The "New Century" Washing Machine  
 Style "B"

Patented 1898 and 1907.

THIS machine admits of a degree of action that insures the best results and the least injury to delicate fabrics. It runs so easy, being mounted on Ball Bearings and having strong Spiral Springs that reverse the motion and give impetus to each rotation, very little effort is necessary to work it, so that children and delicate women, who would otherwise be quite unable to do so, may, by following directions, get the washing out of the way quickly and with little or no fatigue.

It has a wringer stand too, not the rickety old kind, with vexatious fixtures—but a convenient, strong, rigid attachment, always in position, never in the way, and allows the water to drain directly into the tub.

This excellent device is attachable to any "New Century" Machine.

The experience of upwards of twenty-five years is represented in the construction of this machine.

The best dealers carry them. The best people buy them

One day a friend advised me to try Gin Pills, so I did, and after taking only one box of them, I felt like a new man. I thought I would write you a few lines to let you know how thankful I am for the relief they gave me, and would advise all sufferers from Rheumatism to try them."

21 Givens St., Toronto, June 20, 1909.  
 Dear Sirs,

I was a sufferer for about two years with eczema on the legs and ankles. I tried three or four different doctors and none of them did me any good. I then went to a skin specialist and he was no better, and I happened to see your ad. I am now reading the "Sunday World" very thankful that I did. I sent for a sample bottle and it did me so much good I sent for a \$1.00 bottle, also a cake of soap. That is all I used and I am perfectly well, and I don't think it will return. I have advised several others to use it and the results have been the same."

(Signed) J. W. CORNS.

To many people an old shoe is nothing but an eyesore.

MACON, Ga., Nov 10—Walter Hyde, aged 28 of Brooklyn, an attaché of the Barnum and Bailey shows, was killed yesterday and placed on the track of the Southern Railway near Central City Park, according to Coroner Young. His decapitated body was found on the track with the left leg severed.

**SIGNALS OF DISTRESS**

Sick kidneys give many signals of distress. The secretions are dark, contain a sediment. Passages are frequent, scanty, painful. Backache is constant day and night. Headache and dizzy spells are frequent.

The weakened kidneys need quick help. Don't delay! Use a special kidney remedy.

Booth's Kidney Pills cure sick kidneys, backache, and urinary disorders. Charlottetown evidence proves this statement.

Mrs. Kate McCarthy of 128 Hillsborough St., Charlottetown, P.E.I., says:

"I am very much pleased to recommend Booth's Kidney Pills as they cured me after all other remedies I had tried, failed. I had been troubled for months with a very weak and sore back and at times I could hardly straighten myself up. My stomach also was very weak and dizzy spells and I would become completely prostrated. Through an advertisement I learned of Booth's Kidney Pills and procured a box at Geo. E. Hughes' Apothecaries Hall. I have only used one box and feel like a different being with no signs of my trouble returning. My back is as strong as ever and I feel better generally. I will always have a good word for Booth's Kidney Pills in return for what they have done for me."

Sold by all dealers. Price 50cents. The R. T. Booth Co., Ltd., Fort Erie, Ont., Sole Agents.
