

The Worker

The indoor worker is often over fatigued by the monotony of his work until it gets on his nerves and brings headaches, irritability, loss of sleep and indigestion.

A good way to relieve this condition is to build up nervous energy with Dr. Chase's Nerve Food, the mineral and Vitamin B1 tonic.

Are You a Dreamer? Have you a "dream home" you are planning to build? Are you hoping to send your boy to college? Do you dream about that trip you've promised yourself... some day? Or maybe it's that business of your own you hope to have? Well, here's your chance to do something practical about making your dreams come true. It's simple, too—many proved that when they decided to buy Victory Bonds and War Savings Certificates, and found out that saving money wasn't so difficult after all. Eight out of ten Victory Loan buyers have expressed their desire to continue a systematic savings plan with Canada Savings Bonds. How about you? You can buy them on the instalment plan as well as for cash. Where your employer offers a Payroll Savings Plan you can buy Canada Savings Bonds by regular deductions from your pay. You can buy Canada Savings Bonds in units of \$50, \$100, \$500 and \$1,000. You may buy up to \$2,000 per person. They pay 2 1/4% interest each year for 10 years. Your bonds will be registered in your name, providing protection against loss. You can cash Canada Savings Bonds at full face value, with interest, at any time at any branch in Canada of any chartered bank. But please remember this point. These are "Serve Yourself" Bonds. This time there are fewer salesmen. They will not be able to call on everyone. So it's up to you to take advantage of this fine investment opportunity. Crystallize those dreams into action... now! (Sold by banks; investment dealers; stock brokers, trust and loan companies.) Canada Savings Bonds 8 out of 10 will buy again...
