IT GROWS HAIR

Here Are Facts We Want You to Prove at Our Risk.

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum nor permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store, MacKinnon Drug Co.

An unfortunate accident occurred at Sturgeon on Monday morning last when Godfrey Jamieson of that place had his arm broken. Mr. Jamieson was walking alongside of a binder that he was running in the field when he noticed that the grain was not coming down to the backers as fast as it should. He put his hand in to pull it down when the discharge arm came round, striking him on the arm, and breaking it about six inches above the wrist. Dr. Fraser of Montague is attending him.—Exe.

One of the best political meetings of the campaign was held at Brookfield Tuesday night. The spacious hall was crowded to the doors. Charles E. McNeil proved to be a very capable and impartial chairman. The speakers were as follows:—Norman Campbell, barrister-at-law; Hon. John McMillan, one of the representatives of the district; Louis Jenkins, a Conservative candidate for this district; D. A. McKinnon, barrister; John H. Buntain, the other Conservative candidate; Edgar Shaw, barrister; L. P. Tanton, and F. J. Nash. The opener of the meeting also closed it in a brief speech.

The marriage took place at the home of L. R. Ferguson, Inspector of Government Steamers, Quebec, on August 28th of Annie Gladys McMillan, eldest daughter of J. C. and Mrs. McMillan, Wood Islands, and granddaughter of Captain A. Brown of the C.G.S. Earl Grey, to J. H. Hill, second eldest son of John and Mrs. Hill, Murray Harbor South. Rev. Dr. Armon performed the ceremony, the bride, who is very popular with all her acquaintances in Charlottetown, Pictou and Quebec, where she visited for two months, looked exceedingly nice and was given a hearty send-off by her friends. The groom is deservedly popular here having started only a few years ago on the steamer Princess, was transferred to the Stanley then to his present position on the Earl Grey, the largest and best boat of the Canadian Government. The groom's gift to the bride was a handsome set of mink furs. Among the many other charming gifts received was a valuable silver tea service, suitably engraved, presented by the captain, officers and crew of the Earl Grey. After the ceremony the happy couple left by the Maritime express for Montreal, Ottawa and Toronto. The Guardian extends heartfelt congratulations to Mr. and Mrs. Hill. (Pictou Advocate please copy.)
