

Old Coughs

Keep in close touch with your family doctor. No medicine was ever made that could take his place. Trust him at all times.

Old coughs, desperate coughs, rasping coughs, extremely perilous coughs, coughs that shake the whole body. It takes a strong medicine, a doctor's medicine, to master such coughs. A great many people rely on Ayer's Cherry Pectoral.

Cleanliness is Next to Godliness If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by all Boards of Health and Health officers. Charges moderate. **G. D. Wright,** Funeral Director and Embalmer. dtstf

THE QUEEN'S COUNTY GUARDIAN

Offices in New Prowse Block—Charlottetown

Horace Hazard, City, is now in Ottawa. The City Court meets at ten o'clock this morning. The market yesterday was fairly well attended considering the stormy weather. Mrs. J. L. Godkin, City, left yesterday on a visit to friends in Murray Harbor. Any girl desiring to learn and news setting should apply at this office at once. A good chance for the right girl.

Further word received from Sydney yesterday reported no change in the condition of Wiley Clarke who is seriously ill there. His father Hall Clark, Summerside, left for Sydney yesterday afternoon. In another column we print the brief letter of Rev. Father Gauthier recommending the appointment of Capt. Read to the Railway Commission. On every hand the proposal that this Province ought to be represented on the transportation board has been received with patriotic interest and enthusiasm. It is for those who have interest with the powers that be at Ottawa to take the matter up and press it home with the energy they possess. It is a movement which means much for the solution of the grave problems with which we have long struggled in vain. It may mean very much for the future of our Province and what is done must be done quickly. Time does not wait.

An enjoyable social was held by the students of the C.B.C. in the S.O.E. Hall last night. The Stanley got into Georgetown yesterday at 1.15 having been delayed by a heavy snow storm.

The inward cargo by the Stanley to Georgetown yesterday included two cars mixed freight and one car coal. Miss Winnie McLeod, who is a trained nurse in the United States is visiting her parents John and Mrs. McLeod.

The outward freight by the Minto to Pictou yesterday included 295 packages mixed freight and 198 bags oats.

Arthur W. Drake, Cornwall, left last night for Georgetown en route to Chilliwick, B.C., to join his brother.

A pleasing event for the pupils of the Union Commercial College was the social held by them in their large hall last evening.

At the Nickel last night the result of the New Brunswick elections was shown on the screen as soon as received through the Telegraph Office.

The Presbyterian Witness contains a good cut and lengthy reference to P. V. A. D. McKenzie the missionary to Demerara who is now in this Province.

There was a fairly good attendance at the lecture in First Methodist School-room last night when Rev. Geo. E. Ross gave his brilliant lecture on "Under the Southern Cross." The subject was most interesting and beautifully illustrated.

The warmest registered yesterday was 23 above zero and the coldest was at nine o'clock last night when it was 12 above. Yesterday morning at nine it was twenty above and during the previous night 15 above.

While Hugh and Mrs. McKinnon of Highfield, were driving on the ice near Buchanan's Point, their horse and sleigh broke through into deep water. The occupants with some difficulty succeeded in getting on to the ice but it was not until help arrived from the neighborhood, that the animal was rescued after being in the water for a considerable time.

In the House of Commons, Ottawa, a few days ago Sir Frederick Borden expressed his sympathy with the work of the Dominion Rifle Association. He said he was glad to say that with a few trifling exceptions, he had received the full support of parliament regardless of party in any undertaking for the benefit of the Canadian militia.

A public temperance meeting was held at Kingston on Monday evening under the auspices of King's Star Division S. O. T. Notwithstanding that the evening was stormy the large hall was filled. Daniel T. Fraser, occupied the chair. The e was a choice program of local talent, George W. McPhee of this City gave an address on the principles that make for success in life and wended a hearty vote of thanks for his well considered discourse.

The Wanderers of Montreal who have many admirers in this City, practically won the Eastern hockey championship, as well as possession of the Stanley Cup, which they previously held by defeating the Ottawas after a great struggle of the arena ice on Saturday night last by a score of four goals to two. The match was witnessed by a record crowd of over seven thousand spectators jamming the arena and a couple of thousand more turned away unable to obtain admission to the rink. The most intense excitement prevailed throughout. The crush at the grounds was so great that thousands gained admission by forcing the doors and smashing the windows which they reached by ladders.

Another bumper house greeted the week's new comedians, Bates and Ernest, at Wonderland. They prove themselves capital entertainers, the Burlesque Boxing Act between the portly but wary German and his American opponent being one of the most amusing comedies yet put on at Wonderland. The audience had no long wait to get busy with the fun, it was mirth and amusement from the start to the finish, and prolonged applause was abundantly given the comedians. Too laughable to describe were the climax, the situations and the cross talk between the trio, every bit of it good comedy with nothing doubtful or unrefined in it. They present this Boxing set tonight again and it is but a certainty to persist for them another splendid reception.

If you are suffering from a racking cough the result of La Grippe, take our Guaiacol Emulsion. It will strengthen the chest and lungs and enable you to throw off the most obstinate cough—40c a bottle. A. Keddin.—Phm B.

IS YOUR THROAT HUSKY?
This is the first step towards Catarrh. Everything depends on your remedy. A cough mixture slips quickly over the weak spots, drops into the stomach and does little but harm digestion. It's altogether different with Catarrh— it cures because it gets right at the trouble. You inhale Catarrh— breathe in the vapor of healing balsams that strengthen and restore the weak throat tissues. You'll not have colds, or coughs, Throat Trouble and Catarrh will disappear with the use of Catarrh— At all dealers, 25c. and \$1.00. Get it to-day.
