SEED OATS SHORTAGE

As there is a serious shortage of seed oats in the province, we feel we are forced to make a thorough investigation of the problem in order to ascertain the amount of grain needed to supply the farmers. We are asking all Women's Institutes, Farmers' Clubs, Credit Unions, Study Clubs and all public organizations throughout the province to gather from their members and non-members as well, their requirements, giving names, post office address, the amount of oats needed, and their nearest railway station.

We wish it thoroughly understood that the government is not giving out this grain promiscuously, but it will be given out in such a way that the government will be insured against loss; so that we ask everyone who possibly can to have money on hand to pay for this grain.

We do not wish any delay in regard to this matter, as it may be necessary to obtain a number of cars from outside this province. This is, so that we may have an intelligent idea of how much grain is required to satisfy the needs. This information is for the seed merchants as well as for the government so that we may jointly handle the situation.

Under the circumstances, we would strongly urge all farmers to obtain their seed at the earliest possible moment, as we greatly feel there may be undue shortage in this province.

Stock Prices Tumble After Early Rally

MONTREAL, March 17—(CP)—Prices tumbled to a score of new low levels on the Montreal Stock Exchange today after a promising start had lifted prices as much as a point. The depression deepened as the closing hour approached.

Construction issues felt the brunt of the attack. Foundation dropped a couple of points to a new low at 9. Dominion Bridge eased 1 1-4 to a new low at 26. Canadian Cements issues and Hamilton Bridge also found new low levels.

In the miscellaneous section there were new lows for Dominion Tar, Canadian Celanese, Gypsum and Massey-Harris. Canadian Car and Foundry issues touched new low ground and so did National Steel Car, off two points at 35.

St. Lawrence Paper Preferred slid three points to a new low at 30. Price Brothers Preferred found a new low at 41, off two. Bathurst and Donnacona "A" also reached new lows. Metals sold off narrowly.

Total sales: Industrials 56,300; mines 250,800; bonds $850.

New York Mart Closes After After Rally

(By Frederick Gardner, Associated Press Financial Writer)

NEW YORK, March 17—(AP)—Early rallying tendencies faded from the stock market today and forenoon gains running to 2 or more points among leading industrials were reduced or transformed into losses in the majority of cases at the close.

Transfers totalled 642,370 shares compared with 1,023,500 on Wednesday's relapse. The Associated Press average of 60 issues was off .5 of a point at 41.7.

Backwardness of the rails was a depressing influence throughout. The composite for this group, for the first time in its lengthy slide, broke to a new low since 1932. Utilities also hit bottom since 1935.

Canadian issues were down. Dome dropped 3 3-8 points to 47 5-8, Lake Shore 2 3-4 to 47 1-4, McIntyre 1 1-4 to 36, Imperial Oil 1 1-2 to 71-2, Industrial Alcohol 1 1-4 to 2 and Bell Telephone a point to 161. Minor declines were listed by Distillers-Seagrams, Dominion Stores, Marconi, Imperial Tobacco and Massey Harris. International Nickel and Walkers were steady.

GRAIN

WINNIPEG, March 17—(CP)—Light offerings in late trading on Winnipeg grain exchange today materially aided wheat futures' comeback from two-cent low points. Overseas, mills and short-covering orders left prices unchanged to 3-4 cent down, May $1.18 1-2, July $1.10 3-8-1-2, and October 92 7-8 cents.

Failure of livestock to respond to price advances in North American markets yesterday and a let-up in war scare talk were chief bearish influences at the start.

Nos. 2 and 3 northern cash wheat were fractionally improved in quiet trading. Coarse grains closed oats 1-8-1-4 lower, barley 1-4 lower to 1-8 higher; flax unchanged and rye 1 1-8-1 1-4 cents lower.

CHICAGO, March 17 —(AP)—Despite late rallies, Chicago wheat prices today failed to recover fully from earlier material setbacks that resulted from a let-up in war scare talk.

Dust storm reports from domestic winter crop areas southwest were largely responsible for wheat price rallies. General buying demand in the wheat pit, however, was unaggressive awaiting the United States government crop report due tomorrow.

At the close, Chicago wheat futures were 1-2 to 1 cent under yesterday's finish, May 87-87 1-8, July 84 1-2 to 3-8, corn unchanged to 1-4 higher, May 59 1-8 to 1-4, July 61-61 1-8, and oats unchanged to 1-4 off.

Barley—No. 3 cw 59 1-4; No. 4 cw 58 1-8; No. 5 cw 57 1-4; No. 6 cw 56 1-4; track 62 3-4.

LITTLE BANKERS AND BIG BANKS

(A true story)

Bunny's father gets his pay cheque twice monthly, and Bunny's mother deposits it in one of the branches of The Royal Bank. Along with his mother trots four-year-old Bunny with a little iron bank tucked under his arm, into which he carefully put his savings.

While his mother is waiting for her book the bank manager lifts Bunny on to the counter, opens his bank, and counts his money, and then enters the amount in Bunny's savings bank book.

To Bunny these semi-monthly visits are but pleasant interludes in the active days of childhood; but to his father they have deep significance, for he sees, in the light of his own mature experience, the cultivation of a habit of thrift that will prove of great value to the boy as the years go on.
