Man And Wife Fatten on Grape-Nuts.

The motion that meat is necessary for real strength and the foundation of solid flesh is now no longer as prevalent as formerly.

Excessive meat eaters are usually sluggish a part of the time because they are not able to fully digest their food, and the undigested portion is changed into what is practically a kind of poison that acts upon the blood and nerves, thus getting all through the system.

"I was a heavy meat cater," writes a Western man, "and up to two years ago, was in very poor health. I suffered with indigestion so that I only weighed 95 pounds.

"Then I heard about Grape-Nuts food and decided to try it. My wife laughed at me at first, but when I gained to 125 pounds and felt so fine, she thought she would eat Grape-Nuts too. "Now she is fat and well and has gained 40 pounds. We never have indigestion any more and seldom feel the desire for meat.

A neighbor of ours, 68 years old, was troubled with indigestion for years, and was a heavy meat eater. Now since he has been eating Grape-Nuts regularly, he says he is well and never has indigestion.

I could name a lot of persons who have rid themselves of indigestion by changing from a heavy meat diet to Grape-Nuts." "There's a Reason." Name given by Canadian Postum Co, Windsor, Ont. Read the little book, "The Road to Wellville," in pkgs.

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

THE NEW grandstand at the Abegweit grounds is nearing completion. Help the boys pay for it by attending the sports and baseball game July 1st.

The baseball game Dominion Day is exciting much comment among the fans. The Wanderers will be represented by a very strong and aggressive aggregation. The Abbies are getting in some hard practice for the contest.

CRICKET

DOMINION DAY FIXTURE

As previously mentioned in the Guardian two dozen enthusiasts have pledged themselves to an all-day's cricket on Dominion Day, and there can be no doubt that the eight hours spell at the game that they will thus have will afford them more practical good than could be expected from say a month's twilight play at the nets with an occasional scratch game thrown in. Altogether, and apart from this, of course, is the day's pleasure that the outing for the holiday should provide. The sides will be arranged as evenly as possible from the following players: Prof. Watkis (Capt.) Messrs G. F. Hutcheson, Ernest Heartz, F. A. D'Ornellas, J. G. Gass, Dr. H. D. Johnson, A. E. Tomlins, E. Rice, G. Fitzgerald, R. Chandler, F. R. McDonald, Walker, H. T. Miller, F. R. Heartz, J. Sterns W. Dewar, G. H. Buntain, H. J. Tidmarsh, W. Tidmarsh, G. Nicholson, Chas Toombs, M. Stevenson, C. B. Murley, W. J. Coyle.

At Victoria Park on Saturday afternoon a cricket match was played in which unusual interest—and some diversion too—was imparted by reason of the fact that the competing teams were largely composed of the youthful element. It was amusing to a degree, yet a pleasing spectacle, to see little chaps of barely eight or nine years old, all padded and protected, standing up manfully and wielding bats nearly their own height. It is satisfactory to note that many of them showed marked aptitude in the game, which was played with an enthusiasm that made it all the more interesting. The result will be seen from the details of the scores which are given below:—

Mr. A. W. Weeks and Mrs. Alley won from Dr. Alley and Mrs. Stewart 7 up. A large number of visitors were present and a very dainty tea was served by Mrs. W. W. Clark and Mrs. Arthur Peake. In the continuation of the mixed foursome match on Wednesday Mr. Clark and Miss Haszard play against Mr. Stewart and Miss Haviland, Mr. Pope and Miss Bremner against Mr, Rogers and Miss Pope, Mr. Weeks and Mrs. Alley drew the bye.

CENTRAL GUARDIAN

THE EXPRESS.—The express arrived in Charlottetown Saturday night at 11.55.

CRICKET TODAY.—There will be cricket today at Victoria Park for the members of the Phoenix C. C., commencing at 2.30 p. m.

C. M. B. A. PARADE.—The annual church parade of the C. M. B. A., Charlottetown, took place to the Pro-Cathedral yesterday where an excellent sermon, appropriate to the occasion, was preached by Rev. P. D. McGuigan, after which Benediction of the Blessed Sacrament was celebrated by Rev. Dr. G. J. McLellan. The parade then reformed and, headed by the League of the Cross Band, marched through the principal streets. In the morning the society received Holy Communion in a body.

TANGIBLE APPRECIATION.— In the household science building this morning, says a Moncton exchange, Mr. Tuplin, a well-known fox rancher, of P. E. Island, was so taken with the work that he presented each pupil in Grade seven (Miss Lawson's) room with a crisp one dollar bill, while he presented Miss Swanson, the Household Science teacher, with a $5 bill. Mr. Tuplin was much taken also by the boys in the Manual Training Department.

CANADIANIZED.— The United States oyster dredge, Hattie J., which arrived here a few days ago for the McNutt Malpeque Oyster Company, was on Saturday duly received into the Canadian sisterhood, re-registered under Canadian law and re-christened "The Malpeque." Under her new name and flying the Canadian flag she was given a trial spin in the harbor and up the West River when, through the kindness of Mr. J. O. Johnson, the oyster expert, of the company, and Mrs. Johnson, a number of citizens including Premier and Mrs. Mathieson, United States Consul and Mrs. Frost, Lieutenant Colonel and Mrs. Peake, Mr. and Mrs. A. A. Alley, Mr. and Mrs. W. E. Bentley and several others enjoyed an exceedingly pleasant outing, with luncheon ashore at Westville. The outing, together with the accompanying demonstration of the boat's capabilities for her special work, the dainty luncheon, the pleasant intercourse and the inevitable stunts which form part of every well conducted outing, were thoroughly enjoyed by all and general regret was expressed that the genial host and hostess, Mr. and Mrs. Johnson, were so soon to take their departure. They leave for Malpeque to-day after having made many friends in Charlottetown.

PERSONALS

Murdock Graham, was in Charlottetown Saturday.

Mr L. H. Beer arrived in Charlottetown Saturday night from Toronto.

Mr. Stewart Ross of the Quebec Bank, Montreal, left Thursday on return to his home after spending a week with friends in Charlottetown.

Mr. Austin Walker accountant of the Bank of Nova Scotia, Sydney, arrived in Charlottetown Saturday night on a visit to his parents.

Mr. Walter Smith, of the Telephone Co., Summerside, spent the week end in Charlottetown the guest of his parents.

Mrs H. J. Radcliff of Boston, formerly of this province is here spending the summer, the guest of her parents, Mr. and Mrs J. D. Morrison of Mt. Vernon.

The following were outward passengers from this city Saturday. His Lordship Bishop O'Leary, Miss Allie Muirhead, Miss Amy Lowe, to Summerside. Mrs. Watson, to Halifax, Mr. Joseph Maloney, to Pictou, Mr. and Mrs. Lewis, to Stellarton, Mr. and Mrs. H. Nelson, to Summerside.

Mr. Fred. C. Clark, of the firm of Messrs. Lea & Clark, Victoria, leaves on Monday morning for Winnipeg, Brandon, Regina and Edmonton Agricultural Exhibitions with a carload of Holstein cattle, sixteen in all. They have been sold to Mr. Herbert Logan of Edmonton, and have been bred by Messrs. Lea & Clark. One of the animals was sold for $650, which is the largest amount paid for any Island bred cow calf. Mr. Fred. C. Clark, Victoria, has sold his Clydesdale Lebora Again to Mr. Herbert Logan, Edmonton, for a handsome sum. It will go with the cattle on Monday. These are the first sales of Messrs. Lea & Clark's stock for the West, and it is hoped it will be followed by many more. Mr. Clark states that the popularity of Island milk cattle with dairymen throughout Canada is on the increase, the demand and prices being greatly enhanced.

Paris Doctor Says

Dandruff, Falling Hair are caused by a Microbe—Dr. Sangerbond proves it'

Dr. Sangerbond is the leading dermatologist of France.

To prove his theory that germs cause dandruff, he infected a guinea pig with these microbes and in a short time the hair from the animal's body disappeared.

Parisian Sage, which can now be obtained all over Canada, has an immense sale and is highly recommended by physicians in all parts of the world.

It is just because it is the only prescription or hair tonic that is absolutely sure to kill the dandruff germ.

It is guaranteed to cure dandruff, stop falling hair or itching scalp in two weeks or money back.

In warm weather it keeps the scalp clean and cool and free from obnoxious odors. Parisian Sage is a pleasant and dainty hair dressing that will put a bewitching charm and lustre into faded and lifeless hair in one week. It is distressing for any woman to have dull, unattractive hair and women so unfortunate should use Parisian Sage.

Parisian Sage comes in large 50-cent bottles at Geo. E. Hughes and is sold by leading druggists everywhere. "The Girl with the Auburn Hair" is on every bottle

RECORD SALES IN "CLASSY" CARRIAGES.

A. Horne & Co., Enjoying Good Business. A New Warehouse Now Being Erected.

Some time ago when the firm of A. Horne & Co., Kent St., made estimates for this year's line of carriages they expected to have an unusually big season and placed orders for the biggest display of carriages they had ever shown.

Their sales have been even greater than their most sanguine anticipations could warrant.

Only a short time ago—just about the start of the carriage season— a representative of The Guardian was shown through their show rooms where were set up samples from the four leading Canadian factories, which this firm represents—the Canada, McLaughlin, Tudhope and Dominion lines. There were fifty samples set up on the flour of the main show-room two floors above were filled with crates, and two other warehouses were filled to capacity. Yesterday morning the same representative was taken over the same route and of the wonderfully large stock exhibited before only a very few unsold carriages remained, and a member of the firm stated that a special order of four extra carloads was being rushed through and should be ready for delivery early in July.

This speaks volumes for the genuine worth and popularity of the lines handled by A. Horne & Co.; speaks eloquently, also, for the manner in which the buyers for this firm can judge and anticipate popular tastes; and it also shows the fine discrimination and good taste of Island farmers for the majority of carriages sold were of the highest type and are leaders in the lines they represent.

A NEW WAREHOUSE.

To meet the demands of the ever-increasing carriage trade A. Horne & Co., are now erecting a three-floor warehouse that adjoins the big warehouse at the rear of the Kent St. property and runs north direct to Fitzroy. The contract for this warehouse has been let to Edward Chappelle, of Marshfield, and the work is fast progressing. Each of the three floors is made easily accessible by means of the latest type heavy-draft elevator. Each story will have double floors, many windows and the latest in lighting contrivances, sky-lights, etc, so that the prospective purchaser may see each of the carriages in just the right light. Carriages only will be stored in this new warehouse.

It is indeed a credit to the Province of Prince Edward Island that the standard for horses and vehicles, both for pleasure and commercial uses, is so high. It would be very hard indeed to find a place where the average horse used for pleasure purposes is so stylish and speedy as in P. E. Island or a place where better taste is used in selecting carriages for both business and pleasure.

With the erection of this new warehouse for A. Horne & Co., driving will take another step forward for horsemen will be able to secure even a better range and a wider selection of good carriages—this brought about by the firm's improved facilities for handling a large and representative showing of the best in Canadian carriages.
