PELVIC CATARRH WAS DESTROYING HER LIFE. PE-RU-NA SAVED HER.

Miss Maria Ducharme, 182 St. Elizabeth street, Montreal, Can., writes:

"I am satisfied that thousands of women suffer because they do not realize how bad they really need treatment and feel a natural delicacy in consulting a physician.

"I felt badly for years, had terrible pains, and at times was unable to attend to my daily duties. I tried to cure myself, but finally my attention was called to an advertisement of Peruna in a similar case to mine, and I decided to give it a trial.

"My improvement began as soon as I started to use Peruna and soon I was a well woman. I feel that I owe my life and my health to your wonderful medicine and gratefully acknowledge this fact."

A SERIOUS accident occurred yesterday morning. Albert Edward, the little two year old son of Mr James Millman, the town teamster was playing in front of his home when the ice wagon passed to deliver some ice at a house across the street. The driver delivered the ice and jumped on the team and backed it for some distance in order to turn around when he was startled by a cry from behind and immediately stopped, but too late. The rear wheel of the heavy ice wagon containing over a ton of ice passed completely over the little fellow's back. Dr McLellan was immediately summoned and everything possible was done to relieve the little sufferer. There is little hope of his recovery. Mr and Mrs Millman have the sympathy of the community.
