MOST creditable to all concerned was the splendid concert in Queen Square Gardens last night by the Fourth Regiment Band, which has never given anything more appreciated than last night's performance. The program afforded a great measure of solo work, which was excellently rendered. The different numbers were selected with rare good judgment, and made the evening pass pleasantly for all the large number who thronged the gardens. Applause was hearty, especially for the vocal number, which was encored.

WE SPEND THOUSANDS OF DOLLARS every year in giving away Celery King with the Solution of Ozone (the coupon kind). We do this because we know of no other way by which germ troubles can be cured to stay cured. The Solution of Ozone destroys the germ—that is certain—but being an astringent it does not enable the system to throw off the accumulated refuse matter. This only can be accomplished by taking it together with Celery King, so we supply the Celery King to you free of cost, but be sure and ask your druggist for Ozone (the coupon kind) or you will be disappointed.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

Ask about the standing of our graduates and compare with other colleges. Ask why it is that our last year graduates secured the best positions in Charlottetown. Ask our former students about the attention they received. Compare it with that received elsewhere. We never did nor never will make false representations to secure students. Investigation will prove our courses modern in every respect. We do not advertise to teach certain branches and then not teach them. As a favor to us kindly make the fullest investigation.
