Prince of Wales Welshmen and Navy wind-up the regular City Hockey League schedule at 7:30 P.M. tonight. The Navy team once again "on the spot" as result of the Saints win over the Legion Tuesday night.

Over the league leaders would boost them into a third position with the Legion team with five points apiece, one behind the second place Saints.

One cannot but sympathize with the wishes of two veteran National Hockey League stars, Sweeney Schriner and Lorne Carr, that they may finish up their careers in the big city of New York.

As is evidenced from his statement, view of the situation. "This will be the last playing season in the league for me," he said. "I am going to the States to work for the N.H.L. together with the old New York Americans and ever since have been two of the league's most potent scorers."

According to Hamilton columnar, Toronto hockey fans are quite certain that Babe Pratt, suspended for the remainder of the season, will be reinstated when the N.H.L. governors meet. "By and large," he states, "the general opinion seems to be that Pratt's suspension is not greater extent than many others in the National League, and that he will be reinstated when the league meets."

According to reports, Uncle Mike Jacobs, who has been assigned to the Beaulieu Club and Johnny Greco in a return engagement. Apparently there was little to choose between the two scrappers in their bout last week and if any one won it was Greco, who was the victor.
