SUCCESSFUL OPERATION—The many friends of Rev. Fred M. Clay will be pleased to learn that he was successfully operated upon on Monday, October 19th, in the Hillcrest Hospital, Pittsfield, Mass. Mr. Clay's operation is the result of internal injuries received four years ago in Cassadaga, New York, when stopping a runaway horse. The operation which was for very serious intestinal trouble, occupied one and one-half hours, but is thought to be entirely successful, although it will be some weeks before Mr. Clay can return home, and he would be pleased to hear from any island friends during his convalescence.
