THE MONCTON Times says:—It is understood on good authority that the maritime championships bicycle and athletic will be held this year at Antigonish, N. S., on Wednesday, September sixth, two days after the big Moncton Labor Day meet. It is quite a number of years since Moncton has had any representative competition in the maritime championships—not through any fault of the M. A. A., but because there were no athletes in this city willing to train.

This year however, it is likely that there will be one representative at least in W. C. Davidson, the well known bicycle rider, who has held several maritime championships and who, but for the misfortune of a meeting with an accident, might last year have captured a few championships in the Dominion meet. Davidson will compete in the races here on Labor Day and from here will go to Antigonish. It is just possible that he will go to Peterboro, Ont., to take part in the Dominion Championships. Wilder Hoar, the Sackville quarter and half mile runner, who is now in Moncton, may also go to the Maritime meet, as well as Linden, who a couple of years ago was doing good work in the half mile, as well as the quarter. [It was generally understood here that the sports are to be held in Halifax as recently decided upon by the M. P. A. A. A. The Abegweit Athletes, including Halpenny, Jones, McMillan, Harley, etc. are getting ready and it is expected that a strong team will be sent to carry off the banner for greatest number of points as they have done the past few years.]
