AMERICAN LEAGUERS WIN BASEBALL CLASSIC

Gehrig Paces Murderer's Row In Shelling National League All Stars For 8-3 Victory

BY ALAN GOULD
(Associated Press Sports Editor)

GRIFFITH STADIUM, Washington, July 7.—The American League's All-Stars, unloading a barrage of basehits at the expense of their foremost pitching foes, rode the crest of a combined heat and hitting wave to a decisive baseball triumph today over the National League in the fifth annual charity "dream game".

Sweltering in 90-degree heat with the rest of a capacity crowd numbering 31,391 cash customers, President Franklin D. Roosevelt looked on while the Americans shelled six rival pitchers for an 8-3 victory, with an attack featuring the long-range firing of Larrupin Lou Gehrig and his mates of the world champion Yankees.

Gehrig touched off the fireworks with a third inning homer off the great Dizzy Dean, with Joe DiMaggio, sensational Yankee outfielder, on first base. This blow gave the Americans a lead they never relinquished, and caused Dean to be charged with his first all-star defeat.

Rovers Tied With Brigade For Lead

Chalking up their second straight victory in three days Ev. McNeill's Rovers last night advanced into a first place tie with the Artillery team in the City Football League by sending the Superiors down to a one-sided 18 to 5 defeat.

Garnering sixteen safe blows off the combined offerings of two Superior hurlers Rovers never were in danger once they had built up a 9-1 lead in the first three innings; they added a single run to their total in the fifth; counted three more in the sixth and wound up their high scoring efforts with five more tallies in the seventh and eighth. Eleven Superior errors helped the Rovers' cause greatly with the winners counting but six earned runs out of their big total.

Although accounting for thirteen safe blows off Art Mollins, the best Superior could do in the matter of scoring was push across single tallies in the second, third, fourth, fifth and ninth frames, the Rovers' hurler bearing down brilliantly in the pinches.

Three home runs were included in the Rovers' hitting barrage, Cairns and McNevin slugging out round-trippers in the second inning with Mollins completing the circuit in the sixth.

Plucky Scott Wins Honors In Interesting Matinee Race Program Yesterday

The weather was delightful for the Matinee Races at the Charlottetown Driving Park yesterday afternoon and the track was in tip top shape, kept free from dust by the use of the sprinkler. There was a large attendance of spectators, many of them from out of town, notably Summerside, Kensington and Montague.

The best performance of the afternoon was the third mile of the Class A Trot and Pace, won by the popular pacer Plucky Scott 2:06, this year in the ownership of Nell Walker, Mount Edward Road. Mr. Walker handled her perfectly and receiving congratulations on his own and the mare's performance in the first meeting between Plucky Scott and Peter Reape. Peter proved the winner, but yesterday he only headed her in one heat, Plucky winning the first and third, the latter by quite a good margin.

Millie Kalmuck, winner of the Class B Trot and Pace, put on her best performance of this year and showed enough to warrant her admirers in expecting 2:12 for her in the fall. Rosebud, driven by caretaker Austin Tierney, was in top form and finished inches away from the winner in two heats. Yesterday was Austin's first experience as a race driver, but he showed good nerve, good judgment and an excellent knowledge of his mount.

Class C Trot and Pace was won by June Worthy, 2:22 (Trainer) 1:11 Bob O'Boy, 2:14 (H. Walker) 2:23 Holly Britton (Ross) — 3:32 Time—2:20%; 2:22; 2:24%.

Winning owner, Willard Kelly, Southport.

14 Matches Played As Tourney Opens

Play in the Charlottetown Lawn Tennis Club Tournament opened yesterday when 14 matches, all women's and men's singles, were completed. Ideal weather greeted the players and some brilliant tennis was witnessed.

Several of the winners were forced to three sets before taking the decision. In the women's matches, H. Edgett, after losing the first set at 6-0, came back strongly to take the next two from M. Mutch, 6-4, 6-4. Jean Tait took the opening set from Lima Wright, 6-1, but lost the second, 6-2, before winning the deciding set, 6-3.

Rev. Mr. Mackenzie's fast service paved the way for victory for J. Jordan in a men's single match after losing the first two sets, 6-4. He took the next two, 6-2, 6-1. J. Rodd was taken over the three set route by E. Garnum before winning, 3-2, 6-4, 6-2, while Harry Richardson, after playing steady tennis in the first two sets, lost to T. Guy, 5-7, 7-5, 6-0.

Women's, men's, and mixed doubles matches have been scheduled for this afternoon, as well as some second singles events.

Hubbell Batted Out

A three-run blast in the fourth frame knocked none other than the renowned Carl Hubbell from the box as the Americans, aided by Yankee Red Rolfe's gro-run triple, gained some measure of revenge for the screwball master's domination of junior league ball-players in the memorial 1934 All-Star game.

The climax of the cannonading came in the sixth at the expense of the Brooklyn fireballer, Van Munso, as Gehrig drove in two more runs with a double.

All-Old Gehrig and his Yankee mates pounded across seven of the eight American League runs.

IN THIS CORNER

Billy Holm, that durable milt-slinger from Springhill, Nova Scotia, is still angling for a return scrap with Island heavyweight champion George Leslie and states Holm: "I won't rest until I get Leslie inside the ropes again."

It isn't difficult to see that the decision given in Leslie's favor when the pair met recently at Souris is still ranking the Springhill boy. He minces few words when stating that the decision was one hundred per cent wrong, in his opinion at least, and he is more than anxious to prove it.

Gomez Given Win

To make it all the more evident that New York is the class of the junior circuit, Vernon (Lefty) Gomez was credited with victory as a result of holding the Nationals in a total hit production with 13 strikeouts but the outfit piloted by Manager Bill Terry of the Giants could not produce in the pinches.

Joe Medwick, Cardinal clouter and only 400 hitter in either major league, lived up to his reputation by banging out four straight hits, but the best the Nationals could do was collect one run in each of the three innings worked by Tommy Bridges, slender right hander of the Detroit Tigers.

Mel (Chief) Harter, Cleveland right-hander and co-holder with Gomez of the "Indian sign" over National League opposition, duplicated the southpaw's fine work by blanking Terry's men in the last three frames, despite yielding five base hits.

Four Britons Pace Dudley In First Round Of Open Over Gusty Carmoustie

CARNOUSTIE, Scotland, July 7.—(CP)—Ed Dudley, large and placid professional from the United States, hobbled over wind-raked Carmoustie's bonny braes in 70 strokes today to take a two-shot lead in the first round of the British Open Golf Championship.

Suffering a twinge of pain every time he swung onto a collapsed arch in his left foot, burly Ed beat Carmoustie's grueling par by a stroke and saved the American brigade from a minor rout in the face of a gusty wind and steady shotmaking by a group of home-breds.

Two strokes back of the pace-maker came four Britons, chief of whom was Alf Padgham, the man who won last year. Alf was supposed to be off his game so badly he was a 30 to 1 shot when the championship proper got underway over a tough layout made tougher by lengthening of a number of holes.

SECOND FLIGHT

The other three in the second flight were Bill Branch, Belgian open winner in 1935; Willie McEwen, Minn. west Scotland's pro champ in 1924 and 1929, and Reginald Whitcombe, veteran internationalist whose last major triumph was in the 1936 Irish open.

Four more native hopefuls were grouped at 73 with Denny Shute, winner here in 1932 and last American to take the crown across the Atlantic. Best known Briton in this bracket was Charlie Whitcombe, captain of the Ryder Cup squad that fell before the American Fred Robertson, who employed what are believed to be the lightest clubs in big-time golf. A. D. Cairns and Jack Taylor.

THEIR DAY OFF

It was a day full of tragedy for the invaders, as swarthy Gene Sarazen scored to 81 amid bitter complaints about tymped greens, and medalist Horton Smith and Ralph Guldahl, U.S. open king, took 77's.

But the burly Dudley kept their hopes flying. He hurt his left foot while climbing the sand dunes of the Southport and Ainsdale course during the Ryder Cup matches. When it started to bother him here he took treatments from a Dundee doctor.

This morning he donned his brightest trousers and sweater, as though to buoy his spirits, shot the first nine in 34, two under par and coasted home in 36.

The fourth-place bracket, filled by shooters of 74, contained Henry Cotton, English ace, amateur Bobby Locke, South African amateur, Bill Cox, Jim Adams and Bill Shankland.

In the next bracket, with cards of 75, came Byron Nelson and Sam Snead, as well as Bob Sweeney New York-born Londoner who wears the British amateur crown, and five wind-weary Britons, Pery Allis and L. B. Ayton were the better known of the British 75-shooters. Dave Rees, John Panton and Tom Collins were the others.

The veteran Walter Hagen, Henry Picard and Johnny Revolta, all Americans, were a shot farther back. Tony Manero, last year's United States, open champ and Bobby Cruickshank posted 78's while Joe Kirkwood, Australian trick-shooter now of Chicago who fired a record-making 67 in qualifying yesterday, completely lost his touch for ap 80.

Audrey McLeod Captures N. B. Golf Crown

(C. P. by Guardian's Special Wire) FREDERICTON, N. B., July 7.—Miss Audrey McLeod, of the River-de Golf and Country Club near Saint John, captured the New Brunswick Ladies' Golf Association championship today when she outstroked Mrs. D. A. Lindsay, Woodstock, defending title-holder, in an extra nine holes of play. Last year Miss McLeod lost the crown to the Woodstock player.

Both finished the scheduled 36 holes of medal play this afternoon with the scores of 188. Decision for an extra nine holes to be played was made by the association executive and Miss McLeod won by five strokes, 43-48.

The leaders were given a battle by Miss Barbara Jack, of the Riverside Club, who finished the last 18 holes only a stroke behind. She had the misfortune to miss two putts on green no. 7 in her last round over the nine-hole course.

Remember When

Babe Ruth, pitcher and outfielder, was sold to Boston, American Baseball League club, for a reported \$200,000 by Providence 33 years ago today. Greatest home-run hitter of all time, Ruth went to New York Yankees in 1921 for \$125,000 cash. He joined Boston Braves in 1935 and retired June 2 the same season.

Close Races Feature Grand Circuit Meet

CLEVELAND, July 7.—Dunbar W. Bostwick, millionaire sportsman from Old Westbury, L. I., today captured the first Grand Circuit race of his amateur driving career on the third day's program of North Randall.

Piloting his trotter, Boyne, in the \$2,500 second division of the Ohio Trot, Bostwick defeated his professional opponents in four routing miles, decided by a nose.

The \$2,500 first division of the Ohio went to Vic Fleming's Calumet Eblis, owned by W. E. Gilmore of Lake Luzerne, N. Y.

In Final For Camp Title

KENTVILLE, N. S., July 7.—Prince Edward Island Highlanders will play off at Aldershot camp tomorrow night with the Western Nova Scotia Regiment for the Aldershot softball championship.

In a sensational game here tonight, the Prince Edward Islanders edged out their old rivals, the Cape Breton Highlanders, 4-3 in a semi-final game.

Pitching Features Games

An extraordinary feature of the American League's pitching work was that neither Gomez, Bridges nor Harter issued a single base on balls, or registered a single strike out.

Likewise noteworthy was that the Americans, "playing for keeps", made no changes in their lineup, outside the box, and used only one pitcher in each of the three innings worked by Tommy Bridges, slender right hander of the Detroit Tigers.

Mel (Chief) Harter, Cleveland right-hander and co-holder with Gomez of the "Indian sign" over National League opposition, duplicated the southpaw's fine work by blanking Terry's men in the last three frames, despite yielding five base hits.

That last statement means nothing else but that Holm is so certain of it that he says he will fight Leslie for marbles or peanuts. The purse or title isn't worrying him in the least. All Holm wants, he stated as he wound up with another vitriolic outburst over the decision, is that the battle be fought with six ounce gloves with counting to ten, "or has pillows to fight with last time" said Holm, "and even then I hit him plenty hard."

Holm hastened to explain that the last fight was anything but in the "bag". "Up to the time of the fight I was under the impression that it was to be an exhibition affair, but when I learned it was to be a decision I went out there and fought every minute. There wasn't much I could do about it when they handed me the big gloves to fight with"—Holm called them pillows—"but even at that I honestly believed that I had won every round." "But," concluded Holm, "I want another crack at the big boy and then I will prove that this isn't just so much 'popping off' as an alibi for that Souris defeat."

Intending entrants for the 40-mile bicycle race and 10-mile road race to be staged here on July 20th and 21st respectively are rather slow in sending in their entries. Promoters of the affair are anxious to get the names as soon as possible so all arrangements for the races can be completed.

So get busy fellows, and file your entries. Entries for the bike race are to be handed to Mr. Fred Pickard of the Bike Shop, while the entries for the road race are to be sent in care of the Sport Editor of the Guardian. As everybody is aware both events are open to the Maritimes with course of the bike race from Summerside to Charlottetown and the course for the plotters to be announced sometime before the end of the week.

The City Football League is still very much a four-team affair with the lead changing regularly. Almost every game now has an important bearing on the ultimate outcome and with the half-way mark passed the teams are bearing down every minute.

But an old fault is beginning to become quite noticeable lately, that is the evident tendency of the teams to be late for encounters. It has been particularly noticeable the last several games and the squads had better take a word of warning and in future be on time or else lose the game by forfeit.

And there isn't a team in the league that can afford to do that with the way in which the teams are bunched. One loss can very easily mean loss of a playoff position and umpire-in-chief Whit-

Royal Hanover Winner Of North Sydney Free-for-all

(By The Canadian Press) NORTH SYDNEY, N. S., July 7.—Royal Hanover, owned by Mrs. Margaret Ballard of this town, provided the most spectacular part of the racing card here today, winning the junior free-for-all in three straight heats.

In three consecutive heats the horse, running for the first time on a Cape Breton track, covered the quarter mile in 30 seconds, a record for the Northside track. The reins were handled by Olive Rudderham, Point Edward.

Calumet Duke, owned and driven by George Kuhn, Dartmouth, N.S., took the 2:17 trot and pace in three straight heats from a field of five starters.
