Taylor's Visit To Vatican

NEW YORK, Sept. 20—(AP) — The long audience of Myron C. Taylor, Personal Representative of President Roosevelt, with the Pope in Vatican City caused the European press to bristle with speculation today.

It ranged from suggestions perhaps Axis-inspired—that the United States has a peace plan to the belief in some quarters that Nazi excesses in occupied countries may evoke some expression from the church.

Taylor's visit to Vatican City Saturday came at a time of intensified persecution of Jews in occupied countries, particularly France. It coincided also with a new wave of executions of hostages by German police, and of preparations in France to deport thousands of laborers to Germany.

Berthod Schwartz, a German monk, is generally considered to be the inventor of firearms.

CAPITOL
SUMMERSIDE

"King's Row" Greatly Enjoyed By "Capitol" Patrons

"King's Row" won wide praise for its author, Henry Bellamann. The screen version adds new laurels to the crowns of Sam Wood, who adapted the novel for the screen, and the many members of the matchless cast who have brought Mr. Bellamann's characters to vibrant life.

Ann Sheridan, Robert Cummings, Ronald Reagan and Betty Field play the four starring roles and each has turned in a perfect performance. In the featured cast, four of Hollywood's most able character actors, Charles Coburn, Judith Anderson, Claude Rains and Maria Ouspenskaya give portrayals so finely etched that they are well-nigh unforgettable. Two comparative newcomers to the screen, Nancy Coleman and Kaaren Verne show brilliant promise.

There is Parris Mitchell (Robert Cummings) young, ambitious and clever and the town's most promising young physician. But how many of the townspeople know of his wild, secret love affair with Cassandra Tower (Betty Field) whose brief life came to such a tragic end? The people could have told you about Drake McHugh (Ronald Reagan) the bad boy from the right side of the tracks, who marries Randy Monaghan (Ann Sheridan) the girl from the wrong side of the tracks. But they couldn't have told you that Randy's sweet natural goodness and strength of character changed Drake's aimless, pleasure-seeking life into one of purpose and meaning.

CEMETERY LIST STARTED—The trustees of the Union Protestant Cemetery of Souris met in session on Friday evening Sept. 18, with Mr. H D. MacLean in the chair. It was reported that a new fence has been recently erected on the front of the property and that a soil analysis is being made to determine what steps should be taken to make a better cutting turf. The finance committee reported recent donations of $25 from Mr. Harry Sterns of Montreal and $15 from Mrs. Lloyd Ferguson of Wellington, P.E.I., towards the upkeep of the cemetery. It was decided to start a subscription list at once for maintenance and improvement; and plot owners both at home and abroad are to be asked to contribute. The Souris Protestant Cemetery lying on a gentle slope looking out over the Souris River is potentially ons of the most beautiful on the Island, and the trustees have the best wishes of all concerned in their efforts to make it so. The meeting adjourned to meet again at the call of the chairman.
