Splendid Tennis Marks Opening Day's Matches In Provincial Open

Upper Canadian And Maritime Stars Swing Into Action Today.

(Canadian Press)
With leading players from Upper Canada, New Brunswick and Nova Scotia arriving until late afternoon, the opening day's play in the Island tennis tournament yesterday was confined for the most part to local racket wielders.

Ross Wilson, Alan Eaton, Bruce Hall, all of Toronto and Joe O'Hara, Edgar Murphy and Eddie Condon, all of Ottawa, arrived too late for play but will all swing into action today when play will start in earnest.

Mrs. H. L. Beer of Ottawa, the favorite for the women's singles crown advanced through one round today when Miss M. E. Morris, Charlottetown in straight sets while Miss Jean Wright, of Petite Rivier, N. S., and second ranking player of that province dropped only one game in winning from Miss H. McKie, Charlottetown. Miss Wright advanced through the first round in the women's doubles winning in straight sets from Misses M. MacLean and M. Morris, Charlottetown.

Miss Eleanor Bourke, women's singles champion of Prince Edward Island defeated Miss F. Pyke, Halifax 6-3, 6-1, to advance a round while Mrs. B. Piers, Halifax, took a hard-fought three set match from Miss O. Johnston, Charlottetown by scores of 2-6, 6-4, 6-0.

GIANTS EKE OUT WIN OVER DODGERS

(A.P. By Guardian's Special Wire)

NEW YORK, Aug. 5.—Brooklyn Dodgers pined on young Al Smith for three runs in the ninth here today, driving the southpaw from the box, but fell one short of a tie as the league leading New York Giants won their fifth straight victory, 5-4.

Hank Leiber and Dick Bartell drove in all the Giants runs, Bartell getting a homer with none on in the seventh.

The Dodgers got one run off Smith in the first eight innings. Two walks and Reis double, starting the ninth, finished Smith. Allyn Stout relieved him and snuffed the Dodgers out quickly after Jimmy Jordan's double scored two more.

Orville Jorgens held Boston Braves to three hits as his Phillie mates smacked Brown and Benton for a 9-1 triumph before home fans.

Homer Clinches Game
With two men on base in the third inning, Dolph Camilli hit his 21st home run of the year to put the game in the victory column for the locals.

Jorgens had a shutout in his hands until Thompson rapped the ball over the right field wall with one out in the ninth. Brown, first Brave pitcher, issued seven walks in the first three innings and was relieved after walking the first two men out in the third.

Chicago Cubs dropped four games behind the league leading Giants losing to Cincinnati 3-1 the last game they have scheduled at Cincinnati this season.

Al Hollingsworth held the Cubs in check until the eighth but removed in that inning as Cavaretta walked, went to third on Stephenson's third single, and scored on Lindstrom's single, with two out.

Yanks Defeat Red Sox
NEW YORK, Aug. 5.—New York Yankees beat Boston Red Sox 10-2 at Boston today in a weird ball game, terminated by rain in the first half of the sixth. Red Ruffing pitched his first victory for the Yanks after four straight defeats.

Nine hits, seven walks and three errors gave the Yanks their 10 runs off five pitchers, starting with Stewart Bowers, rookie right hander from Gettysburg College, making his big league debut.

A fourth inning shower held up the game 17 minutes and the fifth was a travesty, as with more rain coming up and on the chance that the game would be called before the legal 4-1-2 innings, the Red Sox tried not to get the Yanks out, and the Yanks tried to get themselves out, reversing the usual procedure. Umpire Moriarty finally called a halt to these tactics and the side was retired.

Indians Down White Sox
Cleveland Indians got in there and played headsup baseball for their new pilot, Steve O'Neill at Cleveland, defeating Chicago White Sox 4-2.

Stars Bunch Hits To Again Defeat Falcons' Team

Stars and Holy Name Club Falcons gave another of their usual displays of close, hard-fought baseball in City League encounter last evening at the Abergweil Grounds but once again, as has been the case all season, the Perc McCallum-managed team were returned the victors, this time by a 5-3 count.

Bunching their blows in the first and fourth frames to count two and three runs respectively, the winners, behind the six-hit hurling of young Bruce McCallum, limited their bitter rivals to a trio of runs, Pomp Bolger's terrific line smash to right going for a homer in the fourth and this same player came through again in the sixth with a three base walk to score Bradley from third.

Harold Gaudet's double starting the seventh led to the Falcons' final tally as two infield outs pushed him across the plate.

It was the Stars hurler's seventh win of the season in eight games, the other encounter ending in a draw. Last night McCallum was in great form; on occasions he was hit plenty hard but near airtight fielding behind him pulled him through. He had eleven strikeouts to his credit.

Phil McQuaid, on the mound for the losers, although nicked for eleven safe blows, pitched good ball throughout, and in fairness to him it may be stated that he entered the box suffering from a sore arm, received in a previous game.

The game throughout was featured by some heavy stickwork by both teams. "Pomp" Bolger's two terrific clouts were the other highlights.

After trailing in the first innings 2 to 1 the winners went into the lead in the second with a three run rally and from then on were never headed. Shamrocks accounted for their final tally in the fourth but the Army team replied with one of their own, climaxing their attack in the fifth with a five run spurge.

The Tanners baseball team took the scheduled Industrial League game last night by default when their opponents, the Anchors, failed to field a squad.

In an exhibition game over the week end the Tanners handed the Maples a 5-0 shutout. Nickerson of the losers and Tid McQuarrie of the winners, the rival hurlers, were both in fine form.

Poley's homer in the sixth frame with two mates aboard was the highlight of the setto.

An almost perfect shooting day and an excellent attendance, particularly gratifying on account of there being some eighteen new rifle shots among them, graced the opening day of the Provincial Rifle Association Matches at Kensington Range yesterday.

There were some real veterans there too, men like Joseph Berrigan, answering to 85 summers, who fired his first shot on the Kensington Range 71 years ago when he was a lad of fourteen. It is interesting to hear Mr. Berrigan talk of the old days of iron targets when the marker came from behind after the bullet struck, indicated the spot where it hit with his paint brush and then covered the mark over with a fresh daub of paint.

Mr. Berrigan's memory is keen and he can recall all the great riflemen down through the shadowy past including such historic figures as Patrick Hickey, "who plucked the laurels from the tree that grew at Sussex vale," Major J. B. Pollard and Captain Dan MacRae, then in more recent years Colonel Crockett, Sgt. Crockett, Major Allen, R. V. Longworth, and still more recently "Bisley" Jones, whom he thinks was one of the greatest of them all.

Then there is Alexander Kennedy, over 80 years of age, who won the Moore Cup emblematic of the Island Championship, 39 years ago.

Another veteran, though some six years younger, is J. H. Judson, who shoots with splendid accuracy at times.

There were some high class scores put up yesterday, particularly in the McKinnon Cup Match, which was won by Sgt. A. O. F. Gill with a perfect 50. Closely following were Sgt. A. Gormley, Lieut. Percy Hooper, S. G. McLennan, Sgt. G. G. McLennan and R. Andrews each with 49.

S. G. McLennan is G. G. McLennan's father and a lot of the riflemen twitted the son—who by the way is an ex-Bisley man—on having his Dad's name appear above his.

The last score to get in the McKinnon Match was a 43, Elmer Fife, shooting under the auspices of the York Rifle Club, had the best tyro or new-comer score with a 42.

The Moore and McLeod Match, seven shots each at 300 and 500 yards, followed the McKinnon, and here again high scores were in evidence. Sgt. J. C. Stewart of the Signals had the best 68 and won, with Lieut. P. Hooper and Sgt. A. O. F. Gill, Signals, who shot remarkably well in both matches, third but with the same score. Earl Kennedy had the best Tyro score.

A condition of all matches is that where a prize in kind such as a cup is given, competitors with the same score must shoot off. Sgt. J. S. Stewart, Lieut. Percy Hooper and Sgt. A. O. F. Gill will therefore shoot off today for the R. C. N. V. B. Cup which goes to the winner of the Moore and McLeod Match.

The City of Charlottetown Match, one of the most popular of the meeting, which is seven shots each at 500 and a 600 yards, was fired in the afternoon and it was nearly half-past six before the last competitor was through. Lieut. P. G. Kennedy of the P. E. I. Highlanders was first with the best 68, with Lieut. P. Hooper of the same unit second, also with a 68. Sgt. Gormley and Capt. Smith of the Signals following in the order named with 67. Three others also scored 67.

The scoring in this Match would have been better but for the difficult conditions which occurred at the 600, namely, a rather baffling wind and dull light. A. M. Jones of the Signals was the leading Tyro with 61.

In connection with the above Match there will be a shoot off today between Lieut. F. G. Kennedy and Sgt. P. Hooper for the Fickard Cup, which goes to the winner of the City of Charlottetown Match.

Below will be found the results of the British Consols Team Match Shoot in connection with the City of Charlottetown Match and Moore and McLeod Match.

No. 2 Company, 6th Signals, carried off the honors by a comfortable margin of seven points.

TODAY'S MATCHES
Today's matches will start at 8:30 and will consist of the "Prose" Bros. Limited Match, the 15-Governor's Match, the 15-Tyro Match and the Ladies Challenge Trophy Match in which the 36 highest riflemen will compete for 36 ladles.

It will be between five and six o'clock when this match will be completed and then there will be a presentation of cups and prizes to the successful competitors. All who are interested in the riflemen are invited to be present during the afternoon and witness the presentation.

Individual scores of rifle matches are given on page 8.
