TO BUILD TRADE BETWEEN U. S. AND RUSSIA.

WASHINGTON, September 16.—State department officials are noting with satisfaction the launching of a movement in Russia, under government auspices, to arrange for a new treaty of trade and commerce between Russia and the United States. Although only three and a half months intervene before the expiration by denunciation of the existing pact, there has been absolutely no progress during the past three months in the negotiation for a new treaty. When, soon after the United States had given notice that it would abrogate the treaty of 1892, the state department signed to Russia thru Ambassador Guild, its readiness to talk about a new agreement, the Russian government let it be known that as America had seen fit to denounce the present treaty, it was incumbent upon the United States to submit some definite proposition to form the basis of a new one. As the department was not prepared to submit such a proposition at the moment the negotiations were allowed to lapse, some of the officials believing that with the passage of a little time the feeling of resentment roused in Russia by the denunciation of the treaty might abate, and that the great commercial interests which are threatened with destruction by severance of the relations on the ordinary basis, would bring to bear influences, strong enough to promise success if negotiations are renewed this fall.

GRAND AVIATION DISPLAY MADE.

CHICAGO, Sept. 17.—The scene of the aviation meet, given by the Aero Club of Illinois, was transferred today from the Cicero flying field to the gang-plank on the lake front and thousands of spectators with upturned faces stood in Chicago's streets and watched twenty aviators circle over the water like a flock of birds.

DIABETES SACKAN

NUMBER 23 THE PRODUCE

ONE BOX OF NULIFE TABLETS

Don't do the Impossible, But it Will Keep All Who Suffer From Blood Disorders

Many people suffering from acute or chronic disorders caused by the presence of impure blood in the system often become discouraged and sceptical when after taking one box of Nulife (Red Blood Tablets) they are not completely cured. It is unreasonable to expect one box—usually enough for one week's treatment—to work a perfect and permanent cure of a disease which has been many months and perhaps years in establishing its stronghold in the system. One teaspoonful of water will not satisfy a raving thirst, one meal will not support a hungry man for one week and the power developed in the first few miles of a trans-continental trip by rail is not sufficient to carry you to the end of the journey.

A box of Nulife (Red Blood Tablets) while doing much towards destroying the disease and building up a good state of health and strength should not be expected to work a complete cure in so short a time. One box will do wonders but three boxes is better and in nearly every case six boxes will work a complete cure—the price is nothing when you consider the results.

One box costs, 50c, 3 boxes \$1.25, 6 boxes \$2.50 and can be had at the following dealers:

McKinnon Drug Co.
The Two Maes, City.
Geo. E. Hughes, City.
E. A. Foster, City.

Mr. Brehaut arrived in time to extinguish the flames before much heading was gained. Had no help been at hand all the buildings surrounding the scene of the fire would have surely been burned.

John and Mrs. McDougall of Bangor, P. E. I., received the sad news from Boston on Friday the 13th inst that their daughter Lettie, who had left home on Monday the 9th had dropped dead on the street near Cambridge Street, Boston, supposed to have been the cause. Deceased was a very clever young lady, 22 years of age. The remains were expected home on Monday, just one week from the date she left home apparently in the best of health. The bereaved parents have the sympathy of many friends in their sad affliction.

Mrs. Wm. Sencabaugh and son, Elmer, of Milford, Mass., who have been summering at Beach Point, Miss Elsie Nicole, Medford, Mass., who has been visiting her grandparents, John and Mrs. Bicolle, White Sands, Miss Ada Sencabaugh, Malden, Mass., who has been spending a vacation with her parents, M. and Mrs. Sencabaugh, Guernsey Cove, and Miss Alberta Sencabaugh, Providence, R. C., who has been visiting relatives in Murray Harbor and vicinity; Miss Katie Shaw, Glenwilliam, to Charlottetown; Mrs. M. Sencabaugh and daughter, Miss Ada, Preston Prowse, and Mrs. Gerald Prowse, to Murray Harbor; Mr. and Mrs. Jenkins who have been visiting Murray Harbor returning to Vernon River. Mark Sencabaugh and John E. Winslow, Guernsey Cove, and Samuel Macleod, Machon's Point, were in Charlottetown on Saturday. Mrs. William Hamm, of Barbury, was a passenger on the Murray Harbor train Saturday returning from Murray River, where she had been attending her father's funeral, Ambrose Horton. An exceptionally large catch of fish was landed at Jordan's Cove a few days ago by Vernon Jordan. Harvesting is in full swing around Murray Harbor and outlying districts, and farmers report a full crop. Much interest is taken in fox-ranching in this district, and several new ranches have been built in the last few weeks. A model ranch has been built by Mr. Willard Jordan, of Cape Bear, and anyone wishing to see the best methods of fox-raising should visit Mr. Jordan's ranch. Mrs. J. Locke, of Trenton N. S., is visiting her parents, John and Mrs. Horton, Murray River.

PRINCE COUNTY NEWS

(From Yesterday's Evening Guardian)

The home of Mrs. Mary McKay, New London, was the scene of a very pretty wedding on Wednesday evening, Sept. 16th, when her youngest daughter Flora Ella was united in marriage to James A. Stewart, son of Douglas and Mrs. Stewart, Norboro. Rev. John Murray officiated in the presence of about one hundred guests. The bride entered the parlor leaning on the arm of her brother, John D. who gave her away to the strains of a wedding march beautifully played by Mrs. (Rev.) A. M. McLeod of Hyde Park, Mass. The bride was prettily attired in cream net over white silk with veil and orange blossoms and carried a shower bouquet of white asters and maiden hair fern. She was attended by Miss Della Pickering who wore Copenhagen blue silk with cream net trimmings and also carried a bouquet of carnations. The groom was ably supported by Heath Bowness. After the happy couple had received congratulations supper was served in Mrs. McKay's usually excellent style. The bride, who is one of New London's most popular young ladies, was the recipient of a large number of valuable and useful presents among them being a number of substantial cheeses. The hearty good wishes of a large circle of friends go with Mr. and Mrs. Stewart to their beautiful home in Kelvin. The Guardian unites with their many friends in best wishes for the future.—Com.

The Annual Convention of the Summerside District W. M. S. was held in the Beque Methodical church Sept. 13th. Not all the Auxiliaries were represented but the others sent large delegations, and much interest in the work was manifested. The District Organizer, Mrs. (Rev.) Wm. Thomson presided in her usual happy manner. The morning session opened with devotional exercises led by Mrs. (Rev.) S. Howard, Sackville, after which reports from Aux. and Bands were received. During the last year, one new auxiliary at Bethel and one new Circle, Shining Pearl, of Wilmot, have been added to our roll, also one Band Anchor of Hope, has been re-constituted. At the afternoon session several helpful and interesting papers were read, notably among them one on China written by Mrs. Seely, St. John, and read by Mrs. Chas. Strong, Summerside, illustrated by charts and pictures and one on Christian Stewardship, read by Mrs. Howard, Mrs. Lucas Allen, Summerside, gave an excellent impersonation of Fundula Ramthal. The Association was also pleased to have an address by Rev. Mr. Rendle, missionary to the Indians of British Columbia. He is a native of Charlottetown and is at present home on furlough. The evening meeting was presided over by Mrs. Thomson, assisted by Rev. E. L. Johnson and was addressed by Mrs. Howard and Rev. Mr. Rendle. The choir rendered some excellent selections, among the most pleasing being solos by Miss Lizzie Wright, Victoria and Miss Edna Moyle, Beque, also a duet by these two young ladies. The association feel indebted to Mrs. Howard for her invaluable aid during all the sessions, and to all who contributed in any way to the success of the convention. The ladies of Beque served luncheon and tea in the vestry to all delegates and visitors and a most enjoyable social time was spent between the meetings.

CURED OF THIS HORRIBLE DISEASE

Edmonton Girl saved By "Fruit-a-tives"

EDMONTON, ALTA., Nov. 20th 1913. "I had been a sufferer from babyhood with that terrible complaint, Constipation. I have been treated by physicians and have taken every medicine that I heard of, but without the slightest benefit. I concluded that there was no cure for this horrible disease. Finally, I read of "Fruit-a-tives" and decided to try them, and the effect was marvellous. The first box gave me great relief, and after I used a few boxes, I found that I was entirely well. "Fruit-a-tives" is the only medicine that ever did me any good for Chronic Constipation and I want to say to all who suffer as I did—Try "Fruit-a-tives" why suffer any longer when there is a perfect cure in this great fruit medicine" (Miss) E. A. GOODALL.

THE BEST TREATMENT for Itching Scalps and Falling Hair

To allay itching and irritation of the scalp, prevent dandruff, thin and falling hair, remove crusts, scales and dandruff, and promote the growth and beauty of the hair, the following special treatment is most effective, agreeable and economical. On retiring, comb the hair out straight all around, then begin at the side combs passing gently rubbing Cuticura ointment into the parting with a bit of soft flannel held over the end of the finger. Avoid additional partings about half an inch apart until the whole scalp has been treated, the purpose being to get the ointment on the scalp and not on the hair. It is well to place a light covering over the hair to protect the pillow from possible stain. The next morning, shampoo with Cuticura soap and hot water. Shampoo alone may be used as often as agreeable, but one or twice a month is generally sufficient for this special treatment for women's hair. Notwithstanding Cuticura soap and ointment are sold everywhere, those wishing to try this treatment should write to "Cuticura," Dept. 4M, Boston, U. S. A., for a free sample of Cuticura soap and ointment, with 22-c. book on skin and hair.
