AMONG THE HORSES

(Continued from page nine.)

Peter Volos two heats in 2.02 1/2 are the fastest ever trotted by a stallion.

The Charlottetown mare, Devilish Dorothy, started in the 2.18 trot at Brocton last week, but was unplaced.

A match race between Peter Stevens, 2.02 1/4, and R. H. Brett, 2.03 1/4, may be held at Belmont Park, Philadelphia.

The time of the match race between Directum 1, 1.56 1/4, and Peter Stevens, 2.03 1/4, still stands, as he was started to beat 2.03.

As far as fast records are concerned, this season promises to be the greatest for three year olds in trotting history.

Aubreeon, 2.17 1/4, is now the property of Oliver Renaud, of Montreal, he having recently bought the mare from Bert E. Sheldon, of Malone, N. Y.

Colorado Belle beat Samoor in the Turkey Trot for three year old trotters at Lexington last week. The best time was 2.19 1/4. The purse was \$3,000.

Surge, a trotting stallion owned by N. Pratt, of Vernon, N. Y., dropped dead during a race at Rome, N. Y., not long ago. A bursted blood vessel was the cause of death.

Peter Scott captured the Walnut Hall \$3,000 stake and cup at Lexington on Monday, taking the last three heats in a four heat contest. Peter Scott's best time was 2.05 1/4.

Oakley H. is now the property of Charlie Chandler, he having bought him the other day from Owen Trainer. Oakley is said to have been quarters in 30 seconds.

Earl Jr. captured the 2.05 pace at Lexington this week, beating out Our Colonel. R. H. Brett, Fred Russell and other good ones. The best time was 2.04.

Napoleon Direct got away with the \$3,000 Tennessee Stake at Lexington last week, with Peter Stevens second and Walter Cochato third. Napoleon Direct raced the last heat in 2.01 1/4, which is a world's record for the fifth heat in a five heat pacing race.

In the third heat of the free-for-all at St. John the other day while going round the first turn Slippery Bill fell, and in doing so fell on Car Ferry's wheel, smashing it, while the driver of Bill was thrown into the ditch. Fortunately the drivers of the horses were uninjured, but Slippery Bill received such a bad cut on the right fore leg that he had to be drawn from the race.

JOHN BROWN owns a prosperous grocery store in a thriving Canadian town. He is a live merchant and attributes much of his success to his novel method of creating interest in his store.

Recently he took several lines of his regular goods put them under cover in boxes and barrels, and wrote the name of each article on the outside. Only he mixed up the letters in each name so that instead of spelling the right name of the article, it spelled something different altogether.

For instance, he put "Raisins" under a cover in a box and wrote "Raisins" but he jumbled the letters in the words "Raisins" until they read "S! Rains." Then he rubbed the word apples off the apple barrel, and jumbled the letters in that name until they read "Pie Pa," so you see on barrel 11.

Fourteen lines of goods in Mr. Brown's store were displayed this way, and a prize was given to any customer who could place an order for all fourteen and tell the number of the box each was in. Little Mary went to Brown's store to make her purchases, guessed all the names correctly and won the prize. Can you do as well?

Two of the names are already given to you to start you right. What are the other twelve?

FEW HINTS.—The goods mentioned under each of the fourteen numbers, are staple lines such as are to be found in every grocery store and in regular use in every home. No regular name of each product or article. A good plan is to write down the names of all the things usually found in a grocery store and use the list as your guide. Be careful, because Mr. Brown was clever, and sometimes he made two or three words, and even more out of a name. The judges will award the prizes in this contest, according to the points gained by each entry, and we will fully advise you of the method, when your answer is received. For instance, 60 points can be gained by sending a correct answer to each of the twelve names you can guess, you qualify, 40 points additional can be gained. Take lots of time to puzzle out your answer, be neat and careful, and you can win a good prize.

THE OBJECT OF THE CONTEST.—Every loyal Canadian will approve of the object of this great contest. Frankly, it is to advertise and introduce EVERYWOMAN'S WORLD, Canada's greatest magazine, to hundreds of new homes, which should know that a magazine of such excellence and real worth is being published right here in Canada by Canadians for Canadians. You can help us to do this, when you enter the contest, but you do not have to be a subscriber nor are you asked or expected to take the magazine or spend a single penny in order to compete in this contest.

EVERYWOMAN'S WORLD is now the established favorite in more than 80,000 of Canada's best homes. Though it is the greatest circulation ever attained by any Canadian magazine, it doesn't satisfy us. Our motto is "Everywoman's World in Everywoman's Home." Hundreds of Canadian homes which may not know it now, will welcome this handsome, interesting, up-to-the-minute magazine, and once it is introduced they will want it every month.

If, therefore, when your answers are received, we find them to have gained sufficient points to merit standing for the judging and awarding of prizes, we will write and tell you so, and send without cost, a sample copy of the latest issue of this greatest of Canada's magazines. Then, in order to qualify your entry, we will ask you to do us the small favor of introducing it to three or four friends and neighbors. We will even send you sample copies to leave with each of your friends, if you will tell us they would like to have them. State your willingness to accord this favor when you submit your answers. The company agrees to pay you in cash, or reward you with a handsome gift for your trouble, entirely in addition to any prize your answers may win in the contest.

Follow These Simple Rules Governing Entry to the Contest

Write your answers on one side of the awarded for each correct answer, also send paper only, and put your name, stating Mr. name, handwriting, punctuation, and fulling 21c, and with the name of the contest. "Orange Lily"—the woman's friend—will transform your life!

If you are of that numberless host of women who silently suffer untold distress and agonizing pains caused by obstinate and long-standing disorders of an internal nature, let me make you this free and open promise—"Orange Lily" will transform your life!

I know the symptoms as well as yourself, for I consulted for years before the discovery of "Orange Lily" home treatment. Now that I am entirely and forever free of the almost unendurable distress and pain of former years, I am only too glad to help others. "Orange Lily" is a local treatment that you apply yourself, without help, in your own home. A few days will work wonders and, like hundreds of others, you'll thank me for making known the good news to you.

Write me to-day and let me send you ten days' treatment of "Orange Lily"—absolutely free. It may save you from fatal complications later. When you are free from present troubles just tell others, they will all ask. Address in full confidence Mrs. Frances E. Currah, Windsor, Ont. 12

ORANGE LILY

PALE, FEEBLE, GIRLS

WEAKNESS GENERALLY COMES ON AS WOMANHOOD APPROACHES

Girls upon the threshold of womanhood often drift into a decline in spite of all care and attention. How often one sees girls who have been strong and lively become suddenly weak, depressed, irritable and listless. It is the dawn of womanhood—a crisis in the life of every girl. Prompt measures should be taken to keep the blood pure and rich with the red tint of health. If the blood is not healthy at this critical stage the body is weakened and grave disorders follow. Dr. Williams' Pink Pills have saved thousands of young girls from what might have been life-long invalidism, or an early death. They are a blood-builder of unequalled richness, strengthening week nerves and producing a liberal supply of red, healthy blood which every girl needs to sustain her strength. Dr. Williams' Pink Pills have proved their great value over and over again to young women whose health was failing. Miss Minnie Duffield, Eramosa, Ont., says:—"It gives me great pleasure to tell you what Dr. Williams' Pink Pills have done for me. When I was approaching the age of womanhood I suffered greatly from bloodlessness, or anaemia. My work was a drag to me, I had no appetite and never felt rested in the mornings. I could scarcely walk for five minutes at a time without taking a rest. I was troubled with severe headaches, and things looked gloomy indeed. I doctored for a long time and got but little, if any, benefit. I was advised to try Dr. Williams' Pink Pills, and did so and after taking them for a time felt better. I continued taking the Pills until I had used six boxes, when I felt like a new person, and was again enjoying the great value over and over again to young women whose health was failing.
