Gained Both in Strength and Weight

Another case that proves the merit of

Ferrozone,

"I was in poor health nearly all last winter," writes Mrs. Cross of Wakefield, Ont. "My appetite was variable. I was weak and unfit for work. I suffered a good deal from nervous prostration and palpitation of the heart. My digestion was generally out of order. By spring-time I had lost flesh, color and had a bad cough. The doctor didn't help me very much, so I decided to try Ferrozone. It did me ever so much good in one week. I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I weighed myself and found a gain of fifteen pounds. Ferrozone rebuilt my constitution, and made me a new woman. I considered Ferrozone worth its weight in gold to every weak woman. It cured me quickly and saved big doctors' bills. (Mrs.) R. CROSS."
No time so certain, so helpful, so safe try Ferrozone yourself—50c per box at all dealers.

ARRESTED A 2 YEAR OLD BOY.

Pittsburg, Pa.—George Shaffer, 2 years old, was arrested on a warrant and charged with trespassing. A neighbor swore that George tore up his lawn and flower beds. But the Court declined to hear the case. The little son of Mrs. John Cline of Aylmer, Ont., was only a year older than baby Shaffer when his mother noticed that he suffered with severe attacks of Biliousness. She tried everything she could think of, but the boy grew steadily worse. "I cannot praise Fruit-a-lives too highly," writes Mrs. Cline. "I have tried so many different kinds of medicine for my son. He has had bilious attacks ever since he was three years old, and since he began to take 'Fruit-a-lives' he has been so well." "Fruit-a-lives" are the ideal medicine for children, as well as grown folk. They are pleasant to take and mild in action—being made of fruit juices and tonics. 50c a box. At all dealers.
