchants are one and all dependent upon ships and sailors for their prosperity. You can give support to this national cause by joining the Navy League of Canada.
