What's Wrong With Your Eyes?

Do you suffer from headache? Do your eyes tire? It is a signal of overwork. Perhaps, unconsciously, you strain your eyes. Good eyesight is not always strainless sight. Eye strain with good vision is a most common and dangerous form of eye trouble.

Don't tamper with the precious gift of eyesight. Heed Nature's call for help. Have your eyes examined. What you need is proper glasses. They work wonders for the eyes and usually tone up the whole physical system.

We have all the facilities for testing the eyes and fitting glasses.

Why not see us about it tomorrow?

CLEANLINESS IS HEALTH

By the use of Gillett's Lye, house cleaning is made a pleasure instead of a drudgery. It softens the water and cleans thoroughly whether the dirt is visible or invisible. Destroys all bacteria and infectious germs, removes obstructions from drain pipes, closets, sinks, etc. Refrigerators are made delightfully fresh and clean by using one teaspoonful of Gillett's Lye dissolved in two gallons of water.

A PAIR OF SPURS

Did you ever feel discouraged and think you'd quit the game? From somewhere, came a friendly hand and someone spoke your name—

When he asked about your business you answered kind of blue, He never seemed to notice; said "of course you w'll pull through!"

Did you ever feel elated and think the world looked good, And someone came from somewhere near and right before you stood—

When he asked about your business and learned you'd gone ahead He smiled a rather doubtful smile "You can't pull through," he said.

Each one a spur—and both a pair Incantations to work; They kept the balance perfectly No man could be a shirk!

CARBON!

Rid System of Clogged-up Waste and Poisons with "Cascarets."

Like carbon clogs and chokes a motor, so the excess bile in liver, and the constipated waste in the bowels, produce foggy brains, headache, sour, acid stomach, indigestion, sallow skin, sleepless nights, and bad colds.

Let gentle, harmless "Cascarets" rid the system of the toxins, acids, gases, and poisons which are keeping you upset.

Take Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced. Cascarets never gripe, sicken, or cause inconvenience. They work while you sleep. A box of Cascarets costs so little too.

FROST HITS APPLES IN ANAPOLIS VALLEY; SCARCITY OF BARRELS

HALIFAX, N.S., Oct. 31.—Reports from the Annapolis Valley say that frost has greatly damaged apples on the trees, the loss exceeding several hundred thousand dollars. There is a scarcity of barrels and fruit companies are contemplating stowing quantities of apples in bins until barrels are available. Large quantities of vegetables, such as squash and pumpkins, are left lying on the ground for want of barrels, boxes or bags.
