FOR NEW YORK.—The lake freighter Alfred Mitchell came into port in Georgetown on Christmas Eve on her way to Port Hastings to load coal whence she will proceed to New York.

NEW SOCIETY ORGANIZED.—A meeting was held Nov. 20th at the home of Mrs. Calbe Gorrett, Bangor, for the purpose of organizing a Red Cross Society. Previously this district was connected with the Morell Red Cross Society but owing to the difficulty in attending meetings on account of the distance it was decided to organize separately. The following officers were appointed: Pres. Mrs. Alex Grant. Vice-pres. Mrs. Calbe Gorrett. Secy-treas. Miss Elizabeth Compton. Also on Executive Committee. It was decided to hold meetings on every second Wednesday night beginning at seven o'clock. After the business of the meeting was over luncheon was served and the meeting was closed by singing God Save our Splendid Men. The first meeting of this Society was held at Mrs. John Martin's, Bangor, where twenty-four pairs of socks were received and shipped. The next meeting was held at the home of Mrs. Alex Grant, Bangor on Dec. 19.

CONCERT AND PIE SOCIAL.—A concert and pie social was held in Morell Hall on Friday evening, Nov. 23rd, under the auspices of the Marie Debating Club, including the talent of Marie and Morell. Although the evening was unfavorable the hall was filled to its utmost capacity and the following excellent programme was rendered: Opening chorus—"Marching to Victory"; Recitation—"Nothing More" by Philip Love; Duet by Dorothy and Elizabeth Cox; Drill—"The Vacant Chair" by Marie School children; Chorus—"O Canada"; Solo—"Just a Wearyin' for You" by Mrs. Robins; Compton; Patriotic Recitation—"Robins' Compton"; Dialogue—"Cure for Obstinacy" by Eliza Compton; Ralph Dingwell, Frank Jay, Mrs. F. W. Bowley, Mary Hughes, Leigh Webster, Louise Hooper, Lola Dingwell, Mrs. Bruce Webster, Lily Rose, Gerlie Sanderson and Marion Webster; Trio—"Carry me Back to Old Virginia" by Mrs. R. Compton and Mrs. Geo. Hooper; Drill—"Little Grandparents" by Marie school children; Solo—"I want my Daddy" by Harry Hooper; Duet—"Whispering Hope" by Mrs. R. Compton and Mrs. Geo. Hooper; Closing chorus—"We'll never let the Old Flag Fall." Mr. Everett Webster very capably acted in the capacity of Chairman. After rendering of programme, pies and candy were ably auctioneered by Mr. H. H. Cox. Before the close three hearty cheers were given in honor of the returned soldier, Pte. Justin Kane, who was present on the platform. The net proceeds, which amounted to \$72.29 have been forwarded to Mr. Percy Pope, Treas. Red Cross Society. The social was brought to a close by singing the "National Anthem."

GEORGETOWN DURING 1917.—The record of Georgetown for the year nearly closed has been one of steady progress. Among improvements to be noted are the lighting of streets by electricity the greatest boon conferred on the town since its incorporation, the laying of new concrete sidewalks and many other improvements for which the town's people are due the energetic Mayor and Councillors who are deserving of the greatest credit for their efforts in making the County Capital an up to date town in every respect. Among the buildings erected during the year are the five new dwelling houses of Mr. Angus McLean, Richmond St.; the magnificent residence of Mr. James Hession Kent St.; the dwelling house of Mr. Mary Leo, Glenelg St., and many other buildings extensively repaired and improved. Of the prominent citizens who have passed away during the year special mention might be made of the late Hon. A. J. MacDonald who for practically a life time represented the Georgetown District in the Local Legislature, was a member of both the Sullivan and Macdonald Conservative Administrations and enjoyed the rare distinction of never having been defeated in an election contest, and the late G. A. Aitken Esq. who for a period of forty years, from 1877 till his death in 1917, held the offices of clerk of the County Court and deputy prothonotary for King's County. It may also be said in passing, that Georgetown has perhaps more men at the front for its population than any other section of the province, and in the recent election showed its loyalty and progressiveness by giving a good majority for Union Government.—&

EASTERN PERSONALS.—Messrs Albert Jamieson and William Murphy, Georgetown returned home from Trenton, N. S. last week.—& Mrs. Daniel Whiting and family have taken the dwelling house on Glenelg Street formerly occupied by the late John Yoston.—& Mr. Herman Levangie, travelling salesman, New Glasgow, N. S., spent Christmas with his family in Georgetown.—& Miss Mollie McLean, teacher of Gasperaux school, is spending the Christmas holidays at her home in Georgetown.—& Miss Della Smith, teacher Panmure Island, Miss Bertha Smith, teacher Sturgeon, Mr. Hodgson Morrissey and Mr. J. A. B. McConnell students at Prince of Wales College are home to Georgetown for the holidays.—&

CHRISTMAS CLOSING.—St. Margaret's School examination and Christmas tree was held in St. Margaret's Hall on Thursday evening December 20th where upwards of one hundred people spent a very enjoyable evening. The pupils who acquitted themselves most creditably were their teacher Miss Laura MacKinnon assisted by Rev. K. C. MacPherson, Mr. Hugh MacPhee, Miss Wanda Maclellan and Miss Elizabeth MacGuigan. The programme was as follows: Welcome song by the school. Recitation by John D. MacCormac. Chorus "Memories" by the school. Recitation "Four little pussy cats" by Annie and Marion MacDonald. Dialogue "Guess what it is." Recitation "Grandfather's Story" by John F. Feehan. Dialogue "What's the Matter." Recitation "Five o'clock Tea" by Catherine Gillis. Dialogue "The Sick Doll." Recitation "When the Minister comes to Tea" by Mabel MacDonald. Song "The Island Hymn." Recitation "Our Sunbeam" by seven pupils. Phonograph Selections, Dialogue "Advertising for a Companion" Intermission. Tea and cake were served by the ladies of the district. Candy was also passed round by the pupils. Chorus "Ring the bells." Arrival of Santa Claus. Distribution of presents. A marked feature of the evening was singing by Pte. Gillespie the accompanists on the organ were Mr. Ronnie MacPhee, Miss Lily MacPhee and Miss Mary E. Gillis. Father MacPherson in a few closing remarks congratulated the Teacher and pupils on their rapid progress. Thus ended with the singing of the National Anthem a very enjoyable entertainment.

NOT MUCH IN IT.—An old South Carolina ducky was sent to the Hospital of St. Xavier in Charleston. One of the gentle, black-robed sisters put a thermometer in his mouth to take his temperature. Presently, when the doctor made his rounds, he said: "Well, Nathan, how do you feel?" "I feel right to'ble, boss." "Have you had any nourishment?" "Yasir." "What did you have?" "A lady dene gimme a piece of glass ter suck, boss."

GREENWICH SCHOOL.—The semi-annual examination was held in Greenwich School, No. 15 on Dec. 21st, (Friday) 1917. The school was tastefully decorated for the occasion by the teacher and pupils. A number of visitors as well as the parents of the children were present. The pupils were examined in the various subjects by the teacher, assisted by Messrs. J. B. MacEwen and Charles Sanderson and Miss Lyle Sanderson, and showed by their ready answers that they had been carefully taught, which reflects much credit on their teacher, Miss Townsend. After the exams, the following programme was rendered: Recitation—"Xmas Wishes"; Olive Sanderson; Duet—"O Canada"; Lillian MacEwen and Ethel Sutherland; Recitation—"A Small Order"; Shirley Sutherland; Recitation—"A Xmas Carol"; Lillian MacEwen; Recitation—"A Xmas Morning"; Olive Sanderson; Song—"Xmas Time"; Ethel and Shirley Sutherland, Lillian MacEwen and Leith Sanderson; Recitation—"The First Xmas"; Mrs. Sanderson; Recitation—"We're Thinking of Home"; Leith Sanderson; Recitation—"A Xmas Gift"; Ethel Sutherland. After this excellent programme the Xmas tree, which was the centre of attraction for the children, was stripped of its gifts, which included presents for both teacher and pupils. Candy, nuts and apples were liberally distributed to all present. After remarks made by the Chairman congratulating the teacher and scholars on their fine work, the meeting was brought to a close by singing the National Anthem.

NORTH ST. ELEONOR'S SCHOOL.—The Christmas closing of North St. Eleonor's school which took place Friday the 21st was an interesting and entertaining for all who attended. The room was very prettily decorated with flags, Christmas bells and evergreens. The children entered heartily into the spirit of the occasion, and the excellent manner in which they rendered the programme indicates most effective training on the part of the teacher Miss Kathleen MacEwen. One pleasing feature was a song by the school entitled "Till Your Boy Comes Back to You". The dialogues and recitations were also worthy of note. After old Santa made his appearance to the teacher, pupils and visitors and a vote of thanks tendered Miss MacEwen the afternoon's entertainment was concluded by the singing of God Save Our Splendid Men.

Don't Use Haphazard Blends

HOW can anyone depend upon getting, always, good bread or pastry if one's flour varies from time to time in strength and composition? The composition of wheat changes from time to time. A blended flour may be all right one time and all wrong next time, due to the changes in the wheat. Most millers have no means of correcting these changes. The result is a haphazard blend. Our completely equipped testing laboratory finds out first what is IN the wheat. Then it is easy to maintain the absolute uniformity of our famous

QUEEN CITY FLOUR

Use our flour. Then you can always be sure of happy results. It always contains just the correct amount of Ontario winter wheat for flavor, flaky texture and whiteness in your pastry—always exactly the right proportion of Manitoba spring wheat for fine big loaves of nourishing, delicious, flaky bread. No occasions occur when extra quantities of expensive shortening are needed to counteract over-strength in the flour when making pastry—and bread always rises properly. Try Queen City Flour for uniformly good baking results.
