THE EASTERN GUARDIAN

...IT PAYS to buy in this Province.

...T. GORDON IVES is Guardian agent in Montague. His office phone is 18 and residence phone 20.

...THE MORNING DAILY Guardian can be obtained at W. A. Johnston's, Montague.

...GUARDIAN AGENT.—Mr. Harry W. Burke is Guardian Agent in Fort-tune and he will be glad to receive news, news and renewal subscriptions and advertising. 3217.

...SUBSCRIBERS should renew a week or two before the time they have paid for has expired and thus not miss an issue, as all papers are discontinued promptly on expired date.

...SATISFACTORY SERVICE.—The Rural Mail Delivery is giving grand satisfaction in Forest Hill. The genial and good-hearted courier, Mr. Webster Van Iderstine, is the right man in the right place. His cheery whistle as he comes and goes on his way, in all kinds of weather, would gladden the heart of anyone.

...FREQUENTLY has the writer seen challenges to "beat that Who can?" Lately there was seen in the press the challenge to beat, in speed the mail carrier of a certain village in Queens County, who has performed the feat of travelling and delivering the mail over twenty miles of road in two and one-half hours—or a little less. Morell can do that. The writer has seen the genial mail carrier—Mr. Thompson—leave Morell on his route of sixteen miles and return in a little more than one and one-half hours. Mr. Thompson's promptness to duty has truly justified the convenience that the government has given the rural population in establishing the daily delivery system.

...GOOD CONCERT.—Quite the most brilliant affair witnessed in Morell Hall during late years was the concert given by the pupils of Morell East school, assisted by local talent.

Although tiny tots did a great deal of the acting, the program was carried through without a hitch, on account of careful preparation. One of the numbers was a "Rainbow Drill" and another a drill, "The Death of the Flowers." All through the former the stage was a glittering world of golden stars of the seven rainbow colors, the little ones as they performed the many intricate movements being highly applauded; in the latter six little girls represented different flowers, and each was covered with her emblematic garland, the pretty movements being accompanied with sweet song and verse. Groups of children were seen in equally brilliant effects in a patriotic march and chorus, and also in a purely motion drill and march, illustrating "Maud Muller" and "The Judge." Duets by little Neil and Marjorie Robins, Mr. and Mrs. Hopper, Mr. and Mrs. Webster and a solo by Mr. Hooper delighted the audience. A new feature a clever little dance was gracefully performed by two children John and Maud Hughes. The beauty and mirth of innocent childhood was pleasingly shown forth in a little dialogue by Leo and Mable Hughes—two tots. Carefully voiced and acted readings were given by two children, Maud Hughes and Charles McDougall; also one by Miss Hughes. The above members, with several others, furnished a splendid entertainment, which showed the ability of the little performers, and the thoroughness of their training. At the end of the entertainment Mr. H. D. McEwen, the chairman, on behalf of the people of Morell East tendered a vote of thanks to all who had assisted in making the concert the success it was, and especially to Mr. F. Anderson for his painstaking work in training the children.

...MEETING.—Tomorrow evening the 30th inst., at the regular meeting of Branch 261, C.M.B.A., in St. Mary's hall, Souris, Rev. Dr. Gillis, P.F., Fairfield, will be present to deliver an address on an interesting and important subject. The doors will be open to the public at 8 o'clock. Admission free.

...WATCH NIGHT SERVICE.—At the Methodist Church in Souris the good old custom of watching the old year out and the new year in will be observed. The "watch-night" service will last from 11 p. m., till midnight on Thursday, Rev. E. E. Styles will conduct the service, and Rev. D. MacKintosh of the Presbyterian Church will give the address.

...EXAMINATION.—The teacher, Miss Sinnott, of Morell, held her Xmas examination in Forest Hill school house, Dec. 23rd. Quite a number of visitors were present and both children and parents were liberally treated to confectionery of all kinds by the teacher and all present spoke of the good work done during the year. The former teacher, Miss McSwain, helped examine the school.

...GASPEREAUX.—The semi-annual examination of Gasperaux school was held on Tuesday the 23rd inst. Quite a number of the ratepayers were present and also a few ladies. The pupils were examined in the various branches by Mrs. Horatio Graham, Gasperaux, and Mr. Harry J. Dunn, student of the Prince of Wales College. By their bright faces and ready answers the scholars showed evidence of careful teaching. After the examination was over speeches were made by Messrs. W. B. Graham, A. J. Jackson, D. N. Steele and Mrs. N. Graham. Everyone expressed their satisfaction with the work being done by the present teacher, Mr. W. F. Dunn, and they also hoped that he would stay with them for many years. Mr. Dunn took this school in August. It was then in a very backward condition, and great credit is due him for his present high standard to which he has brought it.

...WEDDING BELLS.—The wedding bells of Winnipeg were set a-tinging when Miss Laura Houston became the wife of Mr. James W. Wilson. The ceremony was solemnized on Thursday, the 11th, at 8.30 p. m. the Rev. Dr. Christie, of Winnipeg, officiating. The happy couple were then escorted from the Manse to the home of Mr. Whyte by Mr. Whyte and his sister, Miss Whyte, where a most sumptuous wedding supper was served. The bride, who is one of Montague's young ladies, looked more than charming in her travelling suit of blue serge with white beaver hat trimmed with beautiful willow plumes. The bridegroom is a very popular young gentleman of the Western cities and is well known in the real estate circles of Winnipeg. After being entertained by the bridegroom's friends. Mr. Wilson and bride left for Eastern Canada visiting all the principal cities. Mrs. Wilson will receive her friends at her father's home soon after her arrival. She will be dressed in white silk trimmed in tunic effect with inlaid pearls and white kid slippers. Her friends extend the best wishes to Mr. and Mrs. Wilson for a prosperous journey through life. Miss Houston is the daughter of Mr. and Mrs. E. Houston, Montague, P.E.I.

(From Saturday's Evening Guardian) ...MORELL.—The semi-annual examination of Morell East School took place on Tuesday afternoon. The school walls arranged in evergreens and berries, and the ceiling festooned with paper decorations, gave the room a most inviting appearance—an appearance in keeping with the Christmas season. A large number of parents were present; who, by their deep interest in school matters, added a great deal to the examination. Parents who had before occupied the teacher's chair, assisted by the teacher, Fulton Anderson, examined the pupils; who, by their ready answers, reflected their ability and knowledge of the different subjects. During the course of the program which was rendered by the pupils, one of the school girls Gladys Robins, gave the teacher a gift from the school. Later on Mr. F. Ryan, on behalf of the parents, with a few kind words, presented Mr. Anderson with a crisp bank note, in recognition of his work. In a brief answer, the teacher showed his thankfulness for their gifts and his deep appreciation for the keen interest taken by the ratepayers in the welfare of the school. After all had been treated to fruit and confectionary, a chorus by the children ended a most enjoyable and instructive afternoon's meeting.

HAS a Savings Account been of any real benefit to you? What we mean to ask is whether or not you have so used your opportunity that you are now a better and richer man for having started a savings account. Have you saved and placed money in sound securities, paying regular interest, and thus supplementing your own earnings?

Depositors of this Company are encouraged to invest their savings safely in bonds, debentures and mortgages where the interest earned will be larger than paid by savings departments, and where the temptation will not be nearly so great to draw money and sound it foolishly.

If you really want to be better off in a year than you are today, come here with your funds and we will advise you with regard to investing it, even if the amount does not exceed \$100. We will suggest municipal bonds or mortgages as each is best suited to your requirements.

LARKIN'S DEFIANCE OF UNITED STATES GOVERNMENT.

DUBLIN, December 27.—James Larkin, the labor leader, it is said, will start for the United States next week. Larkin, however, declines to say whether he is going or not. When it was suggested today to Larkin that the American authorities might exclude him, he said: "If I wanted to enter the United States all the governments you ever heard of could not keep me out."

"17 Cents a Day" Offer Stirs All Canada!

The Whole Country Applauds the "Penny Purchase" Plan

From a thousand different directions comes a mighty chorus of approval, voicing the popularity of The Oliver Typewriter "17 Cents a Day" Purchase Plan. The liberal terms of this offer bring the benefits of the best modern typewriter within easy reach of all. The simple, convenient "Penny Plan" has assumed international proportions. It opened the floodgates of demand and has almost engulfed us with orders. Individuals, firms and corporations—all classes of people—are taking advantage of the attractive plan and endorsing the great ideal which led us to take this radical step. To make typewriting the universal medium of written communication!

Speeds Universal Typewriting
The trend of events is toward the general adoption of beautiful, legible, speedy typewriting in place of slow, abominable, illegible handwriting.

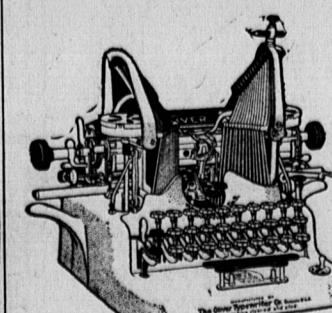

The great business interests are a unit in using typewriters.

It is just as important to the general public to substitute typewriting for "long hand" for every private citizen's personal affairs as his business.

Our popular "Penny Plan" speeds the day of Universal Typewriting.

A Mechanical Marvel
The Oliver Typewriter is unlike all others. With several hundred less parts than ordinary typewriters, its efficiency is proportionately greater.

Add to such basic advantages the many time-saving conveniences found only on The Oliver

BIG OFFER FOR BASEBALL STAR some stock, on which I now have an option, and if arrangements can be made I will take it the same as Chance did. He was given ten shares and paid for it out of his dividends. If Tinker signs with the federals he may be enjoined by Charles Ebbetts, of Brooklyn, according to Charles W. Murphy, president of the Chicago club. Murphy said today that the reserve clause in a player's contract would be made the basis of an injunction suit that will prohibit the players being used by the federal ball. They have offered me league.
