

Lela Rawlings The Rev. J. G. Rawlings

HANGED MAN AND HIS DAUGHTER. J. G. Rawlings, a former Baptist preacher, was hanged recently at Valdosta, Ga. for the murder of the children of the Rev. W. L. Carter, a neighbor with whom he had quarrelled. His daughter, Lela, was hanged with her father, two of whom were sentenced to hang.

Why Take Business Home?

Are Your Nerves Constantly Strained With Groundless Worries?

The cause of this tense condition is in your stomach. Your food does not digest properly. Nine-tenths of all dyspepsia and indigestion is of the nervous type and the only certain cure is to right the cause. Tonics, brain foods, bitars, etc., are mere temporary stimulants. Your stomach and small intestines have become deranged by improper selection of foods, imperfect mastication and irregularity both as to time and amount of eating.

CAN'T THROW OFF HIS CARES.

The mucous coating of the stomach and intestines has lost its power of secreting the gastric juices (an important factor in digestion) the muscles of the middle coating are corresponding to life's in grinding up the food, and as a result, the food lies in your stomach fermenting, poisoning the blood, irritating the nerves and breaking down the system.

Something must be done to arouse the digestive organs to action. Stuart's Dyspepsia Tablets alone have been found capable of digesting the food for the unhealthy stomach. They contain diastase, pepsin and other digestive agents which the stomach itself possesses when in health. These agents digest the food for the stomach and give the stomach a chance to rest and regain its normal powers.

Stuart's Dyspepsia Tablets are not a patent medicine, the formula for their preparation having been made public and known to 42,000 physicians in the United States and Great Britain. By government tests, Stuart's Tablets have been shown not only to contain no harmful ingredients, but to possess digestive powers of higher purity than found in any other preparation.

Stuart's Dyspepsia Tablets are recommended by physicians everywhere and can be bought of any druggist or direct from the manufacturers at 50 cents per box.

If preferred, a free trial package will be sent you immediately upon receipt of name and address. F. A. Stuart Co., 73 Nassau Bldg., New York, N. Y.

Every advantage that big buying on spot-cash terms will secure is ours for you. Sharpest examination, closest competition, most exacting comparison.—Jas. Patton & Co. 12-19411.

For Ozone and pledge you our word that it contains no alcohol nor drugs of any kind, just as hell in solution. We know that our preparation is purer than any other make, because every drop is allowed to mature in our laboratory for three months before it is shipped. We also know that Commercial Ozone being an astringent preparation should always be taken with Celery King, the well known tonic laxative. This is the only way to cure gum diseases permanently. The Celery King costs you nothing, because with each purchase of Solution of Ozone you receive a coupon entitling you to one full sized 25c package of Celery King free of cost.
