MOVE TO DISSOLVE OIL CO'S MONOPOLY

Petition in Equity in United States Circuit Court, Against The Corporation--Suit Brought Under Sherman Anti-Trust Act.

ST. LOUIS, Mo., Nov. 17.—The U. S government today made the initial move to dissolve the Standard Oil Company's alleged monopoly by filing in the U. S. circuit court a petition in equity against the Standard Oil Company, of New Jersey, and its seventy constituent corporations and partnerships, and seven defendants, including John D. Rockefeller and Wm. Rockefeller asking that the combination be declared unlawful and in future enjoined from entering into any contract or combination in restraint of trade.

The suit is brought under the Sherman anti-trust act, which the Standard Oil Co. and its constituent companies and the seven individual defendants are charged with violating.

In a formal statement Attorney General Moody says that criminal prosecution is reserved for future consideration.

The government's petition in the suit is signed by Wm. H. Moody, U. S. Attorney general; Milton B. Purdy, assistant to the attorney general; Frank B. Kellogg, Chas B. Morrison and C. A. Severance, assistants to the attorney general.

The petition contains 194 printed pages or about 100,000 words and an additional 84 pages of exhibits, consisting of by-laws and minutes of Standard Oil meetings and organizations and a map showing the retail price of oil in every state and territory of the union.

The investigation into methods pursued by the Standard Oil Company began early in 1905, and the results were laid before Congress last May by President Roosevelt, who accompanied the report by a special message denouncing the apparent methods pursued. The president asserted that suits would be instituted in the U. S. courts to abolish the combination and the filing of the suit today marks the initial step.

The defendants are entitled to one month in which to enter their appearance and 60 days in which to file answer to allegations in the petition. They also have the option of filing a demurrer to the bill.

Catarrh of the Stomach

A Pleasant, Simple, But Safe and Effectual Cure for It.

COSTS NOTHING TO TRY.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson, the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and thorough digestion will follow their regular use after meals.

Mr. R. S. Workman, Chicago, Ills., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, Catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send your name and address today for a free trial package and see for yourself. Address F. A. Stuart Co. 58 Stuart Bldg., Marshall, Mich.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

HELP SCOTTISH FISH INDUSTRY

GLASGOW Nov. 17.—The Scottish herring girl has from time immemorial followed the fleet along the British coast, and enjoyed a complete monopoly of the work of packing and salting the catch. Her domain is now to be invaded by alien labor, for recently a party of ten Swedish women and four men landed at Grimsby under contract with a Lowestoft firm to engage in the herring industry at that port. Should the experiment prove satisfactory further importations are contemplated. The party landed under conditions placing them beyond the scope of the Aliens Act.

In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by all druggists.

COMING EVENTS.

City Council meets on the second Monday in each month. James Paton, Mayor W. W. Clarke, City Clerk.

STORM RESULTS IN ST. LAWRENCE

QUEBEC, Nov. 15—The fierce gale, accompanied by snow, which is now raging in the gulf, is playing havoc with shipping. The Aranmore and three other vessels have been compelled to put into Gaspe Basin on the South shore to seek shelter. The Aranmore was unable to land her supplies on account of the heavy weather and has been in shelter for several days.

The North Shore line steamer King Edward has been delayed three days at Manicouagan on account of the heavy weather, but continued on her way this morning. She encounteted heavy weather, snow and wind, and was unable to land passengers.

The Anticosti lightship, which is now on her way up, lost both her anchors and anchor chains, in fact she is minus her entire mooring gear. It is reported that both the north and south shores are strewn with wrecked schooners and other small crafts, at intervals of every four or five miles.

HEIR TO $80,000 KEEPS $20 JOB

NEW YORK, Nov. 17. With $50,000 in securities and $10,000 in cash, Raymond I Blakeslee, a lawer of No 31 Nassau street, made his way to the cellar and machinery rooms of Keith and Proctor's Theatre at Twenty-Eight Street and Broadway a week ago and found Watson Raine, a bent and grizzled engineer at work there. Mr. Blakeslee turned over the $80,000 to Raine and told him he would receive in a short time about $20,000 more, the balance of a legacy from Harold Bliss, brother of Raine's mother and a wealthy landholder of Canada, who died recently leaving onefourth of his estate to the engineer.

Raine took the money, heard the lawyer's explanation of its source and kept right on at work. He still toils from seven to five o'clock every day, and has told his employers that he will continue to act as engineer of the playhouse until he dies or is discharged.

Croup.

A reliable medicine and one that should always be kept in the home for immediate use is Chamberlain's Cough Remedy. It will prevent the attack if given as soon as the child becomes hoarse, or even after the croupy cough appears. There is no danger in giving it to children for it contains no opium or other harmful drug For sale by all druggists.

We spent considerable money experimenting and perfecting

Our Emulsion With Guaiacol

We are satisfied though now that it is one of the best remedies on the market.

Not only do you get all the benefits of Cod Liver Oil and the Hypophosphites but it also contains Guaiacol—the germ killer, this is not found in the ordinary emulsions.

For croup in children no equal.

Price 40c per bottle.
