Talented Bandmaster
26th Regimental Band
Conservatory of Music, London, speaks
of the New Scale Williams Piano
Gentlemen,
The New Scale Williams Piano which
I purchased from your agent, Mr. F. S.
Cross last April, has proved to be most
satisfactory. The tone is full and round,
yet brilliant and perfectly even through-
out. The superior singing quality and
sustaining power I find of very great
assistance, especially with my vocal
students.
Wishing you every success, I am,
Yours sincerely,
ROSELL POCOKE.

Called hence by early doom,
Just came to show how sweet a

In paradise we old b'oon.
Ere sin could harm or sorrow fade,
Death came with friendly care
The opening bud to heaven conveyed
And bade it blossom there.
