I., and who had jumped from the ferry last June, while suffering from the effects of shell shock.—Pictou Advocate.

STREET WORK FINISHED.—Asphalt work has been discontinued on the streets of Charlottetown for the present season. The work done has been of a highly satisfactory nature and has resulted in a vastly improved appearance to the city. It is expected that before many years pass that every street in the city will be finished in this excellent manner and that the era of mud, ruts and loose rocks will have passed into oblivion.

POINT PRIM SCHOOL.—Following is the standing of the pupils of Point Prim School for the month of August: Grade V, 1st. Mary MacRae, 2nd. Beagle MacRae, 3rd. Kathryn MacRae, Grade IV, 1st. A GOOD CAUSE.—No institution in the city is more worthy of the aid of a generous public than the Charlottetown Dispensary which ministers freely to the poor and the needy. This afternoon and evening an opportunity will be afforded to help this worthy cause by patronizing the tea and ice cream social, the former in the afternoon, the latter during the evening. A pleasant social hour or two is in store for those who attend with the added inducement of helping a worthy cause. It is expected the League of the Cross Band will be in attendance. Call in during the evening, spend a pleasant time and help the poor of the city by helping the Dispensary. Make this your duty as well as your pleasure.

ON HONEYMOON TRIP.—Mr. Harry Prowse of Winnipeg, son of Mr. W. H. Prowse, Superintendent of Lighthouses, is expected to arrive in Charlottetown this evening accompanied by his bride, formerly Miss Irene Campbell of Portage La Prairie. After a two weeks' visit they propose returning to their home in Winnipeg. The Guardian wishes Mr. Prowse and his bride a most pleasant visit and a happy and prosperous journey through life.

NO FOUNDATION FOR RUMOR.—The report referred to in yesterday's Guardian, that Mr. VANBUREN Kirk had been appointed to the position in Halifax, was, it has since been learned, without foundation. Although Mr. Kirk has no doubt worthy of the best that is going, his many friends in Charlottetown will be glad to know that he is still to continue his work here.

WEDDING BELLS.—The marriage of Miss Alice Gillan daughter of Mr. James Gillan of Peakes Station, to Mr. Herbert Hammond Jewell, of Hartsville, took place quietly at an early hour, yesterday morning in the study of the officiating clergyman, Rev. George C. Taylor. The couple, who were unattended, were two of Charlottetown's popular young people. The bride has been employed with Mr. E. A. E. I. to take up her duties with the Kindergarten there. Miss Stephens was made the recipient of a well filled purse which was presented by Mrs. McKay on behalf of those present. Games and music helped to make the evening a very pleasant one and before the guests departed refreshments were served. At a special meeting of the Kindergarten Association held last week, a resolution of regret at the departure from the city of Miss Edith Stephens was also passed. Miss Stephens has come to Charlottetown to teach for Miss Barrett who is to be absent for a year, leaving next Monday for Regina, much to the regret of a very large circle of friends.

Last Time To-day to See Stroheim's Wonder Play BLIND HUSBANDS Directed by Stroheim Himself

A love story as appealing as the most beautiful romance in your memory. An adventure picture as gripping as any ever made. As wondrous as the most inspiring travel picture you've ever seen. Whose people are real flesh and blood. Whose faithful details are an eye and mind delight. Whose story holds your heart a helpless prisoner till the last tremendous moment comes and a glorious surprise sends you away in a glow of happiness.

SCENE FROM STROHEIM'S WONDER-PLAY "BLIND HUSBANDS" UNIVERSAL-JEWEL DE LUXE

When the husband becomes neglectful, unloving, shall the wife accept attentions from another man? Staged amid enthralling Alpine scenery, this drama of two men and a neglected wife rises to heights of emotion as towering as the mighty peaks which are the silent witnesses of the great disaster—and surprise at the end.
