(By The Canadian Press) MONCTON, N.B., July 13—Consistent stroking throughout two rounds today kept Pete Kelly, Charlottetown, as the top of amateurs competing in the New Brunswick and Prince Edward Island golf tournament. Forty-eight of the 72 holes in medal play competition were completed and the remaining 24 will be played tomorrow over the Riverdale Club's 12-hole course.

Successful cards of 48, one over par, shot Archie Skinner, St. Andrews professional, into the lead for the pro and open titles. His total of 202 for 48 holes was six strokes better than the gross of led the field yesterday, Kelly, a National Hockey League player, carded 55 and 56 today, making his total 215.

Rev. J. W. Holland, Saint John, defending both amateur and open titles, incurred disqualification when he dropped a second ball too far from the vicinity where he lost one. At the time, however, he was virtually out of the race, posting a 48-hole gross of 233. The disqualification automatically extended to a Riverside Golf and Country Club group represented with him in the team competition.

R. G. Likely, Westfield, was four strokes behind Kelly and a 223 gave Percival Streeter, Riverside, third place among the amateurs. Four professionals—Skinner, Thornton, Vernon Balch, Riverside, and C. M. Galbraith, Charlottetown—were ahead of Kelly in the battle for the open title while Jock Anderson, Riverside pro, tied with the Charlottetown amateur.

Leading the second, third and fourth divisions, respectively, were J. T. Wade, Ridgwood, with 235, his team-mate, Nick Kennedy, 235, and R. J. Hickey, Westfield, 243. Best scores for Charlottetown amateurs other than Kelly were 228 for R. T. Holman, fifth place in the first division, and 232 for Victor Saunders, J. A. Saunders and W. A. Gaudet, also from the Island Capital had respective scores of 250 and 256.

Galbraith, the Charlottetown pro, carded 54 and 51 today. His 214 total placed him fourth among the eight professionals.

Ice Carnival In Mid July At St. John's

ST. JOHN'S, Nfld., July 13—(CP)—St. John's deemed its skates for a three day carnival in hot weather today, as a 10-year-old dream of an artificial ice arena came true.

Proud to have what they believe to be the only artificial ice plant operating at this time of the year, the city that has been hockey-crazy for years turned out en masse for free skating, hockey and curling matches. The rink was jammed for skating at the opening last night and again today. It will close tomorrow until the beginning of October.

The reconstruction, lengthened edition of the 40-year-old arena has an ice surface 195 feet in length and 70 feet in width. The curling rink next door, operating from the same freezing plant, is 143 feet long and 70 feet wide. There is accommodation for 3,500 spectators at hockey matches.
