On Thursday evening, July 28th, Rev Mr and Mrs McHattie entertained a large number of the young people from the different sections of the congregation at the Manse, Montrose. As the evening was somewhat disagreeable the out door games were dispensed with greatly to the disappointment of all present as the Manse grounds were very neatly and tastefully arranged with games, such as lawn tennis, croquet etc. About 8 p.m. all went to the Presbyterian church and held a Guild meeting. Miss Flossie Squarebriggs very ably presided and led the meeting. A number of short readings were given by several of the Guild members, the topic being The missionaries of China. A solo, "Aside with Me," was very sweetly sung by Mrs. Allish McLean of Amherst, accompanied on the organ by Miss Mae Marchbank. The choir gave some very nice selections. Miss Barbara Hardy very ably performed the duties of organist. Rev. Mr. McHattie gave a very interesting address on the progress of the missionary work in China, after which all were invited to the Manse where the evening was very pleasantly spent in various games, instrumental and vocal music, and social intercourse. Luncheon was served and prepared by the hostess in a very tasteful manner and was much enjoyed by all present. After thanking Mr and Mrs McHattie for the very pleasant evening spent and wishing them every success in their new field of labor all returned home well pleased with their evening's entertainment.

In regard to the agitation now being fostered in connection with the sidewalk required on Richmond Street in front of St. Paul's Rectory, the communications and enquiries in the press, are seemingly beside the mark. Councillor Campbell, who represents the ward informs The Guardian that this sidewalk had been considered long ago and arrangements made by the Street Committee to have the old sidewalk taken up and replaced by concrete; which will be done as soon as possible and would have been done in any case. In fact, the concrete sidewalk is to be extended all around that block.
