# Memoriam

JAMES HAGAN

There passed peacefully to rest on February 22nd. 1920, James Hagan at the advanced age of 80 years. The deceased formerly belonged to Hope River, but for the last 40 years lived at Cove Head Road making his home with the late James McGrath. He was an honest inoffensive man and by his cheerful disposition made many friends. He was attended in his last illness by Rev. J. B. McIntyre P. P. who administered to him the last rites of the Holy Catholic Church of which he was a consistant member. The funeral from the residence of William McGrath where he was cared for very kindly was largely attended.

The remains were laid to rest in St. Eugene's Cemetery, Cove Head. The pall-bearers were Albert Proud, John Bradley, James Mahar, John Curran, Thomas Ready and M. Hardy. May his soul rest in peace.

# The Dairy Competition

Continued from Page Four

tire year, so in the first instance they have 50 per cent of the entire money available among themselves, and have a further chance of competing with Grade herds only for the entire year, and the so-called "professional men," who are generally breeders of Pure Bred herds have only $175.00 of the $1,000.00 allotted to them, and they must, to win this, compete against all entries in the former two classes. Yet you contend that the bulk of the prizes, as in the case of our Provincial Exhibition is without the merit of inspiration to be received from the gathering together of the prize winners, and is limited to the comparatively few who are in a position to compete, while the majority are out of the race and cannot hope to get into it inside of three or four years.

Now I would like you to point out just what majority is barred from entering this competition this present year. If a competitor in any of the outlying districts could even win the eleventh prize he will have won a grade heifer calf sired by a Pure Bred bull from a dam who has proven that she is a profitable producer, and if not a Pure Bred will be the nucleus of an improved herd. This, we trust, will induce the ordinary dairyman to take up the Cow Testing Work so much needed in this Province, which he may begin within three days instead of three years. It only requires the weighing and sampling of each cow's milk morning and evening for three days of the month, and the knowledge gained from this work alone will many times pay any competitor for the time required whether he wins a prize or not.

A very commendable feature of this competition is the fact that there is an inducement for any of the factories operating five months of the year to get as large an entry of their dairymen as possible, as the factory winning the largest number of prizes will receive a Pure Bred bull calf.

The desire of the Department in the first instance is to induce all dairymen to learn the comparative production of their cows, and to fill the places of those culled from the herds by animals of better breeding. This in turn should be followed with the improvement possible by the use of a pure bred sire, for through the regulations laid down in this Competition this principal privilege is granted to the smaller factories.

The Department has received most favourable comment from the Live Stock Editor of the "United Farmers' Guide" of Moncton, N.B. who says this is the most progressive step ever taken in the interests of dairying in the Maritime Provinces.

I regret that a Provincial paper that should have for its aim the promotion and advancement of dairying should attempt to discourage the benefits that may accrue from a co-operative interest in this competition.

I am sir, etc.,

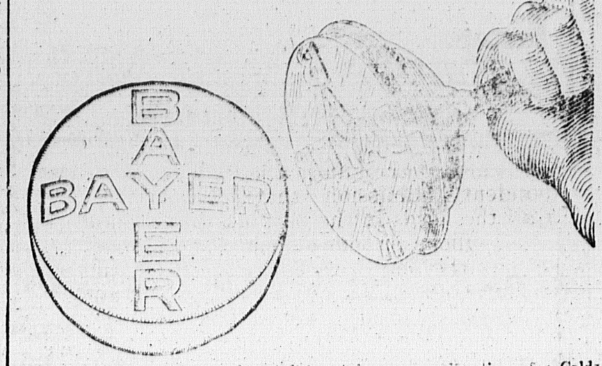
ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"



The name "Bayer" stamped on tablets positively identifies the only genuine Aspirin—the Aspirin prescribed by physicians for over nineteen years and now made in Canada.

Always buy an unbroken package of "Bayer Tablets of Aspirin," which contains proper directions for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago, Rheumatism, Neuritis, and for Pain generally. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer"

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

AMHERST, May 29.—Thousands of acres of valuable timber land in Cumberland are today merely a desolate blackened area smoking and fire blasted stumps. A forest fire that commenced at Two Rivers on Sunday opened up with violence yesterday and today was backed by strong wind. Vast timber areas surrounding River Herbet are in waste and stilll fire continues to sweep onward unchecked.

Dear Sirs.—Just a few lines in favor of your Liniment. I would not be without MINARD'S LINIMENT for anything, as it will relieve almost anything. When I go hunting I always take a bottle in my pocket. It is the best for Cold in the Head I ever used; and for Cold in the Chest, and every other part of a person, and for Sore Throat it has no equal. It is also a good liniment for the hair as I always use it. I have also taken blemishes off of horses with MINARD'S LINIMENT and I would use no other for any reason For Man or Beast as I think it is far the best.
I remain,
Yours truly,
