DODD'S KIDNEY PILLS CURED JEAN BAPTISTE TAPP

Quebec Man who Suffered From Kidney Disease for Years is Again a Robust, Healthy Man.

L'Anse-a-Valleau, Gaspé Co., Que., June 15—(Special)—"I am happy to tell you, Dodd's Kidney Pills made me well." So says Jean Baptiste Tapp, a well known and highly respected resident of this place. And so thankful is Mr. Tapp for the benefits he has received from Dodd's Kidney Pills that he wants the whole world to know it. He wants others who suffer as he did to know the cure.

"For many years I suffered from kidney disease," Mr. Tapp says. "It started from a cold, and gradually grew worse. My skin had a harsh, dry feeling, my appetite was fitful and I expired freely with the slightest exertion. I had flashes of light before my eyes and I was always tired and nervous.

"Finally rheumatism was added to my troubles, while attacks of sciatica and neuralgia followed. The doctor who attended me and the medicines I tried, failed to help me till I decided to use Dodd's Kidney Pills. I took four boxes in all, and today I am a robust man in excellent health.

"All Mr. Tapp's troubles came from sick kidneys. That's why Dodd's Kidney Pills cured them.
