SENECA, Miss., Nov. 18.—President Roosevelt's bear hunt in Mississippi is ended and he has not even a shot at a bear. The last day of the chase was simply a repetition of three preceding days, so far as his luck was concerned. The president left this evening for Memphis.

The Two Scourges. ALCOHOL AND MORPHINE

From the London, Eng., Times and Opinion.]

A recent remarkable discovery in medicine which has been found to annihilate the appetite for alcoholic drinks and all drugs, even in the most hopeless cases, is attracting a good deal of attention among those interested in temperance works. The medicine is purely vegetable, perfectly harmless and absolutely free from narcotics. It leaves no evil after-effects and can be carried in the pocket and taken in absolute privacy, thus dispensing with the publicity, loss of time and expense of an institute treatment.

The medicine has been tested and is vouched for by the Rev. Father Galloway, Rev. Father Quinn, Rev. Joseph Egger, Rev. E. L. Fitzgerald, Rev. Father Stubbs, Rev. Father McCallen, Rev. M. Gaughan, Rev. A. M. Coventry, Rev. Father Gaule, Sister Augustine, Sister William, S. S. H. Sister Ethelburga, and many others. Full particulars regarding this medicine can be obtained by writing to Mr. Dixon, No. 28 Willcocks Street, Toronto, Canada.
