He had not entered her mind at the inquest. But if he had, she knew her course would have been unchanged. She could not ask Don to forgive her. She had lied to protect her lover while married to Don. And that was something that could never be explained to him or to his mother. No, she had come rather suddenly to the end.

"I'd rather you didn't come in," she said, "although I do appreciate your bringing me... 'If you're sure there is nothing I can do I'm going right back.' As he took her hand he whispered, 'Remember, I shall be waiting to hear from you.'"

Abney and Vicinity

The semi-annual examination of Albany School at Albany on Friday, Dec. 23rd. The room was artistically decorated for the occasion. The majority of the rate-payers of the district were present, also several visitors from adjoining districts. The pupils were examined in the several branches of school work by their teacher, Miss Hilda Ackland, and showed by their ready and accurate answers, that the teacher had been true to the trust reposed in her by the people of Albany district, and had given unsatisfactorily at her time and talent to the children. It had been hoped that Miss Ramsay, of North Tryon School could have been present to assist in the examination, but as this was impossible, Miss Ackland was forced to carry on alone, which she did with great credit to herself and pupils.

Their little clothes must be changed constantly

Children have such pretty clothes today... how do mothers do it! An active child can soil two dresses a day without half trying, and as for boys! But wise mothers know that Jane's dress and Johnny's rompers can make their frequent trips to the tub, UN-DAMAGED—if Surprise Soap goes too.

A Babe in the House is a Well-spring of Pleasure

St. Catharines, Ont.—"During Motherhood I was all rindown, nervous and blue. When, upon advice, I began taking Dr. Pierce's Little Blue Pills, my nerves quieted and I had no more trouble. I kept well and had a fine, big healthy baby. He has scarcely had a day's sickness. Prescription was so helpful to me that I believe it is the only medicine for the expectant mother to take." I go to the drug store at once and obtain a box of Dr. Pierce's Little Blue Pills or send 10c to Dr. Pierce's Laboratory in Bridgeburg, Ont., for a trial package of pills.

WIFE TO BED

Suffered So She Could Not Walk. Restored to Health by Lydia E. Pinkham's Vegetable Compound

Minesing, Ontario.—"I am a practical nurse and I recommend Lydia E. Pinkham's Vegetable Compound to suffering women. For three months I was almost helpless and could not sit at the table long enough to drink a cup of tea. Many a time my husband carried me to bed, I would be so weak. Then he read in the paper of a woman suffering as I did who got better after taking the Vegetable Compound, so he went and got it for me. When I had taken three bottles I was just like a new woman and have had splendid health ever since. When I feel any bearing-down pains I always take it, sometimes a half bottle or whatever I need. It is my only medicine and I have told many a one about it. Any one wanting to know more about Lydia E. Pinkham's Vegetable Compound, I will gladly write to her. I do all I can to recommend it for I feel I owe my life and strength to it."—Mrs. NEAL BEWSEY, R. R. 1, Minesing, Ontario.
