Profit Taking Sales Level Off Mart

MONTREAL, Dec. 12.—Listings on the Montreal Stock Exchange headed into profit-taking towards the close of today's session and gains chalked up in early buying were reduced or erased. Volume increased from the average of the past few sessions.

Metal shares were weak throughout the day but demand for other groups, notably a few textiles and specialties, gave the list a stronger appearance. Profit-taking sales made their appearance in the last half-hour, however, to force quotations lower.

Consolidated Smelters sold down to 214 where it held a loss of 2 points while International Nickel was off 1⅝ at 43½ and Noranda ¾ at 45¾.

Construction and building supply issues, power stocks and papers were in fair demand although only constructions showed material changes. Sherwin Williams, after establishing a new high of 17⅞, receded in late selling to close at 16⅞, up ¾ from yesterday. On the other hand Steel of Canada lost ¾ at 54¾ and Dominion Bridge 1¼ at 32¾.

Total sales 35,742 shares; bonds $15,600.

Confused Trend On N.Y. Mart

(By Frank MacMillen, Associated Press Financial Writer)

(A. P. By Guardian's Special Wire)

NEW YORK, Dec. 12—The stock market slipped a cog or two in moderate trading today as mining and scattered industrial issues declined from 1 to 2 or more points.

Analysts explained the drop by pointing to continued confusion surrounding the U. S. treasury's silver policy, fresh unrest over peace negotiations abroad and reported liquidation from Europe and England. Measured by the Associated Press index of 60 stocks, the market closed down .6 of a point at 54.2. Transactions totalled 2,142,960 shares against 2,143,920 on Wednesday.

The list bumped into brisk selling during the early afternoon and later was somewhat steadier. The market's mind was kept on silver by another delay in fixing the opening price of the bar metal in London. The price was finally put at the equivalent of 59.61 cents an ounce compared with yesterday's opening of 69.94 cents.

In New York the price was reduced 1 cent to 61 3-4 cents.

The metal shares gave up fractions to 2 points on the silver unsettlement including American Smelting at 56 3-4, Anaconda at 27 1-4, International Nickel at 43 3-8 and Kennecott at 27 5-8. U. S. Smelting was in demand, however, and closed 3-4 higher at 98 1-4.

The situation in silver apparently prompted a call for gold shares. McIntyre gained 1 7-8 at 41 1-4 and Alaska Juneau picked up 1-4 at 15 1-8.

Lake Shore was up about a point. Elsewhere in the Canadian list prices were generally lower. Losses of less than a point occurred in Distillers-Seagrams, Ford of Canada and Dome Mines. St. Regis Paper preferred continued its wide fluctuations, dropping 4 1-2 points.

Oils were in demand throughout the session on reports of some price improvement for gasoline and hope in some financial quarters of an advance in crude oil prices. Tide Water Associated reached a new 1935 high and closed up 3-8 at 13.

Losses of fractions to more than 2 points were suffered by U. S. Steel at 46 1-4, Chrysler at 85 1-4, General Motors at 54 5-8, Continental Can at 86 and Owens Glass at 122. A. O. Smith was off 3 5-8 to 60 3-8.

Filing of the "cotton belt" railroad under section 77 of the federal bankruptcy act brought losses of 3-8 to 4 points in the company's bonds. Other sectors of the bond market were mixed.

Boyd MacLaren and Arthur MacKenzie were appointed on Health and Cleanliness Committee till next meeting. It was decided that Stanley and William MacLaren take charge of getting Christmas gifts to send to the crippled children. The circulation manager reported that he sold six magazines and Stanley MacLaren reported that he took sawdust to keep down the dust while sweeping the schoolroom. It was decided that the club postpone meetings till after New Year's on account of practicing for the Christmas concert. Stanley and William MacLaren offered to take the sand-table to the school. New roll call for next meeting will be answered by "Drawing a Box Blindfolded." It was reported that twelve tickets were sold for special programme to which visitors were invited and sixty cents realized. It was moved and seconded that minutes of this meeting be sent to The Guardian. Programme Committee for next meeting are Stanley and Douglas MacLaren. HONEYMOONERS' TROLLEY QUITS

NIAGARA FALLS, N. Y., Dec. 12 (CP) — The newlyweds who promised each other back in 1896 that they would celebrate their golden wedding by another ride on the "honeymoon trolley's down the Niagara Gorge won't be able to keep that pledge.

Fifth major change at a changing Niagara Falls in recent years, the Niagara Gorge Railway officially passed out of existence today, dissolved because a new generation prefers to ride automobiles on the rim 200 feet above to getting a close-up of the rapids from the trolleys.
