THE CAPITAL OF THE WEST

Latest from Summerside and Prince County.

F. W. Peters returned home by the Stanley on Saturday.

Miss Annie Gough returned home from Boston via Cape Tormentine on Saturday. L. E. McGregor left on Saturday for Brae where he will take charge of the Brae school.

Robert L. Cotton of the Examiner staff made the round trip by the Stanley on Saturday.

Rev. Dr. CURRAN, rector of St. Dunstan's College, A. S. Johnson and Miss Ashleigh, Charlottetown, were among the passengers by the Stanley on Saturday afternoon.

THE Stanley made the round trip on Saturday. Leaving Summerside after the arrival of the express train from Charlottetown, she arrived at Cape Tormentine at 11.30. Returning she left the Cape at 1.20 p. m. and arrived here at 3.05. There were 20 passengers going and the following freight, 300 boxes smelts, 250 bags oats, 107 dressed hogs, 20 cases poultry, 4 horses and sundries. The steamer brought 15 passengers and a quantity of mixed freight.

Miss Comstock left by the Stanley on Saturday en route to Hudson, Mich., in response to a telegram announcing the sad news that her father had dropped dead on New Year's day at Salada, Colo., where deceased had resided for some years past. The remains are being taken to Hudson, Mich., his old home, for interment. A host of friends in this Province will sympathize with Miss Comstock in her sudden bereavement.

THE mails are despatched from the Summerside Post Office daily as follows: For the S. S. Stanley at 8.45 a. m. " Charlottetown and Kensington " 8.55 " " All points West " 10.35 " " Bedoune and St. Elizabeth's " 10.45 " " All points East " 3.55 p. m. " Alberton and Tignish " 5.00 " Mails are collected from Street Boxes at 7.45 a. m. and 3 p. m.

THE musical and literary entertainment under the auspices of the Summerside Presbyterian choir in Market Hall on New Year's night, was the most successful of the kind ever held here. The hall was crowded, so much so that chairs had to be placed in the aisles to accommodate those in attendance. The choruses, by about 50 voices, were full of melody; while the soprano obligate taken by Miss Jessie Sharp, in the second chorus, was a pleasing surprise to the majority, and highly appreciated by all. Miss Sharp in making her debut as a vocalist, captured the audience. Her voice is strong, clear and well controlled and each note taken was distinct and rich in tone, winning for her volumes of praise. The number called for an encore and received prolonged applause. Miss Larkins' solos were pleasing indeed and received hearty encores. Miss Galdart, of Moncton, was on the programme in three places, and the fact that on each occasion she was encored, on her third appearance receiving a double encore, speaks better than words of her talent as a teacher. The solos by Mr. Stanley of Charlottetown, were far ahead of the local male talent heard here, and he was rendered hearty and well deserved encores on both his appearances. Miss Sinclair has lost none of her sweetness of voice and the remarkable distinction on her behalf was voice culture. Her hearers were exceedingly well pleased and insisted on an encore in her rendition of two selections. The male quartette by Messrs. Forsythe, Matthews, Whitney and Beattie was splendidly given and the audience was only satisfied after they had responded to an encore. It was likewise with the double mixed quartette by Misses, Z. Sharp and Harris, Mrs. Ramsay, Miss McKelvie, Messrs Matthews, Forsythe, Beattie and McGregor, the last number of an extended program, which called forth much applause and an encore. Home made candy was sold during an intermission. The affair throughout was very creditable to Mr. Whitney, the director, who trained the voices in the choruses, accompanied each selection on the piano, and generally managed the entertainment. [This item was unavoidably omitted in last issue.]

LOST APPEITE QUICKLY REVIVED.

A FITFUL APPEITE IS GENERALLY ASSOCIATED WITH A GENERAL WEAKNESS OF THE SYSTEM. FERROZONE, THE BEST TONIC AND APPETIZER, SHOULD BE TAKEN AFTER EACH MEAL, AND A RAPID IMPROVEMENT IS SURE TO FOLLOW.

Disaste for food often follows La Grippe and fever, or is brought on by over excitement or worry. It is a dangerous condition and paves the way for more sickness. On this account it should be at once corrected by the regular use of Ferrozone.

A new and wonderful medicine is Ferrozone. It instantly imparts a real zest for food, and gives power to the stomach to digest and assimilate all that is eaten. Dyspepsia and indigestion are quite unknown to those who use Ferrozone, simply because it digests food so quickly, that it has no time to ferment or sour on the stomach.

Ferrozone regulates the bowels, quickly remedies urinary disorders and causes all the organs of the body to perform their functions, with proper regularity. If the liver is torpid, or the kidneys not eliminating as they should they are soon restored to normal action, and the poisons that might otherwise be retained in the body to cause disease and ill health, are carried off through natural channels.

The surest road to perfect health is Ferrozone. Young girls who have been accustomed to eat almost nothing at breakfast, soon get over the habit by using Ferrozone, and as a result grow into healthy vigorous womanhood. When people get up in years and lose the strength and vim of youth, they need a good tonic and blood builder to enable them to resist the trials of our vigorous winter, and this is where Ferrozone can be used to great advantage.

Both the young and the old, the weak and the strong, male and female can derive untold benefit from Ferrozone. It is guaranteed to contain no opiates or injurious drugs, and will do just what is claimed for it.

Druggists recommend and sell it, price 50c per box or three boxes for \$1.25. Sent to your address by mail if price is forwarded to N. C. Polson & Co., Kingston, Ont.
